Little Jean Rogan in a dainty frock of pink organza acted as flower girl. The simple ring ceremony was read beneath an arch of ferns and roses, other decorations were large baskets of spirea and rhododendron.

Her niece, Miss Olive Rogan acted as bridesmaid. She was attractive in a frock of pink crepe with corsage of sweet peas. Immediately following the ceremony a reception was held in the church parlors. Barbara Barnes Revue Splendid Success

The fifth annual revue presented by the pupils of the Barbara Barnes School of the Dance opened at the Esplanade theater Wednesday evening to a capacity audience. The revue was of professional excellence, with splendid continuity, clever dialogue, unique settings and costumes.

The first act took place in a Russian toy shop and depicted a small American girl, played by Mary Lou McKay, and Barbara Miller as the mother, seeking a new doll to replace her broken doll, Rose Marie. Little Colleen Kroner showed especial aptitude for acrobatic dancing as she portrayed a spinning top. Two twin dollies, Barbara Lee McClintock and Gloria Ann McClintock, did an amusing song and dance sketch. Two jumping jacks, little Flora Jane Johnson and Claire Nell Bryant, received tremendous applause for their antics. Pauline Zoes Chambers and Eugene Sewell were the fairy dolls finally chosen by little Miss McKay.

In the second act, Divertissements, Miss Miriam Cooley did an unusual acrobatic contortion dance. Miss Claire Hurley and Elmer Lowell were splendid in an adagio comique that had all the semblance of professional dancing. Miss Hurley and Mr. Lowell later presented an adagio in the Olympiad scene.

Miss Jean Adams displayed splendid grace and toe technique in a picturesque garden dance. Miss

PROOF THAT NEW FACE POWDER WON'T MAKE BLOTCHES

Many face powders are made out of cosmetics which darken when the oil in the respiration strikes them. Every pore which is going out at night, during the powder around the opening of the pores. Thus you have dark spots around the nose and white spots between them, making an ugly, blotchy face of blotches, especially on the nose.

The new Mell-glo Face Powder contains none of these inferior cosmetics which are so easily darkened by the oil in your perspiration. Prove it for yourself. Powder one side of your face with another powder. Powder the other side with the new Mell-glo. In five minutes, let your mirror give you the answer.

You don't buy face powder to make your face look blotchy and blotchy. Therefore, do not waste your money on powders that you are not sure of. Ask for Mell-glo Face Powder by name. Look for the name, Mell-glo Face Powder on the gold box. Refuse the unfair offer of "something just as good," which may blotch your face. Ask for Mell-glo by name and get it. 50¢ and \$1. Tax free. Now you can have CONSTANT HOT WATER at low cost

There's a new low domestic water heating rate now in effect on all Portland General Electric Company's lines... an entirely new system that enables you to have hot water on tap 24 hours of the day, at a cost far below any other method delivering equal service! After all, there's no reason why hot water, available at a turn of the tap, should not be considered as important as constant cold water service. In the past most of us felt that such service was too costly. But that's no longer true!

Get the facts about the cost of installing and operating this new system in your home. You'll be surprised at the low cost—for installation prices, too, are lower. Convenient terms. Just call at a Pepco Electric Store, or see any electric dealer.
