The tea table was covered with an exquisite lace cloth and centered with a great bowl of mid-summer flowers in the deep yellow and purple shades. Mrs. L. H. Several delightfully informal affairs are being planned in compliment to Miss Seaton, who is always a popular visitor in the city.

Daughters to Attend Tea Oregon City

A group of prominent Salem Daughters of the American Revolution with their friends will go to Oregon City Thursday afternoon to attend the garden party which officers and members of Susannah Lee Barlow chapter are sponsoring in the beautiful grounds surrounding the historic old McLaughlin home.

Oregon Daughters of the American Revolution have recently been invited to become members of the McLaughlin association, which has as its objective the preservation and refurbishing of this important shrine, which was once the center of hospitality in pioneer days, when every piece of lumber of which it was built had to be carried around the Horn in sailing vessels. "I tried the soap the Screen Stars use and now —"

says Miss Marian Ayars
Phila. college girl

"I wanted a clearer, lovelier complexion," says Miss Marian Ayars of Philadelphia. "So I tried the soap the screen stars use. Lux Toilet Soap sure does work wonders! At least the boys tell me a skin like mine ought to knock down a contract any day!"

Like Miss Ayars, thousands of women all over the country are following the screen stars' way to complexion beauty. They find Lux Toilet Soap is such a wonderful aid to loveliness!

Now scientists explain WHY. This fragrant, white soap, they say, in addition to its complete freedom from harshness, its ready solubility, contains precious elements Nature puts in skin itself to keep it youthful.

Anita Page, like 9 out of 10 lovely Hollywood stars, uses this simple scientific care. Why don't you try it for clearer, younger-looking skin?

WE DO OUR PART

GOODYEAR ENLISTS under this Emblem

ON THIS DAY throughout all Goodyear factories and every Goodyear producing and distributing company in America, the blanket code of the National Recovery Administration goes into operation.

Thousands of men and women will thus work shorter hours for the same pay—which means that thousands of new names must go on the payrolls to deliver service throughout the United States.

We are glad and eager to respond to the President's call—to enlist under the N.R.A. emblem—and we pledge our sincere and enthusiastic support to both the letter and the spirit of this program.

The recovery drive is a new and worthy war against unemployment and want—a war which can be won only as others have been won, by uncommon coöperation for the common good.

The brunt of the battle must be borne first by those best able to bear it, and while ultimately prices—the sinews of this war—must of necessity follow mounting costs of production and distribution, it is a satisfaction to be able to say that most Goodyear prices are still below the level of last fall.

A. W. Hitchfield
PRESIDENT,
THE GOODYEAR TIRE & RUBBER COMPANY, INC.

I feel closer to my cigarette each time I smoke

I really can't help it. After all, one does develop a personal regard for a thing that comes in such intimate contact with one's lips. And since I am a woman, I do appreciate the fact that my Lucky Strike never offends my fastidious sense of daintiness. Men

smile at my feminine reasoning. To them the character of Luckies' fine tobaccos seems more important. But my woman's intuition tells me that the purity of "Toasting" is never to be forgotten. And so, the more I smoke, the closer I feel to my cigarette.
