

Drastic Local and Nation Wide Conditions U. G. Shipley Co. To Sell — Unload Sacrifice! — Forced To Raise Cash

Every Article! Every Garment! in the U. G. Shipley Co. Stock Goes On Sale Not For What It Is Worth, But at Prices That Fairly Scream

WE MUST RAISE \$20,000 CASH IF IT TAKES OUR \$40,000 STOCK TO RAISE IT

EXTRA — EXTRA Cold-Blooded-Facts

Never in all the years we have been in business has this exclusive apparel store been forced to sacrifice all new up-to-date stock at this season of the year. Nor has it, regardless of the remarkable values offered here at all times been able to approach the low selling figures now quoted for immediate and quick disposal in order to raise money and raise it quickly. It stands to reason that such low prices would be out of the question if it were not for the fact that we are forced to sell and unload at any cost. IT MUST BE DONE AND LOW PRICES WILL DO IT. We realize that a tremendous sacrifice must be made on every article to quickly and positively dispose of surplus stock in the shortest time possible. We are face to face with the necessity of a quick SWEEPING DISPOSAL and are driven to take the most drastic mark down in our history.
