

SEATTLE BEATEN 7 TO 4, WALTERS HURLS FOR DUCKS

By United Press
Sacramento, Hollywood and Portland got off to a good start in their new opening series in the Pacific Coast league yesterday. By defeating Oakland 5 to 1, the Senators continued to hold their three-game margin on first place.

Hollywood and Portland, tied for second place, defeated Los Angeles and Seattle, 7 to 6 and 7 to 4 respectively.

Flynn whitewashed the Oaks for eight innings, relenting long enough in the ninth for the visitors to score their only run. He held the Oaks to seven hits, while his teammates got nine off Glen Gabler. The Oaks were miserable in the field, being credited with four errors.

Junk Walters did a right-about-face when he hurried Portland to victory. He was released recently by Seattle and picked up by Portland. He was touched for 12 hits, but managed to keep them scattered, while the Ducks made their 11 count.

The Missions and San Francisco engaged in the best played game in the league, Jimmy Zinn holding the Reds to three hits, and no runs. A double by Funk and a triple by Demaggio in the 8th gave the Seals a 1-0 victory.

Next Sunday afternoon Woodburn will play their biggest home game of the season against the strong Sellwood team of Portland at Legion park at 2:30 o'clock. The team will be strengthened considerably by the addition of several new players. Beck will pitch for Woodburn with Bachelor catching. Val Schneider will hurl for Sellwood with LaMear receiving.

PHEASANT CHICKS SENT TO ST. PAUL

Independence—About 220 China pheasant chicks have been hatched in the Dr. Duganne hatchery here and forwarded to St. Paul, Ore., for brooding. It was an experimental project, and a volunteer service without cost to the state on the part of Dr. Duganne. About 325 eggs were sent here from the Corvallis and Eugene pheasant farms, and the hatch was surprisingly successful to Dr. Duganne. Tests revealed that 60 or more of the eggs were infertile. While the plant is equipped for handling turkey or hen eggs, it worked very successfully with the pheasant eggs, stated Dr. Duganne.

It is possible that the Duganne hatchery will add pheasant egg hatching as a part of its commercial produce another season, the trial hatch for the state being for the purpose of determining its feasibility.

Industrials Lose To Dallas Firemen

Dallas—The Firemen, led by LeFors with four hits out of five trips to the plate and Fleming with three hits out of five chances, swamped the Industrials by the lop-sided score of 19-2 in a scheduled Twilight league game. LeFors and Killin was the battery for the smoke-eaters, while the Industrials used four pitchers in a vain attempt to stop the slaughter. Arrangements for a special game Wednesday night are in the hands of Floyd McCann.

Giants and Yanks Hold Precarious Leads; Ruth Keeps Mates In Front

New York's two baseball clubs, the Giants and the Yankees, appear ready to sink or swim together this season. And the danger of their sinking is not to be regarded lightly.

When the Giants moved into the National league lead on June 4, they started the first stretch of any appreciable length in six years that two clubs from the same city have topped the major leagues. Now it appears more than likely that they will go down at the same time.

Twice in the past few days the Yanks have turned aside the Washington threat just in the nick of time. Today their margin was only one game and the Giants had only half that lead over the St. Louis Cardinals.

It was Babe Ruth who led the Yankees out of danger yesterday and

M'GRAW'S PLANS GIVEN SANCTION

New York, June 21 (AP)—John McGraw will have the advice of two active managers and a squad of 23 players to choose from when he leads his all-American national league team against a similar array from the American league at Comiskey park, Chicago, July 6.

Club owners of the national league, meeting here yesterday, approved McGraw's plan to assign coaching jobs to Managers Bill McKechnie of the Boston Braves and Max Carey of the Brooklyn Dodgers, and at the same time decided to take advantage of the regular season player limit.

Although the lineups will be determined largely on the basis of the popular vote now in progress under the sponsorship of the Chicago Tribune, McGraw and Connie Mack, leader of the American league team, will be authorized to use their discretion in selecting batting orders or making substitutions after the game is under way.

McGraw will have a battery department of at least four pitchers and three catchers as well as two complete sets of infielders and outfielders.

"Mr. McGraw will have full power to put the strongest team he can muster on the field," said John A. Heydler, national league president. "We want the game to be a real test of strength."

BLACK DRAGONS TO STAGE POOL SHOW

The Black Dragon's, Salem's senior live saving corps, will open the summer season with a water circus in the Y. M. C. A. pool Thursday evening at 7:30. And while full details have not been disclosed the circus promises to be of an entirely different nature than anything heretofore seen in Salem. There will be races, formation swimming, "animal" shows and a genuine ringmaster will be in charge.

One of the features of the circus will be a demonstration by Bob Parker of a style of swimming originated by himself. Those who have seen Parker in action state that his performance is quite amusing. The Black Dragons since their inception three years ago, have been very active in and around Salem, presenting exhibitions, carrying on swimming campaigns and teaching lifesaving. During this time they have received an exceptionally high rating by the American Red Cross.

Baby Girl Born To Mrs. E. Vare

Philadelphia, June 21 (AP)—Mrs. Edwin H. Vare, Jr., the former Glenna Collett, five times women's national golf champion, is the mother of a seven-pound girl.

The baby was born last night—Mrs. Vare's 30th birthday—and the father, president of a construction company and an expert golfer in his own right, said the child is to be named after her mother.

The Vares were married in June, 1931.

DUNLAP REACHES FIFTH ROUND OF BRITISH OPEN

Hoyle, Eng., June 21 (AP)—Geo. T. Dunlap, Jr., leading United States entrant in the British amateur golf championship, narrowly escaped elimination in the fourth round today as Alarie De Forest, of the Royal and Ancient club of St. Andrews, carried him to the 19th hole before succumbing.

Keeping pace with the American, C. Ross (Sandy) Somerville, Canadian holder of the United States title, continued his brilliant play to beat J. Walker 6 and 5 and Roger Withered, former titleholder and one of the British favorites, won a fourth round match from Henry Howell 3 and 2.

Earlier in the day the long-driving Cyril Tolley, holder of the championship in 1920 and 1929 and an American resident for several years, won from T. C. J. Manners 2 and 1 with a rather erratic display.

Two American residents of London, Robert Sweeney and Douglas Grant, advanced to the fourth round but Charles Sweeney, brother of Robert, was defeated in a third round encounter by H. N. M. Fogg 4 and 3.

CHANDLER EGAN TO DEFEND TITLE

Victoria, B. C., June 21 (AP)—Added zest to the 35th annual Pacific northwest golf championship next week came today with word that H. Chandler Egan, defending champion of Medford, Ore., will bid for his sixth title over the links of the Victoria golf club at Oak Bay.

Egan indicated that he had little chance to practice owing to close attention to his business but added, "I am going up to Victoria simply because I believe the defending champion ought to play, if possible."

The brilliant stylist, former national amateur champion, won his fifth title last year at Alderwood Country club in Portland.

About 100 entries are expected in the men's division and about 50 women will compete for the title held by Mrs. Vera Hutchings of Vancouver, B.C.

The par 60 Oak Bay course is only 5700 yards long but it is seldom beaten in champion medal rounds due to severe natural hazards and stiff winds that make the one shot holes particularly difficult.

DECIDING CONTEST AT TURNER SUNDAY

Turner—Next Sunday will see the deciding game of the schedule when Stayton comes here to play the Turner team on the Cloverdale diamond. Due to the fact that Stayton lost last Sunday to Mehama and Turner won from Scio, the two teams are tied for first place in the southern division of the league. A large crowd is expected as the games between these two rival teams always provide thrills for baseball fans. Turner has as yet one postponed game to play with Scio, though it is not expected to change the result of the league standings in view of the 16 to 4 victory Turner took over Scio last Sunday.

What Makes a Safe Tire? ... I KNOW!

ARE you willing to risk your life on advertising statements claiming blowout-proof and unblowable tires? One manufacturer gives as the reason for claiming blowout-proof tires—the use of one ply of another color—another, a patented "no breaker" construction—a mail order house, high stretch "elastic" cords, etc., etc. Actually the fundamental cause of a tire blowout is the flexing of the tire which causes friction of the fibers in the cord, resulting in heat and causing the rubber to soften and the cords to deteriorate.

There is a reason why Firestone Tires have won the 500-mile Indianapolis race for 14 consecutive years, the most gruelling tire test. The reason is the Firestone patented extra process of Gum-Dipping which saturates every fiber and insulates every cord with pure rubber—which gives strength to the cords and prevents friction and heat in the fibers. This year 42 drivers in this race equipped their cars with Firestone Gum-Dipped Tires and not a single driver had any tire trouble.

Race drivers know why Firestone Gum-Dipped Tires are safer and not subject to blowout and will not risk their lives on ordinary tires. Your life and the lives of your family are often in danger at the high road speeds of today and you should not take greater risks than the race drivers who make sure that they have the best and safest tires they can buy—Firestone. Come in today. We will give you a liberal trade-in allowance for your old tires on new Firestone High Speed Tires—the safest tires in the World.
