WAKE UP YOUR LIVER BILE—WITHOUT CALOMEL

And You'll Jump Out of Bed in the Morning Rarin' to Go

If you feel sour and sunk and the world looks punk, don't swallow a lot of salts, mineral water, oil, laxative candy or chewing gum and expect them to make you suddenly sweet and buoyant and full of sunshine.

For they can't do it. They only move the bowels and a mere movement doesn't get at the cause. The reason for your down-and-out feeling is your liver. It should pour out two pounds of liquid bile into your bowels daily.

If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas builds up your stomach. You have a "thick", bad taste and your breath is foul, skin often breaks out in pimples. Your head aches and you feel down and out. Your whole system is poisoned.

It takes these good, old CARTER'S LITTLE LIVER PILLS to get these two pounds of bile flowing freely and make you feel "up and up". They contain wonderful, harmless, gentle vegetable extracts, ammonia when it comes to making the bile flow freely.

Don't ask for liver pills. Ask for Carter's Little Liver Pills. Look for the name Carter's Little Liver Pills on the red label. Resistant to substitutes. 25c at drug stores. © 1931 C. M. Co.

COUNCIL HOLDS SHORT SESSION

Woodburn—A brief meeting of the Woodburn city council was held Tuesday night but on account of the absence of City Attorney McCord, who was attending the Junior Legion banquet, no action was taken on the park and playground proposition on the Nick Miller property. An application for the erection of a marquee by the Beechler-Kilian mortuary was referred to the property committee. The water situation on the highway was discussed and the water board was authorized to install a fire hose connection at the east end of East Lincoln street.

John Muir, day marshal, was instructed to collect all outstanding water bills and report those refusing to pay. Water service will be cut off if the bills are not paid.
