

ARCH DAMAGES ARE AWARDED; PLAN MARKER

Woodburn—Ray Glat of the highway committee of the chamber of commerce reported at the meeting Wednesday night that \$100 had been received from the highway department in payment for damage done to the Woodburn arch in the process of removing it from the highway. Action was taken authorizing the committee to use this money for the erection of a new highway marker.

The kind of marker to be erected was left to the discretion of the committee and also the amount of money to be spent. The committee will contact other organizations in an effort to find out the desire of the people as to the kind of marker to be placed at the highway so the public may know of the existence of Woodburn.

A resolution passed by the board of directors relative to the use of the Nick Miller property was adopted by the chamber. The resolution provides that the directors favor the use of the said property for public rather than private purposes, provided that no expenditure is made of city funds and that the best interest of the people of Woodburn and their children be kept in mind.

Butterfield stated that the banking situation here is very similar to that of the fruit and berry situation 12 years ago when cooperation and confidence enabled the growers to get on their feet.

A committee was appointed for the purpose of creating a better understanding of the banking problem and to aid the bank in any manner possible. President John Ramage stated that he had three men in mind for this committee in whom the public had perfect confidence and appointed Mayor W. H. Broyles, R. L. Guiss and John Shaw.
