

JAIL WINDOWS ARE BROKEN BY ERRATIC YOUTH

Woodburn—After breaking the jail windows in the city jail, Jess Junger, 24, of Portland, was taken to Salem by state police Wednesday afternoon. Junger, who is a nephew of Bart Applin, arrived at the Applin home Wednesday morning. He seemed to act about as usual and had been in the habit of visiting the Applin family frequently, but this time his conversation was rather erratic and while down town he made several wild statements to Constable Uppendahl, warning him of a desperate character who was headed this way.

Later in the day he appeared on Front street visiting all the business houses and telling wild tales of a break which was to take place at the training school and that the boys were planning to raid the town. He also posed as a police officer and said he had to be at the Oaks tonight to round up a bunch of pickpockets. He told of his boy friend being killed and numerous other wild tales. To one woman he said he would be back next week with \$100,000 which he would give her and she would not have to work any more.

Finally he reached the business place of Mayor Broyles and as his tales became wilder the mayor decided it would be safer to have him locked up. After he was placed in the jail he became more and more nervous at the crowd which collected and proceeded to amuse himself by breaking out all the windows. Later he said he did not know why he broke the windows but he had plenty of money and would pay for them. At this time he was handcuffed and taken to Salem.

According to the Applins the young man has been employed for the past ten years at the Montgomery Ward store in Portland, did not drink and never before caused any trouble. He is the son of Jess Junger, Sr., of Portland.

Home Is Erected For State Police

Monmouth—C. J. Nelson and son have just completed a summer cottage for the state police officer, and wife of Salem, on land owned by them across the highway from Helmeck state park. The house has been erected on a site which lies back from the highway in a grove of trees which affords both a pleasant and very secluded location.

Mr. and Mrs. Mulkey were in Monmouth Tuesday. He was accompanied to Eugene by his father C. C. Mulkey and uncle, Dr. B. P. Butler, both of this place, where they went to attend the funeral of Ed Laten.

Mrs. Mulkey remained to make necessary arrangements for furnishing the cottage.

TUITION STILL UNDECIDED FOR SCIO DISTRICT

Scio—High school attendance at Scio during the 1933-34 school year is considerably "in the air" at this time, in view of the uncertainty as to whether this district will have the advantages of high school bus transportation.

Under the new law, contracts for such transportation must be arranged between high and non-high school district boards not later than July 15.

It is understood that the non-high school board at a recent meeting in Albany went on record as favoring tuition to the maximum amount of last school year's cost per student. While this action is more liberal than had been anticipated by some, and while in some cases it may still provide adequate tuition costs, it is stated that in other cases such an allowance would be insufficient.

It is pointed out that many districts operated last year on a minimum basis and curtailed in many respects which can not be repeated next year without positive detriment to educational interests. This is said to be particularly true at Scio, and for that reason it is considered doubtful whether the high school could be operated another year on the basis of last year's budget. It is stated retrenchments were made last year with a view of economy, but without impairing the standard of the school, but that such a policy could not be followed next year with the same results.

The cost per high school student at Scio last year was \$68.22, according to official figures. Equipment, repairs, incidentals, etc. for another year will not permit such a record next year, without deterioration.

The total enrollment last year was 111. Without transportation facilities it is estimated the attendance would be between 60 and 75.

Newt and George Branson of Bellevue claimed the distinction of being the oldest members present, and the two months old son of Mrs. Hammerly of West Lynn was the youngest.

Members of the clan began to assemble early in the morning and the dinner at noon was served in the shade of the trees and according to custom the invocation was pronounced by Will Branson of Salem. The afternoon was given over to visiting until 5 o'clock when the group adjourned to meet in the same place the first Sunday after July 4, 1934.

Officers of the clan are: Newt Branson, president; Mrs. Raymond Evans of Eugene, secretary; Mrs. Ernest Dilley of Grand Ronde historian. There are at present three branches of the Branson family: the descendants of Ben Branson, including Mrs. Ernest Dilley, Mrs. Holt Stockton and Mrs. Roswell Harris of Sheridan and a brother living in Salem; Newt Branson's descendants live at West Lynn; and those of George Branson are those included in the families of Barney, Newt and George Branson of Bellevue, Amos and Troy Branson of Salem, Jesse and Dora Branson now Mrs. Neil Stoutenburg of Hopewell, and Will Branson of Salem.

The first Bransons to leave England and arrive in America claim the distinction of coming across the Atlantic with William Penn. A complete history of the family is being prepared.

Those present: Mr. and Mrs. Archie Branson and family, Mr. and Mrs. Roswell Harris, Mr. and Mrs. Hoff Harris and family, Mr. and Mrs. Beryl Harris and family, Mr. and Mrs. Holt Stockton, Katherine, Thelma and Twilla Stockton, all of Sheridan; Mr. and Mrs. Delmer Branson and family of Corvallis; Mr. and Mrs. Raymond Evans and family of Eugene; Mr. and Mrs. Newt Branson and family, Mrs. Walter Berry, George Branson, Mr. and Mrs. Barney Branson, all of Bellevue; Amos Branson, Troy Branson and Mr. and Mrs. Will Branson of Salem; Mrs. Neil Stoutenburg and children of Hopewell; Mrs. May Moe and Mrs. Roy Dale of Gopher Valley; Mrs. Earl Branson and children of Salem; Mr. and Mrs. Glen Pendall of Dayton; Mr. and Mrs. Jesse Moe and family of Yamhill; and Mr. and Mrs. Charles Moe and family of Broadmead.

He expects to return the last of July.

LEGION PICNIC GREAT SUCCESS

Sheridan—The American Legion and Auxiliary picnic staged in Luke Booth's camp, seven miles above Willamina, Sunday was a big success and much praise for the carrying out of a program full of interest to young and old is due the general committee in charge, consisting of Harry Crow, Otto W. Heider and Bill Nelson from the Legion, and Mrs. Roy Molo, Mrs. Howard Schar-smith and Mrs. Eunice Drumeller from the auxiliary.

Cars began to gather as early as 9 o'clock and the pleasure continued until after 5 for a large number. Dinner for the large crowd of over two hundred was served cafeteria style and the ice cream, which never ran out, was served in cones in charge of Bill Nelson and Bill Brandt.

The stunts and races began before dinner and were in charge of Harry Crow and Otto W. Heider. Wrestling and boxing for both boys and men were held before dinner. After dinner young and old, men and women, engaged in the sports which included the following: sack races, foot races, tug-of-war, croquet, archery, and ball. The children entered into every sport except archery, and cash prizes were given them. The tug-of-war created the most excitement and many trials were given because discussions arose in regard to advantageous ground held by either one side or the other and headed by Ed Bayliss and Roy Molo. There were nine men on a side and laurels finally went to Bayliss' team.

The last event of the day was the ball game in which young and old and ladies all took part. The two teams were headed by Ted Hunter and John Neathamer as captains. The game lasted a long time and although Supp, Chris J. White was the official referee, Ted does not know whether his side or John's won the honors of the game.

The spot selected by the committee for the day's pleasure is ideal, situated on the upper Willamina creek, with plenty of good water, beautiful shade, and ideal ground for sports. The picnic is according to the most successful gathering of its kind ever staged by American Legion Post No. 75 and its auxiliary.
