Mt. Angel—The local committee for the CWA projects for Mt. Angel, consisting of R. L. Young, Fred Hasing, Joseph J. Keber, Frank Hettwer and P. N. Smith met with the county board at Salem and asked for \$8,025 for improvements to the city water system and streets. Of this amount labor would represent \$4,280.

The county board seemed determined to cut Mt. Angel out without giving her anything, although nearly every town and city in the county had projects approved and men are now at work on them. Whether or not the water and streets project will be accepted will not be known for a few days.
