

### LEGION PICNIC WORKERS NAMED FOR BIG EVENT

Silverton—The social night of the American Legion and auxiliary was held Monday night in the army club rooms with the Legion members furnishing a supper to the women of the auxiliary.

At the Legion business meeting, James Scarth, chairman of the ways and means committee, reported complete arrangements for the second annual picnic of district No. 2, which will be held at Hazel Green park July 26. C. J. Towe, commander, and F. M. Powell as adjutant, had charge of the meeting.

The July meeting of the group will be held July 10 instead of July 3. The post went on record as favoring a sewage disposal plant from a standpoint of both relief work and health protection. C. J. Towe, F. M. Powell and Kenneth Hanson were made delegates to the district convention which meets at Woodburn June 30.

Chairman of the picnic, Dr. A. J. McCannel and Charles Johnson were chosen as a committee to nominate officers for the coming year and to select delegates for the state convention at Klamath Falls.

Kenneth Hanson, Scott McPike and Fred Cavender served as members of the refreshment committee. The auxiliary appointed committees for the district picnic. Mrs. Del Barber will be general chairman, assisted by Mrs. Dewey Allen and Mrs. Mae Higginbotham.

Mrs. Alva Hall will have charge of stand arrangements. Mrs. Hall, president, appointed Mrs. Allie Heidenstrom, Mrs. Mae Higginbotham and Mrs. Minnie Cooper as the new entertainment committee to serve three months.

The retiring entertainment committee is composed of Mrs. Goldie Starr, Mrs. Ruth Allen and Mrs. Otto Alm. The nominating committee includes Mrs. C. M. Wray, Miss Ina Harold and Mrs. Allie Heidenstrom.

The auxiliary will also postpone their regular first July session from July 3 to July 10 on account of a number planning to be absent over the Fourth of July holidays.

Committees for the Legion picnic include the following, the first named being chairman: General—James Scarth, George Manolis, C. J. Towe, Claire Jarvis, Roy Davenport and F. J. Radlman.

### ROUNDER TOES FOR FALL SHOE STYLES

Portland, Ore., June 21 (AP)—Milady's feet will be graced this fall with shoes of shorter and rounder toes, and the most popular shade of material probably will be gray.

So predicted style experts attending the Pacific Northwest Retail Shoe Dealers' association convention here. The toe of the shoe, however, will not be blunt, dealers agreed.

Rough finish will be featured, with suede the prevailing material. About 250 representatives from Oregon, Washington, Idaho, Montana, British Columbia and Alaska are attending the sessions.

**DOBIE APPOINTED**  
Governor Julius L. Meier today named Roy M. Dobie of Portland to serve on the battleship Oregon commission in place of James Abbott of Portland, resigned.

### 50,000 Workers Are Called Back to Jobs

Albany, N. Y., June 21 (AP)—Fifty thousand wage earners have been called back to work in New York state's reviving industries since the first of the year, it was estimated today on the basis of figures tabulated by the state department of labor.

Not only is the total payroll being increased by the army of new workers, the department said, but there has been a general increase in the average weekly pay check.

### EXTENSION FUNDS CUT 25 PERCENT

Corvallis, O., June 21 (AP)—Abolition of the government market news service effective June 30 also provides for a reduction of 25 per cent of federal funds for extension, experiment station and similar activities at Oregon State college.

Word received here from Nils Olson, chief of the bureau at Washington, D. C., confirming the curtailment was in contrast to a general belief that the curtailment would not be affected by the economy order.

Oregon State college maintains a branch of the market news service. Emil K. Stewart was committed to the state hospital Tuesday after he had been bound over to the grand jury by Justice of the Peace Hayden on a charge of assault with a dangerous weapon with intent to kill. He had a preliminary hearing Monday.

### HOME OWNERS LOANS TO FUNCTION SOON

Washington June 21 (AP)—Chairman Stevenson of the home owners loan corporation said today he hoped to have state organizations functioning by July 1 to bring relief to home owners in danger of mortgage foreclosure.

Stevenson said the emphasis in the \$2,000,000,000 loan program for urban home owners was now being placed upon selection of 48 state managers.

The state managers will be assisted in carrying relief to individual home owners by an organization of appraisers and attorneys for each county.

### DONAUGH RETURNS; PIERCE IN ILLINOIS

Portland, June 21 (AP)—Carl C. Donough, new United States attorney for Oregon and chairman of the state democratic central committee, returned today from Washington, D. C., where he had been for several weeks, and was greeted by a large group of democratic workers. A banquet in his honor has been arranged for Friday night.

Donough headed for home as soon as his train pulled in, to attend to the volume of correspondence that had grown during his absence. Contrary to advance notices, Donough and Congressman Walter M. Pierce did not leave together. Pierce and Mrs. Pierce stopped in Illinois for visits with relatives in that state.

### GOVERNMENT FACES DEFICIT

Washington June 21 (AP)—The second largest peace-time government deficit in history will confront Secretary of Treasury Woodin when he closes the books for the 1933 fiscal year on June 30.

Preliminary figures show that the government "ran in the red" to the extent of one and three-quarter billion dollars in the year ending this month even with expenditures of more than a billion dollars by the reconstruction finance corporation excluded.

In the previous fiscal year ended June 30, 1932, when government expenditures reached their peace-time peak, the federal government operated at a deficit of \$2,885,362,000. In the war-time year ended June 30, 1919, the government was faced with a record high deficit of \$13,370,637,000.

With expenditures for the 1934 fiscal year starting July 1 slashed by nearly a billion dollars, government statisticians feel that the era of large deficits is passed. Expenses and receipts for the coming fiscal year are expected to balance around \$2,250,000,000.

### Tells How She Took 4 Ins. Off Hips 7 Ins. Off Waist

In 40 days by taking Kruschen Salts, Mrs. Helga Blausch of New York City reduced 26½ lbs.—took 4 inches off hips, 3 inches off bust and 7½ inches off waist. She writes: "I haven't gone hungry a moment—I feel fine and look 10 yrs. younger."

To get rid of double chins, bulging hips, ugly rolls of fat on waist and upper arms SAFELY and without discomfort—at the same time build up glorious health and acquire a clear skin, bright eyes, energy and vivaciousness—to look younger and feel it—take a half teaspoonful of Kruschen Salts in a glass of hot water every morning before breakfast.

One jar lasts 4 weeks and costs but a trifle at Capital drug store or any drug store the world over. Make sure you get Kruschen because it's SAFE. Money back if not joyfully satisfied.

### WORK BEGINS ON COWEEMAN DIKE

Kelso, Wash., June 21 (AP)—Lacey V. Murrow, state highway director, was here today to assume charge of repair work on the Coweeman river dike, which broke last week and permitted flood waters to inundate hundreds of acres of land.

Murrow was named after civic and county officials appealed to Governor Clarence Martin for immediate assistance in closing the 200-foot break in the dike.

The Port of Portland has offered the use of one of its dredges to pump the water from the flooded area as soon as the dike has been repaired. Officials estimated the dredge probably could carry off about a foot of water a day. The water level has remained unchanged during the last 24 hours.

### BEER TAXATION PROPOSED IN IDAHO

Boise, Ida., June 21 (AP)—The Idaho legislature continued in session today striving to reach agreement on a measure for the taxation of 3.2 per cent beer.

A bill legalizing beer in Idaho, which has been bone dry since territorial days, was passed last yesterday by an overwhelming vote.

Gov. C. Ben Ross, who called the law-makers here in special session, has insisted that a taxation of beer measure be introduced today. The only conflict at present is in the amount of tax. Suggestions range from a no tax proposal to one cent a pint.

The beer bill will be signed, Gov. Ross said, if a "satisfactory taxation measure" is passed. French theater owners are complaining that they cannot get enough talking pictures to show.
