COUGARS OUT TO WIN COAST FOOTBALL FLAG

Pullman, Wash., Sept. 21 (AP)—Washington State's Cougars are out to win the Pacific Coast conference football championship, and nobody, from Coach O. E. (Babe) Hollister, to George O. E. (Babe) Hollister, is making any bones about it.

With 19 letters on his hand, the 1933 squad appears to be the strongest and classiest looking outfit Hollister has had in his seven years at Washington State. The faithful have little doubt but that the Cougars will finish at least in the first division and many of them are predicting the championship will be returned to Pullman after an absence of two years.

Sixteen letters from last year's powerful squad reported for the first practice, along with nearly every member of the undefeated 1932 freshman team and three veterans of former seasons.
