MELLER'S BUUSS Governor Meler lauded the Am-erican Red Cross work and urged support of its annual roll call which is now under way, in a proclama-tio issued here. The governor's statement reads as follows: "The American Red Cross will conduct its annual membership campaign between Armistice Day and Thanksgiving. "The Red Cross, along with all other relief agencies, has been sub-jected to heavy demands during resent months when unemployment has brought distress and suffering in its wake. Demands for its ser-vices have exceeded those of any period since the World war. The organization has been treleas in its efforts to provide unemployment re-liciting, garden seed, medical and nursing care to those in distress. Great Britain's \$9,500,000 war debt payment due December 15, but Great Britain has advised Paris, Rome and Brussels of her action. Meanwhile the discussion of debts that came immediately after the American election continued in the press. Today's edition of the authoritative weekly, "The Econo-mist," sugrested a general scaling down of war debts, and taking them "out of politics." lation. Of the personnel of the 1931 ses-sion, who were acquainted with Snell and many of whom were on his list of supporters for speaker-ship, only 17 were returned. The 43 new members therefor could take control. However, Snell has already contacted some of these and his election still appears a sure event. The greatest upset in the sena-torial election was the defeat of B. L. Eddy of Roseburg, a veteran of many sessions and one of the lead-ers in the upper house. Walter S. Fisher, a member of the house in the 1931 session, and a democrat, defeated Eddy. Others who will be missed in the 1933 meeting will be colonel Eber-hard of La Grande, defeated by Henry L. Heis, democrat; Wilard L. Marks, president of the lask sen-ate, who resigned several months ago: Charles Hall, who moved out of his district of Coos and Curry county and was replaced by John D. Goss, democrat of Markfield. Senator B. W. Johnson of Benton and Polk counties, who died during the pax year, will be replaced by J. lation. Of the personnel of the 1931 ses California who had asked the op-portunity to greet him. After the speech, the president and Mrs. Hoover drove to the new home of their son, Herbert Hoov-er, Jr., at Sierra Madre, Mrs. Hoover had expressed a desire to stop to see the newly built home. Mr\_and Mrs. Herbert Hoover, Jr., and their three small children rode from Palo Alto on the special train. Alian Hoover, the president's younger son, also left the train here to return to his work in Los Angeles. Republicans should not be dis-couraged by defeat, the president said, but "should at once strengthen all form of national, state, county and precinet organization for mili-tant action."
