Screwball Control Gained by Guy Bush

Chicago, July 13 (AP)—Guy Bush's long, arduous quest for control of his screwball has been rewarded. Yesterday while trimming the Brooklyn Dodgers for his tenth victory of the season, the Chicago Cub right-hander finally broke down after 22 2-3 innings and issued a base on balls. He finished the game without walking another man, for a record of one pass in 30 innings.

The Mississippian has used the delivery for more than a year, but until recently was never quite certain that he could make it behave.

DOGGERS PLAY RAGGED GAME CHICAGO WINS

New York, July 13 (AP)—Rotund Wilbert Robinson was not near Chicago yesterday, but the Brooklyn Dodgers played like the daffiness boys of his regime and clowned away the game to Chicago, 5 to 3. They made three errors in the first inning and Ralph Boyle lost a fly in the sun.

Meanwhile New York snapped out of its seven-game losing streak, with Byrne James replacing Travis Jackson at shortstop, and blanked St. Louis 3 to 0.

Floyd Vaughan's 10th inning triple drove in the winning run as Pittsburgh beat Boston 9 to 8. Cincinnati rose to seventh place and dropped the Phillies back into the cellar by beating them 4 to 1.

Washington maintained its two-game American league lead over New York by trouncing the Chicago White Sox 4 to 1. The Yanks registered their fifth consecutive win by downing St. Louis 4 to 2. Ben Chapman led the New York attack with four singles in four tries.

Philadelphia beat Cleveland, 6 to 4, after Jimmy Fox started a three run rally in the sixth with his 25th homer. Pitcher Hudlin made a Cleveland homer in the fifth. Boston blanked Detroit 1 to 0, by combining two walks, a sacrifice, a fly and Roy Johnson's single for the game's lone tally in the 11th inning. This enabled Lloyd Brown to beat Vic Sorrell in a mound duel.

MORE SAFETY MORE MILEAGE AT NO EXTRA COST!

ONE of the strange facts about the tire business is—the PRICE of all tires is about alike.

That being so, you might as well pick the best—in quality, in safety, in mileage.

What is the best in quality? The public says GOODYEAR—this tire is preferred by more people than any THREE other makes of tires combined.

What is the best in safety? Accurate tests on wet concrete show Goodyears will stop a car quicker than any other tire. The next best tire skidded 10% more—other tires skidded up to 77% more under exactly the same conditions. And if you want safety from blowouts—remember that Goodyears give safety in every ply, because every ply is built with Supertwist cord and every ply runs from bead to bead.

What is the best in mileage? Bus fleet records show Goodyear Tires give 97% more mileage than they gave five years ago.

Now that all prices are headed UP—it's more important than ever to get the most for your money. Better look over your tires and buy new Goodyears now while prices are still low.
