## TRY SWEETBREADS AND VEGETABLES

1 cup small button mushrooms  
1 cup sliced carrots  
1 cup string beans  
Kitchen bouquet of herbs  
1 cup meat stock  
Salt and pepper

Plunge the sweetbreads into cold water and soak for one hour; then parboil them 20 minutes in water to which 1 teaspoon salt and 1 tablespoon vinegar have been added for each quart. After draining, plunge again into cold water.

Cook the vegetables separately until almost done. Make a bed in the bottom of a sauce pan with the

onion, peas, diced carrots and string beans cut into short lengths, mushrooms, and kitchen bouquet of herbs and lay the sweetbreads on top. Add meat stock, cover, and braise slowly for 30 minutes.

**MARRIED 39 YEARS**  
Coats, Kan. (P)—Mr. and Mrs. A. M. Smith recently celebrated their 39th wedding anniversary here. Smith, a Civil War veteran and buffalo hunter, hunted on the plains of the present site of Coats before the town was laid out.

Sweetbreads are real delicacies and sure to please even the most fastidious person when prepared with new spring vegetables.
