

SALEM WINS OVER LaGRANDE, 33 TO 15

CORVALLIS AND KLAMATH PLAY FAST CONTEST

Salem, Columbia Prep, Ashland, Jefferson, Astoria, Klamath Falls, McMinnville and Oakridge won their games in the first round of play in the 16th annual intercollegiate basketball tournament being held at Willamette university Wednesday afternoon and night and there by advanced up the rough and rocky road toward state supremacy.

On the other hand LaGrande, Marshfield, Benson, Umapine, Mill City, Corvallis, The Dalles and Gardiner failed to surmount their first obstacles and were automatically shunted into the consolation series.

Salem had little difficulty in defeating LaGrande in the first game of the series 33 to 15. From the time Cater converted on two foulshots at the opening of the game, Salem led all the way, increasing their advantage as the contest progressed. The score at the end of the first quarter was 12 to 4 for Salem, 17 to 8 at the half, and 29 to 13 at three quarters.

With Bill O'Donnell scoring all of the field goals and a total of 21 points Columbia Prep turned back Marshfield 28 to 23. The Pirates failed to work out a way to stop the big center's hook shots and he rained them in from both sides of the basket.

Ashland nosed out Benson of Portland 20 to 18 in one of the most hotly contested games of the afternoon. With Hess and Hardy leading the way the southern Oregon champions piled up a 14 to 6 advantage during the first half. The Portlanders came back strong in the final quarters and failed by hair of knotting the count in the closing seconds.

Umapine, one of the "B" league entrants, lost to Jefferson of Portland 39 to 16. The boys from Umatilla county were unable to cope with Jeff's long center, who consistently took the tip off.

Only Astoria's ability to come from behind saved the Fishermen from a startling upset at the hands of an inspired Mill City "B" league contender. Mill City fought the Astorians on even terms throughout the first periods and left the floor at the intermission with a 12 to 11 advantage. Mid-way of the third quarter, however, Sarpola and Johnson, two expert shots, began to find the range with the result Coach Warren's club dominated the play during the final minutes. Mill City keenly felt the loss of Allen, forward, and McCauley center, via the foul route.

The first game of the evening between Klamath Falls and Corvallis, which resulted in a 27 to 25 win for the Pelicans, was the most interesting from the spectator standpoint of the entire first round. Both clubs employed a fast breaking offense and the lead changed hands rapidly. Corvallis, largely through the efforts of F. Sandoz, piled up a 9 to 3 lead in the first period only to have Klamath Falls come back in the second to take a 13 to 11 lead at half time. The two teams went into a 21 to 21 deadlock at three quarter time.

The Dalles, apparently but a shadow of the team which gave Salem such a decisive licking last season, was an easy victim of the sharpshooters from McMinnville, who won 39 to 18. The showing of Coach Allison's Bears took the fancy of a number of fans who thought they had a chance to go through to the finals.

Oakridge, the wonder team of the "B" section, lived up to advance notice in smothering Gardiner 49 to 29 in the nightcap. Coach Sprague's outfit worked smoothly and played with confidence.

ELEPHANTS FADE OUT AS KANSAS CLUB TRIUMPHS

Denver, May 21 (P)—Southern Oregon Normal's basketball team faded from the basketball picture here yesterday when the Hutchinson, Kan., Transits gained the quarter-final round of the annual A.A.U. tournament with a 51 to 29 victory over the Oregonians.

The Sons' scoring aces were held scoreless from the field, although Ward Howell, forward-center alternate, connected for five gift tosses before being retired on fouls and Charley Patterson, negro center, garnered three. Chief McLean, Indian forward, scored three goals from the field.

The Transits took the game in hand from the start and were leading 35 to 15 at half time. A courageous late rally sparked by sharpshooting Ben Sells and climaxed by the last-minute goal of the veteran Carl Larson won the defending champion Tulsa Oilers a berth in the quarter-finals.

With Coach Bill Miller's 1933 and 1934 champions, six other seeded teams and the darkhorse Italian Athletic club of Seattle progressed through the third round yesterday.

Italian A. C. sprang the only major upset of the tournament before a crowd of 4800 in city auditorium by checking out the Utah State Aggies, last of the 29 college teams to be eliminated. The Aggies, hand-capped by the loss of Captain Cleo Petty who hobbled to the game on crutches as a result of a knee injury suffered in the second round Tuesday, were beaten by 34-28.

While the Rocky mountain collegiate champions' ouster stunned the fans, the hair-raising 31-30 Oiler victory over Jones Store of Kansas City had them in a panic.

The Babe hit that one prodigious wallop into the outfield, then fouled out in his two cracks at Dizzy, who pitched five innings and allowed the Braves only three hits. The Cardinals won 5 to 4.

Seattle, March 21 (P)—Starting the championship series in championship style, two goals in the first two minutes, four seconds of play, the Seattle Seahawks were one up on the Vancouver Lions today in their playoff for the Northwestern Hockey league title. The Hawks were the winners last night, 4 to 1, in a speedy game.

Swooping to the attack from the opening whistle, Hal Tabor and Tony Steen immediately teamed up for the first goal in one minute, 55 seconds, with Tabor slashing the goal home from close in. Nine seconds later another pair of forwards sent onto the ice, Prudlock and Sheppard, beat Goalie Clark again, with Prudlock scoring.

Both teams were resting up today before moving on to Vancouver, for the second game of the three-out-of-five series tomorrow night.

The absence of Kuvallis, Benson Tech forward from the lineup

The usual Thursday night tournament will be held at the Salem Horseshoe club tonight.

Last Thursday night Pearl Harland, Orville Moore and Jack Campbell won out with a one game margin over Luke Donaldson, C. E. Riley and Don Brooks.

Horseshoe tournaments are especially interesting for the reason that there is more of an object than to win the games. Rivalry for the top ringer percentages is particularly keen. For example, for the entire winter's tournament play so far Donaldson leads Harland in ringer percentages by less than two points, and tonight's play may change the margin in either direction. They are the two top men in the club in ringer percentages. Donaldson having participated in four meets and Harland in six since January 21.
