

LASKY, PROCESS SERVERS, WHIP FISH PEDDLER

Los Angeles, June 13 (AP)—King Levinsky nursed a badly battered body and pocketbook today, the results of wild but losing bouts at the Olympic here last night with Art Lasky, Minneapolis heavyweight and process servers.

The 168-pound Minneapolis mauler outpointed the kingfish from start to finish in their ten round bout, which had the crowd of 11,000 cheering and jeering madly. He won seven rounds on Referee George Blake's count, with two to the Chicago fish peddler and the odd one even.

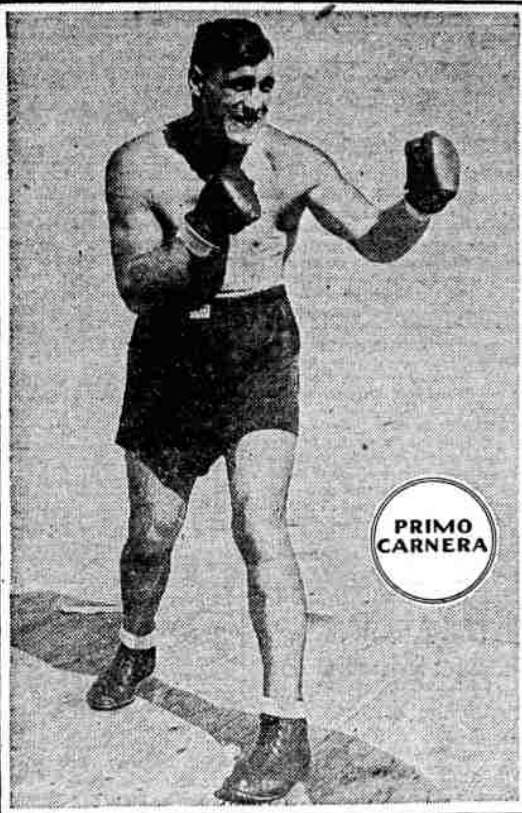

Crowding Levinsky closely throughout, the Minneapolis Hebrew scored heavily with clubbing rights to the body and sweeping lefts to the head. He had the 204-pound Chicago battler groggy in the eighth and again in the tenth.

Harassed by taunts from the ring-side, Levinsky carried on a verbal luff with opponents out of reach and once paused to thumb a bloody nose at Lupe Velez, screen actress, who kept up a relentless chant: "Geeve it to heem! Geeve it to heem!" Lasky took her at her word.

There was little left of the fish monger's \$4,975 share of the \$16,589 net gate when the creditors had finished with him. After private detectives stopped the Levinsky automobile on the outskirts of the city before the fight, the kingfish was brought back to the Olympic office where \$3,500 was counted out in a bag to satisfy the demands of Mrs. Lena Levinsky, his sister and co-manager, and subsequently impounded by the sheriff.

Federal officers also attached on the basis of a \$1386 claim against Mrs. Levy over income tax difficulties.

READY FOR BAER HUNT

PRIMO CARNERA

SENATORS ADD BATTING PUNCH, DEFEAT SEALS

(By the Associated Press) Stanley "Frenchy" Bordagaray has brought back to Sacramento from Chicago some of the batting punch that may make the Senators important bidders for the coast league's second place berth if not for the 1934 pennant.

Bordagaray, who rated with the league's best clouters last season and was sold on option to the Chicago White Sox, was returned to Sacramento this week, despite the fact he hit well over 300 for the American league club.

Making his seasonal debut at the capital city last night "Frenchy" rapped out two singles in three times at bat to help the Solons to a 2-1 victory over San Francisco.

Given a one run lead in the opening inning, Lari Vini, veteran Sacramento hurler kept the Solons in check throughout the game, giving but four hits. Ken Sheehan and Glenn Gabler for the seals were nicked for eight.

Although holding down third place in the league standings, the Senators have ranked but seventh in team batting. Bordagaray's added wallop may prove enough to convert the Solons from a .507 team into a real winner.

In the only other game played yesterday Los Angeles turned back Oakland 6-1 behind Louis Gariand's three hit tossing. The big Angel right hander lined out two singles and a double to drive in four of the champions runs. Leroy Anton, Oak first baseman hit for the circuit.

Seattle and the Missions were rained out while train connections prevented Portland's reaching Los Angeles in time for a game with Hollywood.

Battle of 'Daffydulls' Stirs Ballyhoo; Primo Appears To Be Worried

New York, June 13 (AP)—It's no trouble at all for anyone playing the "California hunch" this year to pick Max Adelbert Baer to chop down the ponderous Primo Carnera and bring back the heavyweight championship of the world to the U. S. A. tomorrow night.

College track and field honors already have been taken back to California by Stanford; Lawson Little and Olin Dutra have contributed golfing quests to the Golden state's sporting harvest this spring and the brawny California Bears rank among the outstanding favorites for the Poughkeepsie regatta this week—so why not continue the parlay with the pride of the betting Baers?

A week ago, so much fuss was made over Baer's apparent lack of condition as a result of Boxing Commissioner Bill Brown's whistle-blowing that the happy-go-lucky Californian's chances took a sharp drop. Today, with increasing signs of unrest in Carnera's camp followed by the fact that the champion has developed a sore throat, it appeared Baer's support would rally to the extent of making him close to an even-money choice by the time they climb into the ring in Madison Square Garden's "sunken bowl" tomorrow evening.

The conviction has rapidly grown with the approach of the fight that Carnera, rather than Baer, will be the victim of uncertain condition. Whatever his shortcomings may be, the Californian has clowned himself into a happy state of mind and anticipation. He talks blithely of flattening the big man in less than six rounds. He has the punch to do it, if he can connect.

All things considered, this "duel of the daffydulls" has stirred up more ballyhoo and argument than anything in heavyweight circles since the Dempsey-Tunney days.

The best guess on the "gate" seems to be that with a fair turn in the weather \$350,000 would be collected from perhaps 40,000 cash customers. The main go is slated for 6 p. m. (P.S.T.) and will be broadcast over an NBC network.

KEEN RIVALRY DEVELOPS FOR HOMER HONORS

(By the Associated Press) Like almost everything else in big league baseball this season, the home run battle has developed into a close and protracted scrap. With the rise of new clouters to rival the old standbys, Babe Ruth, Jimmie Foxx, Lou Gehrig and Chuck Klein, about a third of the season has passed without giving any indication of who among a half dozen leaders will emerge the champion.

When Klein swatted his 15th home run yesterday in the course of the Cubs' 6 to 5 decision over the Phillies it put him on even terms with the sensational newcomer, Zeke Bonura of the White Sox, the reliable Gehrig and Mel Ott.

Meanwhile Ruth broke a week-long drought with a home-run which would have been his 10th if it had counted. Rain nullified the blow and all the rest of the Yankees' and Browns' four innings of labor when it halted the game in the first half of the fifth.

Jim (Ripper) Collins of the Cardinals smacked homer No. 14 to aid St. Louis in a 7 to 3 conquest of the Braves.

These developments failed to alter the National league situation much for the league-leading New York Giants trounced Cincinnati 12-1, collecting 19 hits of which Pitcher Fred Fitzsimmons contributed four. Brooklyn's eight run rally in the eighth gave the Dodgers a 9-7 decision over Pittsburgh.

The only American league game which escaped rain in the east saw Detroit's league-leading Tigers pound out a 4-2 decision over the Red Sox behind Tommy Bridges' seven-hit flinging. The defeat dropped the Red Sox into sixth place.

OBERSON IS LUCKY Independence—George Oberson was bruised Sunday in an automobile accident in which his car was badly damaged also. He has a bad scar over his nose, besides other scratches and bruises but feels lucky in getting off as well as he did, considering the looks of his car. The accident occurred south of town on the highway.

Zarynoff struck on the edge of the ring platform, and partial paralysis and temporary blindness resulted. Since he could not continue, Cristy was given the decision. Zarynoff had scored the first and only actual fall.

MCGUIRE HURT, SPANIARD WINS

Pascual Pastillo, the Spania wrestler from Lower California, made a pleasing impression upon the fans Tuesday night at the armory when he won over Mickey McGuire. The match ended after 23 minutes of fast work when McGuire missed his target in an attempted Sonnenberg and went through the ropes to the floor. He was unable to continue the bout.

Cowboy Heinz lost to Hel Kunkle of Salt Lake City. Heinz took the first fall with a series of face locks but the Utahian came right back to win the second and third in 5 and 6 minutes respectively.

Robin Reed won the odd fall in his bout with Harry Hill of North Dakota.

TIGER JACK BEATS SIG ECKLUND, 8TH

Portland, June 13 (AP)—The weight and experience of Tiger Jack Fox of Indianapolis proved too much for Sig Ecklund and he scored a technical knockout over the Portland fighter in the eighth of a scheduled 10-round fight here last night.

But for all his nine pound advantage Fox, 176, could not knock Ecklund, 167, down. However, he had him reeling helplessly when the fight was stopped. Ecklund was game but managed to hold his only in the third when some of his smashing left hooks to the body made the Indianapolis negro wince.

Fox took the best Ecklund could offer and launched a counter attack which threatened to end the fight long before the eighth round.

The crowd warmed to the great mitwork of Jack Hibbard of Klamath Falls who proved even wilder than "Wildman" Johnny Higgins of Portland and won their six-round slugfest. Hibbard, 143, and Higgins, 140, battled furiously throughout for the ever-shifting advantage which finally settled on the Polican puncher when he swarmed all over his opponent in the sixth round.

Whitey Neal, 127, Portland, and Ros Dumagules, 127, fought four furious rounds to a draw. Al Spina, 117, Portland, outpointed Ken Parker, 120, Vernonia, in four rounds.
