Mrs. J. Vinton Scott To Lead Interesting Tour Through Orient

Mrs. J. Vinton Scott, experienced and well known to Salem folk, believes that today interests of almost every part of the world are centering upon the Orient and Americans, particularly, are becoming keenly concerned with the "Problems of the Pacific." And for the very reason that she believes so thoroughly that great good will come from the association of the east and the west, Mrs. Scott is conducting a most interesting tour to the Orient which will start near the middle of June and continue for two months.

Mrs. Scott was born in New Orleans of French ancestry and always felt in her blood a longing for travel and an opportunity to learn more of the world and humanity. During her early married life she and her husband were called to do an important work in

medical missions and left this country to take up their residence in Shanghai. They lived there for 14 years, returning to the United States at various times for further study but not until 1922 did they take up permanent residence in Salem. They now have two charming twin sons, 11 years of age, born in Shanghai, who are talented musicians and generously play for Salem audiences.

In the tour, which will leave Portland Wednesday, June 13, Mrs. Scott plans to offer to those who will accompany her an opportunity of visiting parts of the Orient which the ordinary tourist never sees—native villages and little out of the way scenes so often missed. No one is better able than she to show her guests the life of that country as it has been lived for thousands of years. These pages, added to the world-famous Daibai at Kanakura, Japan, the Great Wall of China or the old city of Manila, will give everyone the chance to secure the real color and thrill of the Orient.

Frank S. Carpenter, dean of world travelers who, when asked what country he found most interesting in all his travels, replied "To me they are all interesting and each has its own appeal, but truth compels me to answer 'China.'" And for this same reason Mrs. Scott has planned this romantic and adventurous trip in the form of an informal party so that the travelers can receive the most from every port and city, different clothes, different modes of transportation, unusual scenes and customs and smiling, happy people. And, too, there will be the fun of taking moving pictures of landscapes, temples and gardens in both Japan and China.

Briefly mentioned, the points of interest to be visited will include the following: Yokohama; Kamakura; Kobe, where one will see the Ikuta Shrine, Hunobiki Waterfall and Suwayama Park; Shanghai and its famous tea houses, Mandarins' gardens, old Temples and bazaars; Hongkong, with its beautiful drives and remarkable scenery and views; Manila, visiting the old Walled City, the Jesuit church and Escalita; Tokyo with visits to the Imperial palace, Shiba Park, Mausoleum of the Tokugawa Shoguns, Ginza and Nishinaki streets, Ueno Park, Keannon Temple and innumerable places which are not indicated in the itinerary.

Those who will be associated with Mrs. Scott on this splendid tour will appreciate her ability to plan such a trip so entirely different and yet so cultural and educational. Salem folk who have met Mrs. Scott are charmed by her personality and are convinced that she is competent to lead such a worthwhile excursion.

American War Mothers Meet

The February social meeting of the American War Mothers was held Tuesday afternoon at the American Lutheran church. Mrs. Matilda Nason, president, introduced Mrs. Mabel Lockwood as chairman for this meeting. Mrs. Lockwood announced it had been customary, heretofore, during the month of February for the chapter to commemorate the birthdays of Lincoln and Washington but the committee this year was supplementing the very interesting birthday anniversary program of Oregon's 73rd year as a state. However, due honor was given the "Father of Our Country" and "Honest Abe" with the salute to the flag.

Mrs. Libeth Waters led the opening number, the state song, "Oregon, My Oregon," in which all joined. The early history of the state was given in five epochs: 1—The discovery of the Columbia and the overland journey of Lewis and Clark; 2—Settlement of Oregon trappers and traders then by colonists; 3—Provincial government; 4—Oregon as a territory; 5—Oregon as a state.

The significance of the word Oregon—the state seal, state flower, state bird and best known writers of history and poetry were given by different members of the chapter. A group of Oregon songs were sung by Mrs. Gordon McGilchrist accompanied by Mrs. Ted Gordon, and Mrs. Addie Curtis gave two readings. The chapter was honored with a visit from Mrs. Anna Penney, state president. Other visitors were Mrs. William Bush, Mrs. Marty Conley, Mrs. Mary Kennedy, Mrs. Edie Wessel, Mrs. Mary Ruyner, Mrs. Sumpter, Mrs. Gordon McGilchrist, Mrs. Ted Gordon and Mrs. Helen Persons.

During the tea hour Mrs. Emilie Hendricks, first state president, and Mrs. Helen Carson, first chapter president, presided at the urns. Red carnations and fern centered the table and were flanked by red candles in crystal holders. The decorations were in harmony with the occasion—Oregon grape, flags and spring flowers.

The committee assisting included Mrs. Hulda Bradford, Mrs. Augusta Hixon, Mrs. Louisa Kraps, Mrs. C. D. Gabrielson, Mrs. Mary H. Sims and Mrs. Mabel A. Lockwood.

Now! Ease Sore Throat Instantly!

- 1 Crush and dissolve 3 Bayer Aspirin Tablets in half a glass of water.
- 2 GARGLE thoroughly—throw your head way back, allowing a little to trickle down your throat.
- 3 Repeat gargle and do not rinse mouth, allow gargle to remain on membranes of the throat for prolonged effect.

Remember: Only Medicine Helps Sore Throat

Modern medical science now throws an entirely new light on sore throat. A way that eases the pain, rawness and irritation in as little as two or three minutes!

It requires medicine—like BAYER ASPIRIN—to do these things! That is why throat specialists throughout America are prescribing this BAYER gargle in place of old-time ways.

Be careful, however, that you get **real BAYER Aspirin** for this purpose. For they dissolve completely enough to gargle without leaving irritating particles.
