Hey, Kids! Saturday Is Circus Day; Big Al G. Barnes Show Will Arrive Tomorrow

Circus day scenes with the Great Al G. Barnes 5-ring show exhibiting at Olinger Athletic Field Saturday, June 24.

Tomorrow is circus day! A city with a city comes to Salem early Saturday morning for a one-day stop; a city which has a population of some 1,000 people, hundreds of horses, caravans of camels, herds of elephants and countless specimens of wild animal life.

It will come to Salem upon its own three special trains of double-length cars, all loaded to the very brim, traveling over the Southern Pacific railroad from Corvallis where it is exhibiting today.

This "City of White Tops," which fills about the country, has its own postmaster, garage, physician, lawyer, drug store, detectives, barber shop, wheelwright and blacksmith shops, and all the other things that go with a well-regulated community.

It is an itinerant affair that for the greater part of a season visits a new town each day and detains, erects its canvas city, delights multitudes, and then entrains and skips away to other towns and cities, there to repeat the operation. Reference is, of course, made to the Great Al G. Barnes Circus which will tomorrow keep open house here with performances at 2 and 8 p. m., doors being opened at 1 and 7 p. m. The tents will be erected at Olinger athletic field.

The neighbors of Woodcraft will meet at the fraternal temple this evening at 6 o'clock for a pot-luck dinner. The regular business meeting will be held at 8 o'clock.

When you're HEALTHY you're HAPPY

HAPPY days are usually healthy days. Why not add to these sunny days!

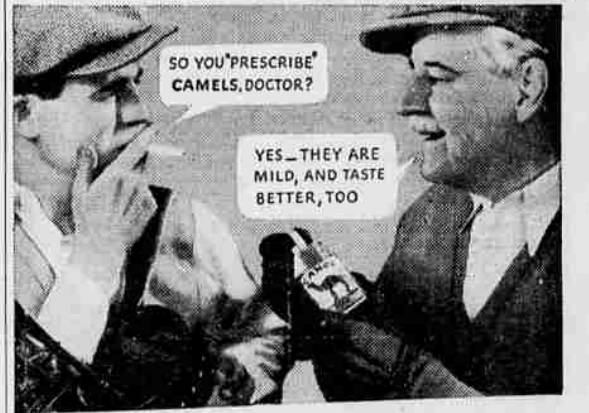

Poor health and constipation go hand in hand. Get rid of common constipation by eating a delicious cereal.

Tests show that Kellogg's ALL-BRAN provides "bulk" to exercise the intestines, and vitamin B to aid regularity. ALL-BRAN is also twice as rich in iron as an equal weight of beef liver.

The "bulk" in ALL-BRAN is much like that in leafy vegetables. How much better than taking pills and drugs—so often harmful.

Two tablespoonfuls daily are usually sufficient. If not relieved this way, see your doctor.

Your own home made mayonnaise tastes FRESH because it is fresh

HERE'S THE NEW MIXER THAT WHIPS IT UP IN 1½ MINUTES! PERFECT MAYONNAISE EVERYTIME!
