## FOUR CORPORATIONS DECLARE DIVIDENDS

New York, Nov. 21 (AP)—American Telephone & Telegraph company directors today ordered the usual dividend of $2.25 on the capital stock. The dividend calls for the distribution of more than $42,000,000 to the company's 680,000 shareholders. The dividend is payable Jan. 15 to stock of record Dec. 15.

Coca Cola International corporation has declared an extra dividend of $2 and the regular quarterly dividend of $3 on the common stock, payable Jan. 2 to stock of record Dec. 12.

The American Cigar Co., declared an extra dividend of $2 a share and the regular quarterly dividend of $2, both payable Dec. 15 to stock of record Dec. 1.

National Biscuit company declared the regular quarterly dividend of 50 cents on the common stock, payable Jan. 15 to stock of record Dec. 15.

## SHINGLE OUTPUT TO BE INCREASED

Washington, Nov. 21 (AP) — The lumber code authority announced today a second increase in the fourth quarter production allotment for the Washington-Oregon red cedar shingle area would bring the total to 1,600,000 squares.

An increase of 500,000 shares in the production allotment for the area was authorized by the authority last month. The production for the last three months of this year was originally set at 1,000,000 squares.

Under the import agreement between United States and British Columbia manufacturers, today's order raises the amount of shingles which will be permitted to enter United States trade channels from the Canadian province to 400,000 squares.

### BUCHHEITS ENTERTAIN

Mt. Angel— Mr. and Mrs. Leo Buchheit entertained at dinner Sunday. Covers were placed for Dr. and Mrs. Frank Barr, Mr. and Mrs. Louis Barr, Patsy and Louis Jr., Mr. and Mrs. Al Buchheit all of Portland, and the hosts.

## RALLY AT CLOSE BUT AVERAGES SLIGHTLY OFF

New York, Nov. 21 (UP)—Declaration of the regular quarterly dividend of $2.25 a share by American telephone, favorable steel news and the best showing in electricity output in 200 weeks helped bring a late rally into the stock market today. The list was higher in the late dealings after an early decline.

Gas and electric utilities were aided by the power output figure which brought some short covering in the leading issues.

Railroad shares lost fractions to 2 points. It was believed the decline was set off by short selling based on outlook for a drop in carloadings.

During the afternoon recovery May department stores reached a new 1934 high at 45⅝ up 2¼ points while Best equaled its high at 38½ up ⅜ and R. H. Macy rose nearly a point to above 46. Mail order issues were higher.

Tobaccos were aided by the report on October output of small cigarettes. Liggett and Myers tobacco 107 up 1¾.

American Safety razor reached a new 1934 high at 62½ up 2½ points. Eastman made its daily high at 111 up a point.

Sales today approximated 810,000 shares against 870,000 shares yesterday. Curb sales were 174,000 shares against 170,000 shares yesterday.

Dow Jones preliminary closing averages showed industrial 99.47 off .43, railroad 34.94 off .42, utility 17.85 up .17.

## CORN PRICES HOISTED TODAY

Chicago, Nov. 21 (AP) — Forecasts of much colder weather over the northwest and west, implying enlarged feeding demand, hoisted the corn market abruptly today toward the last.

Shipping purchases of corn today were the largest in the last six months. It was intimated 1,000,000 bushels of corn would be loaded out of this market within a week for shipment to eastern distributing ports.

Corn closed strong, ⅝-1⅜ above yesterday's finish, May 85¼-⅜. Wheat unchanged to ¼ lower, May 97⅞-¾, oats ⅛ off to ⅝ up, and provisions unchanged to a rise of 20 cents.

Chicago, Nov. 21 (AP)—Rains, including some in western Kansas and Nebraska, had an early bearish effect today on wheat prices here. Comparative weakness of wheat quotations at Liverpool and Buenos Aires exercised also a bearish influence. Opening ⅛-⅜ lower, May 97⅜-⅝, Chicago wheat afterward rallied somewhat. Corn started ⅝ off to ⅛ up, May 83⅝-84¼, and subsequently showed general advances.

## AUMSVILLE BAZAAR SCHEDULED FRIDAY

Aumsville—The stage is all set for the annual bazaar to be given all day and evening Friday at the schoolhouse, sponsored by the Parent-Teacher association for the purpose of serving hot lunch to about 200 students during the winter.

Mrs. Fred Potter is chairman of the program committee. She has announced the following program:

Mrs. Beardsley's orchestra; play, "The Hunters," intermediate grades, Mrs. Julia Starrett directing; duet, June and Violet Pardee; play "Mrs. Peter Pumpkin Eater," primary grades, directed by Miss Eva Corser; stunts directed by Perry Spellbrink; chalk talk," Theodore Walt and Ellen Dokken; tap dance, Ethel Rupert; "Red Riding Hood," intermediate grades; numbers by the high school glee club, directed by Mrs. Gladys Hunt; mandolin solo, Miss Eula Mae Taylor; play, "Baby Show" and magic, Mr. Wood of Stayton, Mrs. D. A. Lowe accompanist.

### LOWES ARE HOSTS

Aumsville —Mr. and Mrs. D. A. Lowe entertained at a luncheon Sunday evening. Covers were placed for Mr. and Mrs. Fred Potter and D. G. Metcalf of Salem, David Lowe Jr., and the hosts.

## NO CHANGES REFLECTED IN BUTTER MART

Portland, Nov. 21 (UP)—Butter prices were unchanged today.

Prices in the egg market here are badly mixed and the trade in general is not conforming to established prices.

There was a general scramble for dressed turkeys and a further advance of one cent pound was generally being freely offered and paid. The demand is immediate and for shipment to the California trade. It is, however, a last call for Thanksgiving insofar as the south is concerned.

There is a fair demand for live ducks in the local trade. Buyers are offering around 12c alive for ducks and at the moment this includes both Pekins and colored stock of quality. There is a nominal movement of live geese around 11c lb.

There is a trifle slow tone for garlic after recent heavy carload sales. Present nominal buying price is around 6c lb. but most of the late offerings have been on consignment.

In general a steady tone is showing for country killed meats with receipts only fair except in veal, where the supply is liberal.

There is a better situation in the potato trade according to word received from Redmond to the effect that the outside was again seeking carload supplies there. Locally the market is loaded. Burbank potatoes from the Clackamas county potato growers association are being offered here and are of good quality. Some Idaho Gems are also offered.

First Alaska King salmon of the season is reported in. The stock averaged 16 lbs. and is priced 40c.

Better demand is showing for cranberries but most of the big buyers were filled up at the low prices. All prices are firmer to higher.

Horseradish roots are being offered around 20c lb.

While there is a temporary scarcity of Florida grapefruit, market is supplied with Arizona. Expected price on Florida tangerines, now due, is around $2.35 half box.

## SCRAMBLE IN TURKEY TRADE

Portland, Nov. 21 (AP)—There was a general scramble for dressed turkeys in the local trade and a further advance of 1c pound was offered and paid. The demand was immediate and for shipment to the California trade. It was however a last call for Thanksgiving insofar as the south is concerned.

Demand was getting better for hens than for toms although there was still a good demand for the latter that was more than sufficient to keep supplies cleaned. It does not make any difference at the moment what weight the toms range, said a prominent dealer, "because the big consumers are still buying. However hens are finding more favor and bring a premium occasionally of 1c above the toms."

Buying price on No. 1 toms was generally 21c pound, with hens to 22c although a load of top quality—half of each line—would at the moment bring up to the extreme value.

The market today ruled 17-23c pound for dressed birds and 15-16c alive.

## LOYAL TEMPERANCE LEGION IN SESSION

Turner—The third meeting of the Loyal Temperance Legion since its reorganization was held in the Methodist church with a large attendance of new members. The Legion song was sung by the group and the meeting was called to order by the president, Jean Perry. The minutes were read by the acting secretary, Lorraine Barnett, substituting for Emma Hollingshead who was unable to be present.

Wilma Larson was elected song leader at this meeting and Eleanor Sparkes elected yell leader. New yells were distributed and practised by the juvenile temperance workers. Mrs. Fred C. Gunning, chairman of the organization led the meeting and dismissed the session. In a fortnight they will meet in the Christian church basement. Mrs. J. A. Holt, superintendent was not present. In attendance were Betty Bailes, Jean Perry, Lorraine Barnett, Eleanor Sparkes, Melvin Baker, Hazel Larson, Eddie Hartfield, Helen Bailes, Wilma Larson and Mrs. Gunning. All children are invited to attend these meetings.

## Wheat Agreement Extended Two Years

Budapest, Nov. 21 (UP)—The international wheat advisory conference decided "in principle" today to extend the existing world wheat agreement for two years beginning in August 1935.

### STUPFEL SELLS

Mt. Angel—One of the largest hop sales to be made was the 400-bale lot of hops sold at 12c to the J. W. Seavey Hop company by Alphonse Stupfel, local buyer. The lot consisted of the balance of the Butsch brothers lot of 200 bales and the Robert Zollner lot of 200 bales. Numerous small lots have been sold the past few days at from 10 to 12 cents.

### CARL JONES HONORED

Victor Point—Mrs. C. C. Jones was hostess at a dinner Sunday, honoring the birthday anniversary of her son Carl. Covers were placed for the honor guest, and Ronald Hester, Richard Krenz, Mrs. J. C. Krenz and the hostess.
