GOPHERS BAR FIVE PLAYERS

Chicago, Dec. 8 (AP)—Five players of Minnesota's championship football team were automatically barred from further competition with the Gophers today when the Big Ten faculty committee reaffirmed the freshmen rule.

Players affected by the rule are Stan Kostka, fullback; Art Clarkson, halfback; George Stensden, center; Vernon Oech, guard, and Bill Bevan, guard.

Under Big Ten rules no player is permitted more than three seasons of competition in athletics. If any player attends a non-conference school and plays on a freshman team that engages in a regular schedule of games with an outside school such competition is counted as one of the three allowed years.

The histories of the four most important players involved today are: Koska and Clarkson: Played one season on the freshman team and one on the varsity at University of Oregon. Played one year on Minnesota varsity.

Svensden: Played one season on freshman team at University of Oregon, two seasons on Minnesota varsity.

Bevan: One season on Oregon State freshman team, two seasons on Minnesota varsity.

ANTI-RED GROUP PLAN EDUCATION

To educate loyal employees for protection against the propaganda and influence of communists and radical agitators in general is the main purpose of the Salem League of Industries, for which articles of incorporation were filed today at the office of the state corporation commissioner.

By so educating the employed personnel in general it is intended to lead them to the realization that there is enough concerted strength among the loyal employees to warrant them in standing out against professional agitators.

It is said that about 70 or 75 of the loyal employees have already signed as members of the league, and practically all in the city have identified their intention of joining.

The incorporators named in the articles are A. C. Anderson, Erel W. Kay and Frank Looser.

MINISTERS GO AFTER GAMBLING DEVICES

Portland, Dec. 8 (AP)—Pendleton Ministerial association last night demanded of the city council that it start clamping down on the near future on gambling cat machines and slot machines in Pendleton.

Through its president, Rev. Ralph Hinkle, the association declared that unless immediate action is taken, the group plans to collect evidence and will make a finish fight of the problem.

CITY TRIES TO GET SPACE BACK

An ordinance bill to prevent automobile service stations from usurping the public streets, and compel them to relinquish most of the space already usurped will be up for final action by the city council at its next meeting. It was introduced last Monday night by the utilities committee.

Under the present unregulated system service stations are allowed to take up unlimited space, some of them or more than a quarter of a block as much as two streets. This, of course, taken extensive parking space away from the public, which becomes doubly serious since the police department is now enforcing the ordinance against double parking.

The proposed ordinance, which applies to any business using drive-ways, would require that no drive-way could be more than 20 feet wide. If the business has frontage on two or more streets then a 20 foot driveway would be allowed on each street. Should the frontage exceed half a block on one street then two drive-ways would be permitted on that street.

Establishments already using more driving space than provide for in the bill would be given 90 days in which to reconstruct and return to the city any space in excess of that provided in the bill. This would necessitate the rebuilding of numerous curbs and sidewalks that were removed when some of the service stations were built.

MUSIC FESTIVAL SET DECEMBER 15

The third annual Marion County Music festival will be held in the auditorium of the Salem high school Saturday night, December 15, with students from Stayton, Woodburn, Gervais, Jefferson, Hubbard and Salem participating. The festival is being sponsored by the Marion County High School Principals' association. Similar festivals were held in 1931 and 1932, but none was held last year.

Christmas music will have a big part in this year's festival, although there will be several secular numbers. There will be quartets, glee clubs, solos, trios and mixed groups.

In connection with the festival the Salem high school chapter of the National Honor society will conduct the ritual of initiation for a number of Marion county students who have been selected for membership. This initiation of county students is a continuation of the policy adopted last year by the high school principals whereby county students are not large enough to support a National Honor society chapter of its own can become affiliated nevertheless.

RIPE BERRIES IN DECEMBER? SURE

Ripe loganberries and raspberries in December! How that for Oregon and its climate, good berry farmers say they'll back the word.

From the farm of John Weese a bunch of logans was sent this morning to the Capital Journal office. There were the blooms, the green berries and the ripe ones. Weese ran upon them while cleaning up his loganberry patch.

At the J. C. McFarlane farm are red raspberries, ripe and ready to eat.
