

# 16 TEAMS READY FOR STATE HOOP GO WEDNESDAY

The final district tournament having been played, the 16 squads which will participate in the 14th annual state interscholastic basketball tournament scheduled for Willamette university's floor March 15, 16, 17 and 18, will soon begin their trek toward Salem. In most instances favorite teams won in the last games of the district shows. Silvertown based out Albany, Marshfield beat Coquille, Athena defeated Adams in Umatilla county while Tillamook won from Nehalem.

There will be eight games Wednesday beginning at 1 p. m. and running straight through with a little over an hour for relaxation around 6 o'clock.

If seasonal performances are any criterion, the teams are just about as evenly matched as could be hoped for, although the abilities of some of the squads are not exactly clear here. The first days' schedule follows:

1 p. m.—West Linn vs. Burns.  
2 p. m.—Medford vs. Lincoln.  
3 p. m.—Astoria vs. Coquille.  
4 p. m.—Marshfield vs. Eugene.  
5 p. m.—Klamath Falls vs. The Dalles.  
7:30 p. m.—Benson vs. Salem.  
8:30 p. m.—Silvertown vs. Tillamook.  
9:30 p. m.—Athena vs. La Grande.

Astoria, present state champion, has defeated Corvallis on the latter's floor this year and will probably repeat Wednesday. Salem may have some difficulty with Benson, since the latter has an all-city center, a department in which Coach Huntington's squad is somewhat weak. Medford always sends first class teams to the tournament and will probably give Lincoln a real workout. The contest between Silvertown and Tillamook has all the earmarks of a "natural" and the winner of this clash may be expected to go through to the finals.

Coach Keene has everything in readiness for the opening whistle.

# FAST TRAVELING SILVERTON TEAM HAS BIG YEAR

Silvertown—Silvertown high's basketball team, the best in the history of the institution, is considered a title contender in the 14th annual interscholastic hoop tournament which will get under way in Coach Keene's athletic pavilion at Willamette university Wednesday afternoon.

The Silver Foxes have drawn one of the toughest of the 16 teams as an opening assignment—Tillamook high. Coach Parry of the Cheese-makers has developed a team which combines the necessary stature at the tipoff position with speed and accuracy in his forwards. It is freely predicted that the winner of this mix will have hurdled one of the hardest obstacles in the road to the title. The game will be played at 8:30 o'clock Wednesday night.

Silvertown was beaten but once on its home floor this season—by Salem. The Silver Foxes, however, earlier in the year beat Coach Huntington's men on their own floor. Coach Davis' men have a record of 17 wins and three defeats exclusive of the district championship series. The record follows:

# College Center Ends Cage Life With 1000 Points

Pittsburg, Kas., (AP)—Ernie Schmidt, star center for Pittsburg Teachers' College, has closed his collegiate basketball career with exactly 1000 points to show for four years of competition.

In college and high school, Schmidt never played with any but champion teams, and he never failed to win a place on an all-star aggregation.

# FAVOR TROJANS TO TAKE SERIES

Corvallis, Ore., March 13 (AP)—The basketball teams of University of Southern California and Oregon State college today awaited the opening whistle of the third and final game of the Pacific coast conference championship series here tonight.

El Trojan was a slight favorite to carry off the honor for 1933 as a result of an impressive 39 to 26 victory scored Saturday night after they had dropped the first tilt 35 to 33 to the Orangemen Friday.

Baffled by the states zone defense, Sam Barry, U. S. C. mentor, sent his charges into the second fray with orders to concentrate on mid-floor shots. Jerry Nemer, dashing forward, and Gutiero, lanky center, carried out the assignments perfectly, scoring 26 points between them. Gutiero, however, wrenched an ankle on the final play and may be handicapped tonight, through able to play.

Oregon State's chances seem to hinge on the Beavers' ability to stop the flashing Nemer and regain their shooting form of the opening night. Saturday night the Oregon squad was off on the close-in tosses.

With the exception of Gutiero, all members of both squads were in condition for the closing contest.

# SILVERTON TOPS ALBANY, 25-21

Silvertown high earned the right to represent district 12 in the state tournament which opens here Wednesday at 1 p. m., when it defeated Albany high Friday night 25 to 21 in the final game of the Marion-Linn tournament. Silvertown fans went through a siege of chills and fever however, as they saw their favorites trail virtually all through three periods of the game and it was only by expert shooting on the part of Scott that enable the Silvertown Foxes to pull out on top.

Barnes, small sized Albany forward, who annexed 11 points during the game kept Silvertown in hot water most of the time through his ability to center the hoop for all parts of the floor. Albany lead 13 to 10 at half time and 17 to 15 at the end of three periods.

Silvertown will meet Tillamook Wednesday night at 8 o'clock in its first state tournament game. This contest has all the earmarks of being one of the best of the entire series.

At the third period Portland lead the Canadians, 2 to 0. Schuman steered the puck from his own blue line to the Portland net for the first Cubs score. The second came when Breezy Thompson stole the rubber from two Portland men in their own territory and bombed it past the goalie to tie the score.

# Connie Mack Faces Task Of Rebuilding Cracked Team With Enthusiasm

By ALAN GOULD  
Associated Press Sports Editor

With all the enthusiasm of an elderly man who has just completed a difficult jig-saw puzzle, 70 year old Connie Mack has combined factors labelled youth, speed and ambition in rebuilding the baseball machine that cracked last year after some successive pennants, developed some unexpected friction and finally was taken somewhat apart.

It would be little short of miraculous for the Philadelphia Athletics, in one season to replace adequately the skill, experience and power of such stars as Jimmie Dykes, Al Simmons and Mule Haas, who combined in 1932 to score 306 runs and drive in exactly as many more. If the youngsters Mack has selected furnish as much as a two-thirds replacement for the veterans sold to the White Sox, the A's will be lucky and probably strong enough otherwise to give the Yankees a better battle for first place than they did in 1932.

For one thing, most of Mack's 1933 replacements are hand-picked and pretty well seasoned. Two Portland, Ore., recruits, Lou Finney and Bob Higgins are slated to fill the big shoes of Simmons and Dykes, respectively, in left field and on third base. Roger Cramer, in center, and Big Ed Coleman, in right, will round out a complete replacement for the one-time championship outer defense of Simmons, Haas and Bing Miller, the new team captain.

The surviving regulars are Eric McNair, a sensation last season at shortstop, Max Bishop at second base, Jimmie Foss, the one-man powerhouse, at first base, Mickey Cochrane behind the bat, and a pitching staff which may furnish more than routine aid to the veteran "big three," Bob Grove, George Earnshaw and Rube Walberg.

The factors upon which Mack relies for improvement are (1) more consistent twirling by Walber and Earnshaw, who has discarded his temperamental habits and promised to bear down from the outset; (2) top-notch performance by Cramer and Coleman, both of whom were put out of the game by broken bones last year while hitting around 340 each; and (3) speed and revival of team spirit instead of heavy footedness and dissension that upset the club in 1932.

# SILVERTON SPORTS LEASE POWER PLANT

Silvertown—The special meeting of the local Isaak Wilton League called by the president, Ed Overlund, Friday night resulted in the assurance of procuring the pond lease from the P. G. E. Power company for propagation of trout to be released in the mountain streams to further assure the fisherman's success in the streams.

As soon as the lease is signed work will start in cleaning the pond and placing the screens. This will be volunteer labor by members of the league and will include clearing out of brush and debris, draining the pond in order to remove the large trout that are there at present.

Ryckman of the state game commission and Wright of the power company were present at the meeting to complete arrangements for the lease. Roy Davenport is secretary.

Open discussions took up practically all the spare time of the business program, disclosing a number of additional project duties that will gain attention of leaguers in the near future. Indications are that another special session will be called in a few days.

# Sheridan High Makes Basketball Awards

Sheridan—The main feature of the regular meeting of the associated student body of Sheridan high, presided over by the president, Loren Markee, Friday afternoon was the presentation of basketball awards.

Coach Ernest Heimbach gave a review of the past season, in which games were won over Woodberg, Williams, Lafayette and Dayton and lost to Dundee, Yamhill, McMinnville and Carlton.

Keith Drumeller, junior and captain of the squad, tallied 117 points for the season; David Seth, senior, 60 points; John Hamstreet, sophomore, 40; Edward Krentzer, sophomore, 38; Elston Bell, senior, 8 and Charles Hillway, junior who played every quarter, 9. # Tinkling bells, and the clink of silver

IN A Chinese fairy story one reads about the Emperor's garden, where rare and colorful plants from all over the world were constantly flowering.

It was the duty of the honorable head gardener to watch for the most beautiful of the blooms and tie to the stem of each a little silver bell. As the flowers swayed in the breeze, the bells tinkled with sweet music. Thus the courtiers and the distinguished visitors, strolling along the paths, were sure to see the finest specimens.

This was the Emperor's way of saying "I have something extra fine that you should see: look this way and you'll be repaid."

In the advertising columns of this paper are similar messages addressed to YOU. Read them and you will hear the clink of silver. Our merchants are saying "We have some extra values. We have some especially seasonable articles that you should see. Come to our stores and you will be repaid."

You have nothing to lose when you accept this invitation. In fact, when you fail to do so, you're missing some of the very news for which you bought this paper!
