

# CUBS CELEBRATE WINNING OF NATIONAL PENNANT

## GRIMM SELECTS BUSH TO PITCH OPENING GAME

Chicago, Sept. 21.—Chicago's Cubs today were "in" with little in the way of serious business to worry them until a week from today when they oppose the New York Yankees in the opening game of the world series — and they intended to get a little fun out of their baseball.

As soon as Kiki Cuyler smashed one of Steve Swetonic's curves for a triple with the bases loaded in the seventh inning of the first game of yesterday's "crucial" double-header, the veteran regulars had earned a rest. They started taking it in the second game, and they don't have to go back to work until they have rested. Neither do they have to rest if they don't want to.

Manager Charlie Grimm almost went right back to work in the second game yesterday, although he long had planned to give Marvin Gudat a chance as soon as the national league title was won.

"Now that this battle is over," he said, "I could get a lot of fun out of this game. I won't rest long."

He has definitely announced only one item of his world series plans — that Guy Bush will pitch the opening game at New York. This has been common gossip ever since it looked as though the Cubs would win the championship. His other pitching selections depend on the outcome of that first game.

The clubhouse celebration after the pennant winning triumph required a little time to develop. Billy Herman was the first player to reach the dressing room. He wore an awed sort of smile. The rest of the youngsters, with the exception of Lonnie Warneke, the sensational young righthander, matched Herman's expression. The older players just beamed — until Grimm, last to come in, appeared.

Then they yelled at Grimm, at each other, and finally demanded a speech from the manager. He obliged with one word, "great," repeated many times. President William L. Veeck, who on August 2, deposed Rogers Hornsby as manager and appointed Grimm, congratulated each man, finishing up with Grimm.

"Thanks, manager," Veeck said, pumping Grimm's hand. "But, we knew we could do it, didn't we?"

Warneke was little impressed, at least outwardly. He grinned at Cuyler and his only comment was, "Well, we figured to do it."

Not a word of mention was accorded the Yankees. The Athletics

## PHILLIES BATTLE FOR PLACE IN FIRST DIVISION

By Associated Press  
Generally overlooked in the excitement attending the winning of the National league pennant by Chicago has been the surprising fight put up by Burt Shotton's Phillies for a berth in the first division.

Sixth when the curtain went down a year ago, Shotton's sluggers had pounded their way into fourth place and right now are giving the Brooklyn Dodgers the battle of their lives for third. The Dodgers pulled away a little yesterday, increasing their lead to a game and a half by downing the Phillies, 3 to 1, but with four games to go there still is a possibility third place will go to the Quaker city crew.

If the Phils do turn the trick, it will be the first time the club has finished that high since away back in 1917, when Pat Moran piloted them into second place. Grover Cleveland Alexander won 39 games for the Phils that year.

All four of the Phils remaining games are with the New York Giants, however, and the Giants are finishing the campaign with a flourish. Brooklyn has one tussle scheduled with the Giants and three with the Boston Braves.

Watson Clark, ace of the Brooklyn staff, chalked up his 19th victory in halting the Phils yesterday. He kept eight hits widely scattered after the first inning. Home runs by Joe Stripp and Glenn Wright accounted for all the Dodger runs off Holley, Rhen and Collins.

The Giants, breaking sixth place, plastered the Braves, 13 to 3. Mel Ott led the assault on four Boston hurlers with four hits, including his 37th and 38th home runs, tying him with Chuck Klein for the league leadership.

St. Louis, with Tex Carleton pitching five-hit ball, beat Cincinnati, 3 to 1, and the Cubs closed the race proper with a 5 to 2 win over Pittsburgh in the first game of a double header. The crestfallen Corsairs took the second, 5 to 0.

Monte Weaver further established himself as one of the year's greatest freshman pitchers as he set Boston down with four hits and beat the Red Sox 4 to 1.

Cleveland completed the day's activities in the American league by beating St. Louis a couple, 5 to 2 and 11 to 2. Joe Voelck cracked two triples, a double and three singles during the afternoon.

## Ducks Slaughter Angels 17-6 And Increase Lead When Oaks Down Stars

By Associated Press  
Those pennant-made Ducks went wild at Portland Tuesday night to trounce Los Angeles 17 to 6 and increase their league lead to three full games over the Hollywood Stars, who lost to Oakland 3 to 2 at Los Angeles.

Four Angel hurlers were sent to the mound in a vain attempt to halt the Portland attack, but all four were hit freely, together allowing 15 hits and 14 walks. The Ducks cinched the game in the fourth inning when they scored eight runs on five singles, a double and three walks. They scored three more in the sixth and six in the eighth. Batteries: Los Angeles, Baecht, Ward, Middendorf, Curtis, and Campbell; Portland, Peterson and Palmaturo.

Siegral of Oakland had a slight edge over Tom Sheehan of the Stars in a pitchers' duel at Los Angeles that gave the Oaks the series opener, 3 to 2. Jack Sherlock's home run was the only earned run scored off the young Oakland pitcher. Batteries: Oakland, Steengrad and Raimondi; Hollywood, Sheehan and Strange.

San Francisco's Seals found Seattle pitching to their liking Tuesday night and pounded out 19 hits to defeat the Indians, 11 to 8, in the series opener at Seattle. The Seals scored in every inning but the fourth, eighth and ninth. Seattle, scoreless for four innings, put on a drive in the fifth and sixth but failed to catch up with the victors. Batteries: San Francisco, Davis and Brenzel; Seattle, Kallio and Cox.

## GRIDIRON SQUAD INCREASED IN SIZE

An augmented squad of approximately 40 boys, divided into two groups with Coach Hollis Huntington in charge of one and Vernon Gilmore, track coach, in charge of the other underwent a course of falling on the ball, leap frog and a variety of other stunts Tuesday afternoon calculated to prepare them for the grid which is expected to get them in condition for the 1932 Salem high football season.

The turnout Tuesday afternoon numerically was just about on a par with that of former years, although experience appears lacking in many instances.

Don Coons, a member of Parish junior high squad of last year and who worked out with the senior organization last spring, will don a suit in a day or two. He is a candidate for an end job. At present his managerial duties have kept him busy outfitting members of the team, and seeing that a number of freshmen do not loaf on the job of spreading sawdust evenly over freshly disced Olinger field.

## CORVALLIS NOT SCHEDULED TO PLAY SALEM HI

Unless the two teams can arrange a date satisfactory to all parties concerned, Corvallis and Salem high school football teams will not meet during the present season. While the Benton county youths have no place on the Salem schedule at the present time, Don Coons, manager for the Huntington crew is still hopeful that an agreement can be reached. Salem and Corvallis are natural football rivals and most of their encounters have been strenuous affairs with neither side having much of an advantage. Corvallis handed the locals a nice beating last fall on Bell field and an opportunity to reciprocate is all that is asked for here.

Considerable change in the schedule as outlined earlier in the year has been made, Coons says, the dates in several instances having been rearranged. While a story appearing in a Medford paper stated a game between the southern Oregon squad and Coach Huntington's team had been arranged for this year, the contest is not likely to take place, local authorities feeling too much money was involved.

The correct schedule follows: September 30—Alumni. October 7—Silverton, here. October 15—Bend, there. October 21—Albany, there. October 28—Astoria, here. November 4—Oregon City, there. November 11—Eugene, here. November 18—Tillamook, there. November 24—Chenawana, here.

## California Coach Stops Scrimmage

Berkeley, Cal., Sept. 21 (AP)—Heavy scrimmage for Coach Ingram's regulars on the California Bear squad has ended as the result of injuries several players have received. Hard practice will continue, however, for the second and third strings preparation for the contest with Santa Clara here Saturday.

## Volleyball Players Organize at Dallas

Dallas—Coach Oramel Shreeve has been organizing a volleyball club during the past two weeks and has been very successful in interesting a number of players in the sport. Thursday of last week some 14 men turned out for practice and had a first class workout in the high school gym. Those on deck were Coach Shreeve, Floyd McCann, Gerald Fowler, Homer Ellis, Bob Griffin, Mike Voth, Bill Blackley, Elwyn Craven, Walter Craven, R. McKnight and Lenthal Bollman.

## Palo Alto, Cal., Sept. 21 (AP)—

Hoping to overcome the frequent fumbles which marred Stanford's appearance against Olympic club last Saturday, "Pop" Warner is putting his backfield candidates through long sessions of ball passing. Warner expects to try out several intricate "spin" plays against San Francisco university Saturday.

## Bergdahl Lost To Bruins for Season

Los Angeles, Sept. 21 (AP)—The U. C. L. A. Bruins have lost Lemmy Bergdahl, their quarterback, for this season. Now convalescing from an operation on his right elbow, Bergdahl said that inasmuch as it was doubtful if he could play against St. Mary's Armistice Day, he did not want to waste a year of competition for one or two games. The Bruins trounced the Pomona Sagittas 27-0 in their first night drill last night.

## JONES THROWN BY BARRACKMAN

The only fall Henry Jones, welterweight champion, was able to secure from Merwin Barrackman during their engagement at the armory Tuesday night was the first one of the series of three and resulted from the clamping on of a Boston crab. The bearman came back to take the second and third falls with a shoulder and arm bar and a backward body slam.

John Simmons of Seattle and Ralph Morley of Salt Lake City put on an exceedingly fast exhibition, coupled with a great amount of so-called rough stuff. The affair was indecisive, each man taking a fall during the hour's engagement.
