

REMODELING SALE!

Announcing the INSTALLATION OF OUR DRESS DEPARTMENT And GIGANTIC SHOE SALE!

-:- WE MUST UNLOAD -:- HUNDREDS OF PAIRS OF SPRING SHOES

BEFORE WE TURN OUR STORE OVER TO THE CARPENTERS

SALE STARTS THURSDAY MORNING AT 9 O'CLOCK

DRESS SHOP Early in March we will open a dress shop in connection with our shoe business featuring all the latest New York creations in Suits, Dresses and Coats. We have been urged by our many customers to add this new department to our store, and we are now remodeling and getting ready to give this service to our patrons. While all of our merchandise will be highly styled, the prices are to be very low in comparison with the type of merchandise to be offered. You will not be disappointed if you delay purchasing your spring togs until this shop is opened.

SHOE SALE We must dispose of thousands of pairs of shoes so the carpenters and painters can have the room to make the alterations, that we are anticipating. We are making almost an entire change in the interior of our store with the view of giving our customers more efficient service. We are adding the Rose Room which will handle only the popular lines and popular priced shoes for the younger trade as well as some of the older folks.
