

STAYTON WINS CAMP HONORS AT FALLS CITY

Stayton—The Epworth League of the Stayton Methodist Episcopal church returned home Saturday from the young people's institute at Falls City.

The young people report a profitable time and a real mountain top experience. Besides winning the banner for the glee contest they won the Camp Beautiful pennant for having the most attractive camp in the smaller church division. The camp was decorated with pearly gables and fence in front with a small rock garden behind the fence. A campfire enclosed with white-washed rocks decorated the center of the camp and paths hedged with moss radiated from the center to the six tents, which were arranged in a semi-circle. These moss hedges were decorated with white-washed fir cones. This camp did all of its working and dish washing and the cook tents were handily arranged.

The young people attended classes every morning and the afternoons were spent in athletics, meetings and rest. Morning worship started at 6:30 o'clock and evening worship at 7:30 o'clock, and taps blew for everyone to be in bed and quiet at 10 o'clock and to arise at 6 a. m.

The last meeting was climaxed by a prayer meeting and communion. The following attended from Stayton: Clarice and Naomi Tobie, Earl and Wallace Wright, Francine Carter, Emma Jane Pendleton, Thelma and Darrel Wright, Ethel Sherwood, Kenneth Rowe, Jay Taylor, Donald Alexander and Rev. and Mrs. W. George Cole, chaperones. The following came to visit this camp during the week: Prof. and Mrs. H. E. Tobie, Mr. and Mrs. Harry Rowe, Mr. and Mrs. Alexander, Mr. and Mrs. Felix Wright, Frank Tobie and Betty Jean Alexander.

The young people of the Epworth League will give five-minute talks on different subjects learned at the institute at the Union meeting of the Baptist and Methodist churches at the Methodist Episcopal church next Sunday evening.

Hubbard—One man of the victorious Woodburn American Legion junior baseball team had the honor of having a band out to welcome him home after the win at Klamath Falls. Word had been received here that the five Hubbard boys on the team would be home in half an hour.

Garfield Voigt, mayor, decided that as the Hubbard band had played as the boys left, they would do likewise for their return.

But the drivers bringing the boys home from Woodburn didn't know of the public reception waiting for them. One by one the boys were delivered to their homes until only Garfield Voigt, Jr., the faithful catcher of the team, remained.

When he arrived the band struck up "The Winners," followed by several other selections. "Bob" had the entire reception to himself. He was greeted congratulated and patted on the back by relatives and friends. Very modestly he told of the work of the boys and the kindness of the American Legion men. The band played another march, Bob thanked the band, and the reception was over.
