DON'T TRIFLE WITH COMMON CONSTIPATION

Kellogg's ALL-BRAN Brings Relief

Constipation gets its grip on a person almost unawares. It often starts with such little things. Headaches. Listlessness. Bad complexion. Unpleasant breath. If unchecked, it may seriously impair your health.

Fortunately, you can avoid this danger by eating a delicious cereal. Laboratory tests show that Kellogg's ALL-BRAN provides two things needed to overcome common constipation: "bulk" and vitamin B. ALL-BRAN is also a rich source of iron for the blood.

Biological tests demonstrate that the "bulk" in bran is similar to that in leafy vegetables. Inside the body, it forms a soft mass, which gently clears out the intestinal wastes.

How much better than taking unpleasant patent medicines. Two tablespoonfuls of ALL-BRAN daily are usually sufficient. Serious cases with every meal. If not relieved this way, see your doctor.

Get the red-and-green package at your grocer's. Made by Kellogg's Battle Creek.
