

BRIDE WAITS AT CHURCH BUT 'DAFFY' ARRIVES

Russellville, Ark., Dec. 21 (AP)—Little brother "Daffy" Dean, the calm and collected bridegroom who kept his bride waiting three hours, is honeymooning today toward a meeting with his brother "Dizzy."

"A real Christmas surprise, that's me," chortled "Daffy." Nervous bridegroom? Not a bit of it. One of the Dean brothers, pitching pair extraordinary, just got married and took it in stride.

Sometimes yesterday, the question was settled with Miss Dorothy Sandusky, local beauty prize winner and daughter of J. S. Sandusky, Russellville, Ark., lumberman.

The wedding was arranged for 5 o'clock. The bride was ready. But she hadn't taken into consideration that she was marrying one of the Dean brothers.

Paul suddenly discovered he needed a wedding suit—a ring—a license—a shave—a haircut.

First he drove to Fort Smith, 80 miles away. Dashing from store to store he got everything but the license. He drove up to the courthouse at Clark just as the clerk was closing the office. He got the license.

Meanwhile, the wedding hour and three more hours passed. Was the bride nervous? "He'll be here," she said.

Then the bridegroom drove up to the Sandusky residence. Hurriedly the wedding party was gathered and the ceremony begun. Just as the minister about reached the "will thou" section, brother "Daffy" leaned casually over to the bride and planted a resounding kiss on her cheek.

Leaving after the ceremony for a honeymoon trip to Gulfport, Miss., where they will meet big brother "Dizzy" and his wife, they arrived in Little Rock three hours later.

PLAYER COST HIGH W-J PREXY STATES

Washington, Dec. 21 (AP)—Elaborating on his decision that Washington and Jefferson college subsidize no more athletes at a potential annual overhead of \$500 each, President Ralph C. Hutchison has some figures to show what the once mighty grid squads cost his institution.

During the days when the presidents met the best there was in football, Dr. Hutchison said yesterday, the college gave its players free board and room, tuition and books.

On the basis of education costs, each man was worth \$800 a year, he said. There were usually 50 on the school's 300 students on the squad and that made the total \$40,000.

Wash.-Jeff. reached its height in 1921 when it played California to a scoreless tie in the Rose Bowl. For more than a decade after it was rated with the best, however.

Tuesday Dr. Hutchison made the formal announcement that W. & J. is stepping out of big time competition.

Foresters Leading In Do-Nut League

Mt. Angel — At the city league double header the high school defeated the Knights of Columbus by a score of 32 to 18. In the second game the Sodality lost to the Foresters by a score of 20 to 12. Referee for both games was Schiesinger.

This puts the Foresters in the lead for two wins and no defeats, and the Sodality and high school are in second place one and one, and the Knights are in the cellar with two defeats and no wins.

Sons Claim Scalps In Hoop Engagement

Dallas — The Sons scalped the Fathers in the annual Father-Son basketball game at the Junior high school Wednesday night in the presence of a large crowd by the score 22-18. The Fathers led until the final period by a margin of two points but a late rally by the youngsters brought the needed margin to clinch the game. On the lineup for the Sons were Billy Blackley, Jimmy Boydston, Bobby Woods, Keith Bennett, Warren Bennett, Buddy Foster and Forman Scott.

The Dads team was Laird Woods, Bill Blackley, Elmo Bennett, Don Foster, Ray Scott, Ray Boydston and Albert Bennett. Referees: Lloyd Hunter and Bob LeFors.

Palls City—The high school basket ball squad will play its third game of the season Friday night on the home floor with Independence.

This game will be a double-header with both the first and second teams playing. The local team defeated Dallas with a score of 20 to 18 in their first game of the season. The second game was lost to Dallas by a score of 33 to 19.

Lightweight Champion To Battle Stankovock In Main Event Tonight

One of the most ambitious fight cards in recent years, sponsored by the local post Veterans of Foreign Wars, and arranged by Jack Kileen, matchmaker, is scheduled for tonight at the armory. The match bouts appear to be about all that the most exacting fan could wish for and a maximum of action is anticipated if the card is carried out as announced.

Faced with the possibility of abandoning all efforts to revive the fight game in these parts if Friday night's program is not a success, Matchmaker Kileen has left no stone unturned to assure a profitable evening for the spectators and boxers alike.

The evening's performance, starting at 8:30 will be concluded by a double main event—one bringing together Hank McDonald and Roy McKenny, and the other Frankie Monroe and Mike Stankovock. Monroe's lightweight championship will be the prize for which Stankovock will be battling.

McDonald, who has made an enviable knockout record since his entry into professional ranks, ran into a flurry of gloves in Portland Tuesday night when he eked out a draw with Red Raider. His previous appearance here, however, when he knocked out George Peters in less than a round, stamped him as a dangerous opponent for any of his class.

Four 4-round bouts will precede the main battles. These include Mike McCafferty vs. Johnny Shaw, Clem Lumbright vs. Tony Sanden, Tiny Cooper vs. Dummy Halley, and Pepper Leibold vs. Jack Bailey.

HUNTINGTON 5 PLAYS ALUMNI

Fans will have opportunity tonight to get a line on Salem high school's basketball possibilities for the season, when Coach Huntington's "pony" squad engages a group of former wearers of the red and black. The game, known as the annual alumni contest, will be incorporated with "fussers' night." The first whistle toot will sound at 7:30 o'clock.

Handicapped through lack of tall rangy candidates, Coach Huntington is concentrating on speed. He has a number of boys who will fit into his plans, but none of them have had a great deal of experience in high school play. Phil Salstrom, a forward on last year's team, and John Perrine, who has returned to school after an absence of a year or two, have had the most experience. Luther, a graduate of Parrish, and a member of last year's "B" team, will probably start at center, while Carter, Quesseth, Steinke, and Albright will be sent into the fray at some time or another, as will a number of others whom Coach Huntington wishes to try out.

JONES OFFERED JOB WITH OKLAHOMA U.

Norman, Okla., Dec. 21 (AP)—Captain Lawrence A. (Bill) Jones, resigned football coach at Louisiana State university, has been offered the position of head coach at the University of Oklahoma.

The offer climaxed changing sentiment at the university here on the question whether Lewie Hardage and Bo Rowland, coaches for the last three years, should be retained for 1935. They had a bad 1934 season.

A representative of the university of athletic council offered the coaching job to Jones by telephone late yesterday but no announcement was made as to what Jones said.

Scio—Albany high school basketball teams are to play Scio here Friday night of this week.

BREAKFAST CLUB STARTS HAWAII GAME CAMPAIGN

The task of underwriting the cost of staging a football game between Willamette university and the University of Hawaii on Sweetland field, was started Friday morning when pledges were distributed to members of the Salem Breakfast club during their weekly session. Brazier Small, in outlining the plan of underwriting the contest, pointed to the success a number of years ago in putting over the American Legion convention which resulted in none of the guarantors being called up. Harry Collins, Curtis Cross and Bill Phillips were named to head the pledge committee.

President Bruce Baxter of Willamette said he believed such a contest would result in Salem and the surrounding country receiving advertising benefits of the highest character.

Lettermen of Salem high school team were presented with gold emblems during the morning session, in recognition of their record of playing through the entire season without defeat. Those receiving emblems were Don Coons, Wilbur

BUCKAROOS, CALGARY PLAY 4-4 TIE GAME

Portland, Dec. 21 (AP)—The Portland Buckaroos and Calgary Consois played a fiery overtime 4 to 4 tie hockey game here last night. Jimmy Evans' third-period goal six minutes before the finish placed the Bucks on even terms with the visitors. Neither side could put one over in the overtime period.

Smokey Harris of the Calgary team was taken to a hospital after the game where an X-ray disclosed he suffered from a fractured jaw.

MILL CITY COMETS DEFEAT LYONS TEAM

PADE CLUB BEATS PACIFIC 39 TO 25

Pade's independent basketball team turned in a 39 to 25 win over Pacific university at Forest Grove Thursday night. Seales and Allen, former Willamette university luminaries, were high scorers.

Pacific (25) (39) Pacific
Mason 4 F 17 Seales
Douglas 6 F 6 Foreman
Jones 3 C 4 Steelhammer
McKeel 2 G 10 Allen
Kilitta 2 G 2 Hauk

BEARCATS AND BEAVERS MEET AT CORVALLIS

In a further effort to determine the best players out of a squad of some 15 or 18 men, Coach R. S. Keene will send his Willamette university Bearcat ball hawks against Oregon State college at Corvallis Friday evening. Saturday night Willamette will match passes and tosses with the University of Oregon at the local floor.

Considerably puzzled as to just who he will eliminate Coach Keene has about reached the decision he will retain the boys who show the best spirit since apparently there are no outstanding performers. However, the practice of using every available candidate will continue throughout the balance of the year.

Coach "Slats" Gill over at Oregon State is having his troubles too, although he is blessed with a number of outstanding performers who will likely prove too strong for the Bearcats. "Bud" Rieke, who played under Coach Keene for two years and then transferred to the Beaver school last year will probably play against his former mates tonight.

Taking everything into considera-

tion tonight's game at Corvallis will likely take on the aspects of an experiment rather than a real ball game.
