

### BEARCATS END GRID YEAR BY 6 TO 0 VICTORY

All the gloom which enshrouded the Willamette Campus following the defeat at the hands of Pacific University a week previous was dispelled on Sweetland field last Saturday afternoon when a band of Bearcats, all nursing severe hurts, rose up to smite Whitman, their strongest rivals and win just about as good a ball game as one could wish for. The score, 6 to 0 does not truly represent the advantage which Coach Keene's men held for, with the exception of the closing moments of the struggle, Willamette held the invaders well bottled up in their own territory. The victory gave Willamette undisputed possession of second place in the conference. Paper Sound took first honors for the first time in Logger history when they defeated Albany college, 31 to 0 at Tillamook.

Wall Erickson, the young Washington ball toter, who, playing as a freshman assisted in the first victory of Willamette over Whitman three years ago, completed his collegiate career in sensational manner. It was Erickson who snared the ball on his own yard line and stopped a last minute Whitman drive which had sent chills of apprehension through the hearts of the Bearcat fans. The Missionary offensive successfully checked and with less than a minute to go, Willamette methodically ran through two plays before the gun ended the contest.

Couch Keene's men gained an early advantage over the visiting Missionaries when Kaiser, who by the way was bitter poison to Whitman all afternoon, took Willamette on the 12 yard line and went over unmolested. Williams' kick for extra point failed because the ball hit the goal post and bounded back. However, it developed that the extra point was not needed.

From that successful play on through the first half and well into the dying moments of the contest, Willamette consistently held the edge. Twice the Bearcats drove deep into Whitman ground but both efforts failed before reaching yard dirt. An incomplete pass over the goal line stopped one drive while a 15 yard penalty for holding checked the other.

With the game rapidly drawing to a close, Whitman lived up to its reputation of being a fourth quarter team. Willamette had started an offensive which had all the earmarks of touchdown possibilities. Taking the ball on their own 30, Gravel returned a Whitman punt to the 40. Cannady in two efforts made the Whitman 40. Then Olson hit center for three while Cannady made it a first down on the Whitman 30. At this point the drive stopped when Whitman recovered a fumble on its own 32. Following an incomplete pass and two line plays which netted little Gibson elected to pass again instead of punting. His strategy proved poor for Staines snared the ball to make it a first down on Willamette's 41. Another pass was good for 13 more. Unable to find a receiver for a third pass, Haynes boomed around right end to Willamette's 18 before being stopped. Finding the air lines favorable another attempt through the higher altitude was made. The ball was tipped upward after it had crossed the line of scrimmage by one of the swirling players it bounded on back three or four yards to be snared by Erickson. Erickson ran it out of bounds on his own four only to be hit in the pit of the stomach by a charging Missionary. A 15 yard penalty for tackling out of bounds gave Willamette the ball near its own 20. A plunge into tackle and a run around left end and the game was over.

### COAST LEADERS IN TITLE GAMES NEXT THURSDAY

San Francisco, Nov. 21 (AP)—On two widely separated gridirons this week the joint leaders of the Pacific Coast conference, Southern California's Trojans and the University of California at Los Angeles Bruins, will stake their championship chances against worthy football foes.

The Trojans, undefeated in or out of the conference and with but a single touchdown scored against them to date, will wind up their conference activities opposing Washington's Huskies at Seattle Thanksgiving day.

On the same day in their home sector, the Bruins of U. C. L. A. will seek their fifth conference win at the expense of the increasingly formidable Washington State Cougars.

The Bruins, defeated by St. Mary's in a non-conference game Armistice day, returned to the wars Saturday to retain their standing in the major circuit with a 32-0 win over Montana. Montana failed to win a conference contest this season.

While the two important conference engagements are being completed mid-week, another tuesday encounter will pit St. Mary's Gaels against University of Oregon, at San Francisco. St. Mary's has the best record among the far west's independent teams this year with only one defeat listed, by Fordham. The Saints also played to a 12-12 tie with California.

Oregon completed its conference schedule with two wins, two defeats and one tie. In three previous games with Oregon, St. Mary's has won.

Stanford and California wound up their conference season Saturday by playing a scoreless tie at Berkeley before an estimated crowd of 78,000 fans. It was the first scoreless battle in 38 games since 1892 with the record now standing at 17 wins for Stanford; 13 for California and 8 ties.

### SILVERTON IKE WALTONS TALK GAME PRESERVE

Silverton—A good crowd turned out for the first meeting of the season of the Isak Walton league in the social rooms over the Ames Hardware store Friday night. Outstanding among the numerous plans discussed were the conference with the game commission concerning the 25,000 acre game preserve that the league wishes to procure, and the lease of the pond for the preparation of fingerling trout for release in the mountain streams. Norris Ames, president, was in the chair, and Roy Davenport acted as secretary.

Ernest Starr and Davenport reported on the hearing of the game commission in September in regard to closing streams on September 1. The report showed that the commission was heartily in support of closing streams to late fall fishing, but the technicalities held up action at that time. A motion carried favoring rescinding the present laws concerning the closing and re-opening of the season on the Abiqua, Silver creek and Butte creek, by changing them to read from April 15 to September 15.

Correspondence was ordered with Mr. Angel, Stayton and Monitor sportsmen in regard to cooperating on the change of dates for the season of the neighboring streams. Ed Overlund, on whose farm the retaining pens are located, gave a report on the China pheasant situation. He stated that a number of farmers had received coops of baby pheasants from the commission and have cared for them with chicken hens, with satisfactory results. The coops that housed the brooder hen was left open to the pheasants and they would leave for the fields when ready. A motion carried favoring the holding pens which were filled with 216 birds ranging from 5 to 6 weeks old were cared for with only a loss of 14 birds up to the time they were liberated last Sunday.

Dr. Loar reported on the question of several months' standing concerning the 25,000 acre game preserve from the combined holdings of the Silver Falls Timber company and the Silverton Lumber company. The commission has been unable to send a research man to look over the situation, however, Dr. Loar has been in recent communication with Art Fish of the state game commission and arrangements were made with the timber companies to take fish over the holdings by means of a speeder, and it necessary, by airplane so that he may report back his findings. The commission approves of this preserve extent.
