MRS. BLISS HAS LOVELY HANDS, YET SHE WASHES DISHES

"People often ask me how I keep my hands so nice in spite of dishwashing. I use LUX for dishes. It's a beauty care for your hands."

GRACE BLISS (Mrs. K. Presbury Bliss)

DON'T plead lack of money for neglecting your hands. Lux in the dishpan costs less than 1¢ a day, for the big package does a month's dishes. Saves your hands.

I NEED \$300.00 By Wednesday Night

Saturday I went to the bank to borrow some money and they gave me that "far away look". I don't blame them. I don't like to borrow money anyway. They have been very nice to me and I haven't bothered them very much during the last five years and if I started running up there every time I needed a little money and they let me have it the rest of you fellows might find it out and we would all be up there trying to borrow money instead of depositing it.
