

# EASTERN PROFESSIONAL GRIDDEERS BEAT WESTERN

## GIANTS, BEARS USE ACCURACY, POWER TO WIN

San Francisco, Jan. 21 (AP)—The brown and experience of two eastern professional football teams victorious yesterday over coast eleven had the latter wondering today if there is anything to the old gridiron adage about "the bigger they are the harder they fall."

For the New York Giants and Chicago Bears put strength and experience on the field to overwhelm respectively Ernie Nevers' Pacific coast all-stars and the Southern California all-stars. The New York team won 21-0 and the Bears 26-7.

The Giants-Coast All-Stars game was played as a charity contest here, but the aggregation of Nevers, former Stanford all-American star, could do little against the New York players except watch the score mount.

But for one flash by Cotton Warburton, former University of Southern California all-American quarterback, the same was true at Los Angeles where the Bears downed the pro team representing the southern part of the state.

Warburton, making his debut as a professional, did some spectacular running to score a lone touchdown in the game's closing minutes.

In the game here, the Giants scored twice in the opening quarter, once on a pass from Danowski to Flaherty, and a few minutes later on a line plunge by Ken Strong after passes had advanced the ball into scoring territory.

An all-star fumble in the third quarter, which Frankan of the Giants recovered, paved the way for their final score. A pass, Danowski to Burnett, took the ball over. Accurate place kicking by Danowski and strong converted all the Giants' touchdowns.

The Giants outlasted their opponents from the start, as a possession crowd of 20,000 watched the game, sponsored by the Knights of Columbus.

Crushing power and accurate kicking by the Bears proved the undoing of the Southern California All-Stars.

Jack Manders opened their scoring with a field goal in the first period and in the next quarter "Bronco" Nagurski shoved 11 yards through the opposing line for a touchdown.

Manders added another field goal in the third quarter and two touchdowns were scored in the final period. Feathers climaxed a sustained march by going over from the seven yard marker, and a triple pass, Nagurski to Braunbaugh to Johnson, who went over from the five yard line, added the final touch.

## N. Y. SHOW CROWDS TEST FORD 'RIDE'

Crowds which thronged Grand Central Palace for the opening of the New York Automobile Show had an opportunity to demonstrate for themselves the riding qualities of the new Ford V-8 cars for 1935. Riding in a new Ford on a belted "highway" designed to simulate the bumps and ruts of an average country road, thousands of passengers in one of the most popular exhibits in the show were amazed at the way the new spring suspension system and shock absorbers smoothed out the road. Photo above shows a typical "test" on the belted road. At right, crowds inspecting the new Ford V-8 cars on the main floor of Grand Central Palace.

## Silverton Drops Two To West Linn High

The first team lost only by one point, 17 to 16, in a see-saw contest that featured the lead change many times. Silverton led at half, 8 to 7. In fact it was anybody's game with both teams very evenly matched.

The second team scores were 20 to 19 in favor of West Linn, in another nip-and-tuck battle.

## HUSKIES LEAD, WILL PLAY OSC LATE THIS WEEK

Seattle, Jan. 21 (AP)—Due largely to the wizard shooting eye of Bobby (Goose) Galer, Washington captain, the Washington Huskies were at the top of the Northern Division Coast conference basketball race today for the first time this season, and the Oregon Webfeet were seeking undisputed possession of second place.

The Huskies, loser of their opening game to Idaho, have now three straight in their battle to defend their coast crown.

The Webfeet, in a triple tie with Idaho and Oregon for second place, invade Pullman tonight for the opener of a two-game series with the luckless Washington State five, victim of five straight defeats this season.

Washington, with Galer corraling 16 points, took the second straight game here Saturday night from Oregon State by the same score, 30 to 25.

At Moscow, Oregon fell before an aroused Vandals five, 39 to 21, to even their two game series.

The standings:

Won	Lost	Pct.
Washington	3	1 .750
Oregon	3	2 .600
Oregon State	3	2 .600
Idaho	3	2 .600
Washington State	0	5 .000

## JACK WARNER HIGH SCORER PARRISH

Jack Warner, high scorer in the ninth grade division of the Parrish junior high intramural basketball league, is an exceptional shot, in the opinion of Coach Frank Brown who has been conducting play for several weeks. He scored 110 points during the seven games played, for an average slightly in excess of 15. He averaged seven field goals and checked in 12 points from the foul line. Warner's floor work is somewhat ragged but this is expected to improve through hard work.

Other high scorers of the ninth grade league included:

LeBoeuf 80, Litwiler 50, Quackenbush 55, Probert 54, Phillips 50, Forber 48, Zander 47, Driggs 47, Davis 46.

## Harold McSpaden Leads In Sacramento Tourney By Margin of One Point

Sacramento, Jan. 21 (AP)—By the margin of a stroke picked up in a round of golf which scintillated with birdies, Harold McSpaden moved into the last 36 holes of the \$2,500 Sacramento open tournament today ahead of the field.

The 25 year old Kansas City, Kan., professional, who had an average 73, one over par, in the first 18 holes of play, took the municipal links apart Sunday with a record-breaking 67, aided by six birdies.

Closely pressing him were two little known professionals, Jim Fogarty, of Kirkwood, Mo., and Jim Demaret, of Galveston, Tex.

Fogarty, in a round almost as spectacular as McSpaden's, added a 68 to a 73 for a 36 hole score of 141, while Demaret, after collecting a par 72 on Saturday, streaked around the 6,787 yard course in 69 yesterday.

Two iron shots laid dead to the pin and four putts ranging from 10 to 25 feet, gave McSpaden his brilliant score.

His most spectacular feat came last winter when he shot the Santa Monica, Calif., municipal links to pieces with an assault which resulted in an 18 hole score of 62, nine under par and one of the finest rounds in the history of the game. A few weeks ago he won the Pasadena open with a creditable 72 hole medal of 281 strokes.

## SILVERTON BOWS TO SALEM HIGH SCORE 31 TO 12

Silverton—The local basketball team was not too surprised at the score of 31-12 in favor of Salem, Saturday night at the Eugene Field gymnasium. The Salem boys played a perfect defense and dominated throughout the game. The home team played in a completely disorganized fashion, not showing up at their best at a single moment. The Silverton team has some fine material in the making, but their unseasoned condition shows at times. They are out of the running for any special place in the league for this year and the games they play from now on will be splendid experience for the future.

Their next game will be with Canby here Tuesday and a return game with Canby will be played Friday. Canby is near the bottom of the league list and the games will be rather different from those played for place in the league standings.

Silverton (32): (31) Salem, Schwab 3, F., 2 Skopel, Sawyer 3, F., 12 Salstrom, Thompson 4, C., 1 Luther, Specht 1, G., Gwynn, Jensen, G., 10 Perrine, Pettijohn 2, S., 2 Albrith, S., 2 Waddell.

The second game was a victory for Silverton 15 to 12 in a well played game. The second teams began at 8 o'clock and the main game followed.

## Plumber finds over-choking cost him 84 miles a month

SO HE'S CHANGING TO SUPER-SHELL

Figuring 6 cold starts a day, and Super-SHELL's saving a conservative 1/2 cup per start, from now on this man should save 5.6 extra gallons each winter month

With an ordinary gasoline, your mileage during the warm-up period may be only 1/5 normal!

That's because ordinary gasoline requires you to use the choke excessively. With Thermalized Super-SHELL, you cut the choke period in half.

Super-SHELL can save you gasoline on all your cold starting. And when the weather's especially cold, it can save an entire cupful every start!
