## Make Your Own Dress! Youthful

This is the season of the year when a bright colored dress to wear 'neath your dark winter coat has strong appeal to youth and youthful women types.

And here's a simple model you'll love. It's so smart and practical. And into the bargain, it slips easily under a cloth or fur coat.

It closes at the back with lacings. The easy to sew sleeves that cut in on one with the shoulders are joined with lacings to just above the elbow. Even the belt ties with a lacing. Don't you think it's a cute idea?

This little model is just too lovely for words in a woolen material, say rust or Kelly green. It may also be carried out in pebbly crepe silk in cream de menthe, bright red, sapphire blue, purple, etc.

Style No. 598 is designed for sizes 11, 12, 13, 14 and 15 years. Size 12 requires 3 1/2 yards of 39-inch material.

Send FIFTEEN CENTS (15c) in stamps or coin (coin is preferred) for PATTERN. Write plainly NAME, ADDRESS AND STYLE NUMBER. BE SURE TO STATE SIZE YOU WISH!

Taking a piece of paper in his hands, Gim lighted it. As the paper burned near to his fingers, he said: "If I do not tell the truth my soul will burn like this piece of paper."
