CIGAR SMOKING WOMAN JAILED

Silverton—The ten-day sentence in the Marion county jail that was meted out to Alice Mary Gudger Saturday afternoon in Judge Frank Alfred's court, was suspended, with a warning from the judge that her second offense would be treated severely indeed. Mrs. Gudger may have until June 1 to pay a ten dollar fine and two dollars costs, according to the ruling of Judge Alfred. Her alleged offense was vagrancy and disorderly conduct.

Mrs. Gudger was picked up Friday afternoon by local and state officers upon complaint of heads of business firms in town claiming that her presence was detrimental to the regular week-end run of trade. She was taken to the Marion county jail at Salem where she is alleged to have expressed a preference for good strong cigars and a dislike for cigarettes. None of this preference was evidenced in the charming voice, pleasing manner and well-groomed appearance of the little woman that pined quietly without a murmur, and most courteously expressed gratitude for her assured freedom. In fact, her only displeasure seemed to be directed to the reporters that were present and she was granted a private interview preceding the suspended sentence given her.

Robert Gudger, the woman's husband, is employed at the Silver Falls Timber company's camp No. 18. They have maintained a home in Silverton for several weeks, during which time Mrs. Gudger has proven herself an expert at billiards at the local pool halls and it was during a game, Friday, that she was considered too noisy for the good of the house.
