Jefferson-Smith and Fontaine's general merchandise store was broken into Sunday evening about 9:30 o'clock. When the thief ran into the wires operating the burglar alarm, he became frightened and left without taking anything. Entrance was made by breaking a window on the south side of the building. A coat was found in the store later which probably belongs to the would-be burglar. A man was seen running along the side of the building immediately after the alarm sounded but no trace could be found.

Monday morning early, a man without a hat or coat, about 25 years of age, came into the Elite confectionery and ordered breakfast. After eating he said he had no money but his belongings were at the Goin barber shop. Mrs. Chiese, proprietor of the Elite, notified a state police officer who was in town, and the man was found in the barber shop. He gave his name as Floyd Kienyan of North Dakota, claiming he had started on a sight seeing tour around the world. His pack contained articles of good clothing, an expensive camera and toilet articles, also a college diploma. He was arrested and taken before Judge E. E. Howell who sentenced him to 10 days in jail at Salem for defrauding an inn-keeper. He is not thought to be connected in any way with the attempted burglary of the store.

They are reported to be Walt Backman of Rt. 2 Kolo, Wash. and Oswald Paulson of Clatskanie. The young men were reported to have come down from Camp 15 of the Silver Falls Timber company, to have rented a room at the Coffee Shop house, Thursday. They paid for their room and were just ready to leave on the morning stage when Officer Lloyd Kennedy apprehended them at the request of the proprietor of the Coffee Shop.

The reason for the arrest was that when the room was entered to be cleaned a shower of feathers from the pillows greeted the chamber maid and upon closer examination it was found that the sheets, blankets, bedcovers, pillow cases and pillow had been torn to shreds. Mrs. DeWitt, proprietor, allowed the men to leave town if they would pay her \$10 for damages.

"They paid it and according to the night officer they left town so quickly that they didn't take time to even catch the stage but beat it running. One of their several last remarks was that they didn't like Silverton anyway."

Help Kidneys

If poorly functioning kidneys and bladder make you suffer from Getting Up Nights, Nervousness, Rheumatism, Blains, Blisters, Burning, Smarting, Itching, Headache, etc., try the famous Doctor's Prescription Cystex (See box) Must be kept up or money back. Only at drugstore.

Why Liquid Laxatives Do You No Harm

The dose of a liquid laxative can be measured. The action can be controlled. It forms no habit; you need not take a "double dose" day or two later. Nor will a mild liquid laxative irritate the kidneys.

The right liquid laxative will bring a perfect movement, and with no discomfort at the time, or afterward. The wrong cathartic may keep you constipated as long as you keep on using it!

An approved liquid laxative (one which is most widely used for both adults and children) is syrup pepsin. Dr. Caldwell's Syrup Pepsin is a prescription, and is perfectly safe. Its laxative action is based on a natural, laxative. The bowels will not become dependent on this form of help, as they do in the case of cathartics containing mineral drugs. Ask your druggist for Dr. Caldwell's Syrup Pepsin. Member N. R. A.
