SCIENTISTS PROVE this Soap is wonderful aid in keeping skin

Young-looking

Scientists say, "Tests show Lux Toilet Soap actually contains precious elements Nature puts in skin itself to keep it youthful."

SOFT, smooth, youthful skin! Who wouldn't do everything in her power to keep the exquisite skin-texture of youth!

Hollywood does. 686 out of the 694 important Hollywood actresses use fragrant, white Lux Toilet Soap because they find it keeps skin so deliciously smooth... radiant... young-looking. But WHY does it do this?

The Secret of Youthful Skin

Nature, you know, puts certain precious elements into every type of skin. Youthful skin is rich in them. But these elements are gradually lost as the years go by. Then skin grows tragically dull, old-looking.

NOW scientists bring good news: You can check the loss of these precious elements! For laboratory tests show this soap actually contains precious elements skin itself has—and must have to stay youthful.

Lux Toilet Soap, completely free from harshness, readily soluble, and containing such precious elements, is an unquestionable aid in keeping skin young-looking, scientists declare.

Why don't you give your skin this scientific care just as millions of men and women are doing everywhere? Start today!

For EVERY Type of Skin...oily...dry...in-between"

CONSTANCE CUMMINGS is one of scores of screen stars who have used Lux Toilet Soap for years to keep their complexions young-looking.
