Make Honor Roll

Lyons-Pupils on the honor roll at the Fox Valley school for Febru-

Bethel-Mrs. Carmalite Weddle, teacher of Bethel school, announced in the February issue of "The Normal Instructor," saying that her pupils would like to correspond with pupils throughout the United States. By the first of March the school had received 135 letters from 35 different states, from Maine, Vermont, New Hampshire to Florida, Alabama, South Carolina to California, Texas, New Mexico to Idaho and Montane, also from Manitobs.

and Montana, also from his home in the Ozark mountains and one from his home on Lookout mountain in Galifornia. The letters contained information about the states, schools and crops, and pictures, leaves of trees, samples of tobacco.

formation about the saves of trees, and crops, and pictures, leaves of trees, anmples of tobacco.

The Bethel pupils write their answers to these letters during their grammar periods, Mrs. Weddle censors all letters. They are then uncluded in parcels containing boxes of Oregon products, postcards of Oregon scenery, buildings and industries, samples of linen, hops, prunes, cedar, Oregon booklets, maps, school work and samples of paper from Salem paper mills.

Large and small size booklets are made, cut in the shape of the map of Oregon and tied together. These booklets contain facts, written by hand by the pupils, area and population of Oregon, the state flower, state bird, state song, items clipped was and resulting the property of the prop

ital Journal.

In answer to a request from a pupil in Kansas, seashells and sand from the ocean were sent. Facts and pletures showing fruit gathering and handling of onions, celery and

GR

and handling of onlons, celery and peppermint are sent. Cellophane envelopes containing samples of corn, wheat, popcorn, hops, prunes and fir cones and boughs are pasted onto pages of booklets. Facts about Oregon crops, stock, dairying and poultry are in-cluded, also picture folders of Sa-lem and of the state.

The pupils of the school are in-

The pupils of the school are in-tensely interested. Only pupils who have good grades in every subject are allowed to write the letters, so school work is not neglected. The pupils are studying a foreign country in geography this year but next year they will study this coun-try then all the letters now being received will be of great value.

CENSORSHIP WILL BE PTA SUBJECT

Independence—About 30 parents, members of the P.T.A., were present at the meeting this week and a number of them visited the class rooms in the high school building prior to the regular business meeting of the association.

ing of the association.

A short program was given, consisting of numbers by the girls' glee club, and two vocal soles by Mrs. Russell Dowell, commercial teacher of the high school.

At the business meeting a com-mittee was appointed to bring in nominations for officers of the as-sociation at the next meeting for

The next regular meeting of the association will be April 1. The subject will be "Movie Censorship." Speakers from the U. of O. will be
