

PRACTICE GAMES NECESSARY FOR SOLON SUCCESS

Realizing that if they are to win ball games they must engage in a lot of serious practice, the Salem Senators are endeavoring to contact strong independent teams of the valley for mid-week contests. These games, if they can be arranged will probably take place each Wednesday evening at Olinger field. Manager Frank Bashor has sent out a general invitation to all clubs to get in touch with him if they care to try conclusions with the Senators.

Another need which the Senator manager would like to have taken care of is the matter of jobs for players. Since players get little or nothing for their efforts, they have to depend entirely upon their labors during the week to provide meal tickets. Employment for two or three members of his squad would be greatly appreciated by Manager Bashor.

Apparently "Sneak" Wilson will be forced to work out almost daily if he is to win ball games. Prior to the Bend contest here a few weeks ago he worked out diligently and as a result pitched airtight ball. Since that time, however, he has eased up and has been beaten consistently. To his credit, it may be said, that errors on the part of his teammates aided materially in his defeat Sunday.

Parrish, who looked exceptionally well against Bend Sunday, will probably be used at shortstop throughout the balance of the season. Keber will be back to second base next Sunday against the Federals.

Bashor is still on the hunt for another pitcher or two and hopes to be able to find one before next Sunday.

Clingman Wrestles Japanese to Draw

Portland, June 20 (AP)—Tosuri Higami of Japan drew with Otis Clingman of Oklahoma City in the one-hour main event of last night's wrestling matches here when neither was able to produce the deciding spill after each had taken a fall.

Higami, who weighed 160, earned the first fall in 19 minutes with a choker hold. Clingman, grappling at 150, took the second tumble in 15 minutes with a drop toe hold. The match was declared a draw when the hour time limit was up before either again touched his shoulders to the mat.

Taking two falls out of three, Thor Jensen, 165, Ekton, Ore., won the semi-windup from Hugh Adams, 161, Portland.

Hal Schumacher Hurls Fifth Shutout, Keeping Giants Head Of League

(By the Associated Press)

Baseball experts called him a "second Christy Mathewson" a couple of years ago but Hal Schumacher, 21 year old right hander of the New York Giants is just beginning to justify what appeared then to be an extravagant comparison.

Lack of control handicapped the youngster last season, much to the embarrassment of those who had likened him to the immortal "Mat-ty", but Schumacher has hit his stride now and is contributing more than his share to the pitching strength that is keeping the Giants on top of the National league standings.

Hal pitched his fifth shutout yesterday, limiting the Chicago Cubs to three hits to win 3-0. He gave four passes and his teammates made four

JUNIOR SERIES TO WIND UP WEDNESDAY

The final games of the Marion county junior baseball championship series will be played Wednesday afternoon with Salem at Woodburn and Stayton at Silverton.

Woodburn and Silverton are favorites to win. However, if Salem should upset the dope bucket and beat Woodburn while Silverton was defeating Stayton, the three leaders would be tied for first place and more games would be necessary.

Coch Hawk of the local squad is expected to pitch Gatebell against Woodburn, since Penney was used to defeat Stayton last Sunday. Word from Woodburn indicates that Coach DeGuire plans to use Hersherberger on the mound against Salem with Bevens, ace hurler in reserve to check any serious uprisings on the part of Salem. Aker, Salem catcher who sustained an injury to his shoulder, while playing against Stayton more than a week ago, may be able to return to the lineup against Woodburn. The berry city youths have consistently defeated Salem this spring and are confident of repeating Wednesday.

CENTRAL HOWELL WINS
Central Howell — The Central Howell baseball team defeated Victor Jenkin's ball team from Silverton with a score of 7 to 2. The local line-up included Jimmie Lichty, c; Donald Lichty, p; Delbert Love, 1b; Emil Ped, 2b; Donald Kuensel, 3b; Max Simmons, rf; Earl Schar, lf; Harry Way, cf; Grover Lichty, ss; Alex Lichty, manager.

Greece will issue about \$5,525,600 in new token money.

PACIFIC COAST PENNANT CHASE IN 12TH WEEK

(By the Associated Press)

Largely because it still holds the Indian sign over the Missions, Sacramento was three games ahead of its closest rival as the Coast league pennant race entered its 12th week today.

This week the Solons face Oakland at Sacramento. The Oaks, after faltering for several weeks, came to life last week to trim Hollywood in 5 of the 7 games played.

Hollywood takes on the Angels at Wrigley field. The Los Angeles club showed an improved attack last week in winning the series from Portland, 4-3, and hopes to climb higher in the first division at the expense of its southern Californian rival.

Manager Spencer Abbott sends his Beavers against the Indians at Seattle after two weeks of trouble in California. Portland dropped five games to the Missions before being licked by Los Angeles. Seattle had better luck on its southern trip, breaking even in 14 games with Los Angeles and San Francisco.

In the fourth league engagement this week the Missions and San Francisco play a hometown series.

KITBALL PLAYERS TO CONTINUE PLAY
The final game in the playoff series of the Kitball league will take place on Sweetland field Tuesday evening at 6:45, featuring Pade's and the Teachers. However, if the Teachers should defeat the grocers, another game would be necessary to decide the issue since Pade's and Western Paper would be tied. Following this evening's game representatives of teams who wish to continue play throughout the summer will meet at the Y.M.C.A. to outline a schedule.

Monday evening's contest resulted in a 3 to 0 win by the Western Paper converters over the Salem Linen mills. The converters scored in the first inning. After that Sordetz had them well in hand. Score: Western Paper 3 0 2 Salem Linen 0 1 2 L. Singer and H. Singer; Sordetz and P. McCaffery.

Cohen and Wallgren Receive Releases
Portland, June 20 (AP)—Pitcher Sid Cohen and Catcher Wallgren have received their unconditional release from the Portland Baseball club, it was announced today.

Cohen, one of the few Jewish players in baseball, had been unable to win consistently. Wallgren is a former Mission catcher, and was being used to bolster the Portland catching staff during the absence of Earl Sheeley, first-string catcher.

Silverton—Mr. and Mrs. James Manning have been visiting for the past week at the home of Mr. and

Mrs. Ralph Turner at Holland, Ore. The Turners accompanied the Mannings on a trip to Silverton and Portland to visit relatives. Mr. and Mrs. Manning plan to spend the summer vacationing in southern and southeastern Oregon. Manning is head of the department of social sciences in the local schools, and they will plan to return for the fall opening of the schools.

WONG BOCK BEATS EVERETT KIBBONS

In an exhibition which was featured by its lack of customary clowning, Wong Bock Cheung, Chinese grappler, defeated Everett Kibbons

two matches out of three in the main event of the wrestling show Monday night. The "Manchurian choke," Wong's patented offensive weapon, was brought into play to win the first fall in 13:06. Kibbons came back to even the affair with a flying scissors in 12:50.

The Oriental took the deciding fall when he climbed onto Kibbons after the latter had applied a flying scissors to Referee Harrington. "Swede" Lawson lost his bout with "Doc" Nelson on a foul because he used his fists too freely. Clare Call lost the preliminary to Jack Mitchell.

Gates—Miss Gwen Johnson, Miss Audrey Johnson, Royal Johnson and Mrs. Frankie Johnson were recent visitors at the T. F. Lake home.

WHY NOT BUY the tire which has EVERYTHING! IT COSTS NO MORE!

YOU hear a lot about safety in tire advertising these days. Safety from skidding. Safety from blowouts. If you want that safety, there's just one sure way to get it, and that is BUY GOODYEAR TIRES. Here's why—

Safety from skidding

There's only one thing that can keep you from skidding—and that is a tread that has grip where the tire contacts the road—traction in the center of the tread, where Goodyear puts it. Goodyear Tires—the All-Weather and the Pathfinder—skid less than any other tire. Careful tests on wet pavements prove it. They show that the next best tire to a Goodyear skids 10% farther—and many tires skid 77% farther than Goodyears!

Safety from blowouts

Blowouts are caused by the body of the tire breaking down. Goodyear Tires give you blow-out protection not merely in one ply or two but in every ply—from head to head. That's because Goodyears are built with the patented ply material, Supertwist—which will stretch and come back long after ordinary cords break down under the strain of heat and speed. That means a longer lasting, cooler running, safer tire.

Mileage increased 97% in five years

Bus operators don't guess about mileage. Their records show the facts. And more buses are equipped with Goodyear Tires than any other kind. Their records show that Goodyears now average mileages which represent an increase of 97% in the past five years.

Prices are down—buy now

Everyone knows prices are rising. Statistics show that commodity prices already have risen 50 to 100%. But tire prices are still down. If you want to see how much you save—look at these actual figures.

TALK is cheap—but talk won't keep you out of accidents. If you're looking for SAFETY—buy the tire that delivers so much more safety

GOOD YEAR ALL-WEATHER Supertwist Cord Tire

—for always Luckies Please!

A man's cigarette? Well—here's why I enjoy Luckies

Somehow, I have always felt that it takes a really fine cigarette to please a man. And since many of the men whose judgment I value smoke Luckies...I reach for a Lucky, too. True, I enjoy Luckies' fine tobacco quality and their delicious mildness. But my real reason is perhaps a trifle feminine. Men may not appreciate this as much as a sen-

sitive woman—but I'm particularly grateful to "Toasting" for that comforting assurance of purity. I've talked to many women about this—remember, a cigarette becomes an intimate thing with us, we place it between our lips. And so, perhaps, because I am a woman this is my woman's reason for always saying "Luckies Please!"

because "It's toasted"
