

SINGLE CLASS OF U. S. MONEY DECADE'S GOAL

Washington, March 21 (AP)—A single class of American money—probably federal reserve notes—was said Wednesday to be the federal government's monetary objective over the next decade.

Widespread changes in existing laws required before this could be established may be forthcoming when more immediate stages of the recovery drive are completed.

A high government official said "one class of money must be established in order that the government may effectively control issuance of money."

"It is much easier," he said, "for us to regulate money if there is only one issue than it is with two or more as it is now."

Steps already have been taken to simplify its money system, which has consisted of seven kinds of paper money—gold certificates, silver certificates, treasury notes of 1890, United States notes, federal reserve notes, Federal Reserve bank notes and National bank notes. Three of these—gold certificates and the National bank notes and the Federal Reserve bank notes—have been taken out of circulation. Legislation probably would be needed for the retirement of the treasury notes and the United States notes.

The silver certificates, backed by silver bullion now held in the treasury, might be withdrawn from circulation and transferred to the federal reserve banks as was done with the gold certificates.

Under this plan, the reserve banks would be sole holders of gold and silver certificates issued against actual gold and silver in the treasury. A definite ratio of silver certificates thus could be established.

This, it was said, might be the solution of the administration's program for a "managed currency," details of which have not been revealed. It was believed possible that a varying of the gold and silver certificate backing of the notes could then help gauge the purchase

WOMEN OF ALL AGES

YOUNG women who suffer from monthly pains, headache or side ache, and women of middle age who suffer from heat flashes need the tonic effect of Dr. Pierce's Favorite Prescription. Read what Mrs. J. W. Peiman of 4312 Puget Sound Ave., Tacoma, Wash., said: "I suffered a great breakdown—felt weak and played out. I had pains in my back and sides and many nasty headaches. After taking a few bottles of Dr. Pierce's Favorite Prescription I felt perfectly well. I was so much stronger, my pains were gone, and I had no headaches."

New size, tablets 50 cts., liquid \$1.00.

WASH OUT 15 MILES OF KIDNEY TUBES

Win Back Pep...Vigor...Vitality

Medical authorities agree that your kidneys contain 15 MILES of tiny tubes or filters which help to purify the blood and keep you healthy.

If you have trouble with too frequent bladder passages with scanty amount causing burning and discomfort, the 15 MILES of kidney tubes need washing out. This danger signal may be the beginning of nagging backache, leg pains, loss of pep and vitality, getting up nights, lumbago, swollen feet and ankles, rheumatic pains and dizziness.

If kidneys don't empty 3 pints every day and get rid of 4 pounds of waste matter, your body will take up these poisons causing serious trouble. It may knock you out and lay you up for many months. Don't wait. Ask your druggist for DOAN'S PILLS, a doctor's prescription... which has been used successfully by millions of kidney sufferers for over 40 years. They give quick relief and will help to wash out the 15 MILES of kidney tubes.

But don't take chances with strong drugs or so-called "kidney cures" that claim to fix you up in 12 minutes, for they may seriously injure and irritate delicate tissues. Insist on DOAN'S PILLS... the old reliable relief that contain no "dope" or habit-forming drugs. Be sure you get DOAN'S PILLS at your druggist. © 1934, Foster-Milburn Co.

LIQUOR STORE FIGURES DROP

For the first time since Oregon went into the liquor business, the

state stores and agencies have failed to maintain their record for improving their sales month by month, auditors' reports at liquor control commission headquarters showed.

February's figures, which are being compiled, are expected, however, to restore what might be the

commission's slogan of "better business each month."

January was the first month to require a descending curve on the liquor store's sales graph.

From a holiday peak business in December of \$653,765.80 in total sales and \$143,223.39 net earnings, the stores in January showed total sales

of only \$377,372.50 and net earnings of \$94,094.75.

January was the poorest month since last September, when total sales were \$343,347.75. October showed \$388,894, November \$437,422.34, and then December the nearly two-thirds of a million mark.

The state's stores have as many

customers this year as last, however.

Virtually the same number of purchaser's permits as were sold in all of 1934 have already been issued so far this year, reports show.

License fees approximating \$120,000—as much as was collected in 1934—have already come in this year.

HECKART FAMILY MOVES

Sunnyside — Mr. and Mrs. R. Heckart have moved to the G. Heckart place. They recently occupied the Peter Corpstein property which has been traded to people in Seattle who expect to take possession in the fall.

WARDS Spring OPENING

Spring Successes

The Coat With Ripple Revers

995

The revers are wonderfully soft and flattering to your face. They give you the wide-topped effect that makes for a pencil-slim silhouette. Featured in navy wool crepe, silk-lined.

Snug-In-Back Brimmed Hat

100

Brim is big news, and this Ward brim is bigger news because it hugs the back of your neck and is comfortable with your coat. Straw, straw cloth, fabric.
