### SUNDAY GAMES

Eugene at Salem.  
Tolock at Albany.  
Hop Gold at Bend.

The Eugene Townies and the Salem Senators will clash at 2:30 Sunday afternoon on Olinger field in what is expected to be one of the most hotly contested baseball games of the present State league series. There is little need for Old Sol to direct his most tropical rays of the summer in order to stir up a battle between the Townies and Senators, for Eugene and Salem are natural rivals and a contest always develops whether the game be horse-shoes, pingpong or just an old-fashioned arguing brawl.

The Townies will present another infield lineup against Salem tomorrow, having lost their latest second-shortstop combination of Quinn and Eber. Failure to find steady employment in Eugene resulted in the pair moving on to Portland. However, Manager Don Husband will have Mercer, Elliott and Jack Gordou with him Sunday which should insure a tight defense as well as considerable offensive power. Husband, although somewhat of a veteran, is playing first base and apparently is making a good job of it. Against the House of David early in the week Husband scored three runs and secured two hits in four times up.

Wiltshire or Lake will probably take care of the mound duties for the visiting club.

The Senators will present the lineup which succeeded in noosing out Bend last Sunday afternoon, although Beck may start on the mound in place of Wilson.

## Bierman Has Steady Diet Of Football

Minneapolis (P)—"Silent" Bernie Bierman is talking a lot of football this summer.

Naturally reticent, Minnesota's head football coach not only has to "talk football" but has to show how it is done.

Following completion of the three weeks course in football which he is conducting at the University of Minnesota summer session, Bierman was heading for Mississippi State college for a coaching course the last half of July.

From there he will go to Lubbock, Tex., to conduct a coaching school the week of August 5 at Texas Tech.

In addition, Bierman will handle football lectures and demonstrations at a coaching school at Spirit Lake, Ia., and will then return to Minnesota and resume his duties at Camp Lincoln, near Brainerd.

"The snow is no sooner off the ground than the Fourth of July comes around, and then in 10 minutes or so it will be September 10 and we'll all be out for football practice again," Bernie said.

Under a changed conference rule, practice in the Big Ten will begin five days sooner than usual this year. Minnesota's first game, with North Dakota state, will be played September 23.

## Dobie Woods Turns In Good Performance

Dallas—Dobie Woods, who went the route for the city league all stars in the pitching role, against the Broadway Glens, came across in fine style. Woods, in addition to limiting the colored visitors to seven hits had a perfect day at bat getting four hits in four times up. The Glens displayed little clowning after the score was tied and were completely outplayed by the city leaguers.

## LESLIE WINS TWO

The Olinger playground softball team committed 12 errors and lost to Leslie Thursday afternoon 5 to 4. The Leslie midgets defeated the Olinger juniors 7 to 4.

The score in the senior game: Leslie..... 6 10 8  
Olinger..... 4 5 12

## Vault to 'Double-Double'

For consistent excellence the sophomore pole vaulting pair from University of Southern California, Bill Sefton (left) and Earle Meadows, has set a lofty standard. The boys are 1935 co-champions and co-record holders—at 14 feet 1 1/2 inches—of the National Collegiate A. A. U. In other words, they couldn't beat each other, but they could beat everybody else in two of the greatest groups of athletes the track and field world has known.

## MARIAN M'DOUGALL WINS GOLF CROWN

Portland, July 13 (P)—Youth yielded to experience yesterday when Miss Marian McDougall, Waverly club, turned back Miss Nancy Hurst, Alderwood club junior, 2 and 1 to capture the Oregon women's open golf championship.

Miss McDougall, with a few more years experience than her opponent, was the steadier and this factor was the deciding issue. Both girls were at the top of their games and the match was an interesting see-saw affair in which neither held more than a two-hole advantage at any time.

Miss Mary Mosel, playing in her first tournament, defeated Mrs. Ray Hunt 6 and 5 to win first flight honors, with an exhibition of near championship golf. Second flight honors went to Mrs. Charles Jennings who scored a one-up victory over Miss Ruth Pease. Mrs. C. H. Greene took the third flight from Mrs. Frank Parella, 2 and 1.

## WOODBURN GETS JUNIOR SERIES AUGUST 10-11

Woodburn—A written contract has been signed between the baseball committee of the American Legion, department of Oregon, and a committee representing the community of Woodburn which gives definite assurance that the 1935 title series in state Legion junior baseball will be played at Woodburn.

The playoff will be held August 10 and 11 at Legion park. Four teams will enter the series, one from eastern Oregon, one from southern Oregon, one from Portland and one from either the Willamette valley or the lower Columbia river section.

Woodburn guarantees traveling expenses for the four teams to Woodburn from their homes, and return, all living expenses while at Woodburn, and all expenses in connection with the games.

H. M. Austin is chairman of the Woodburn committee which includes Rex Bentley and Rodney Alden with L. C. Buchner as treasurer. Buchner will handle all funds in connection with the playoff.

Drawings will probably be made the night of August 5. Winners of the two games on August 10 will meet in the second game the following day with a preliminary on that day between the two losers. The winning team in the final game will entrain immediately for Great Falls, Mont., to participate in the playoff in the Pacific northwest series. If successful there it will go on east for the western playoff. The state trophy will be awarded by a Portland department score and less. Any awards will be furnished by Woodburn.

Woodburn is the smallest community ever to sponsor the Oregon state playoff and the ticket sale is being pushed to make it reasonably sure that all expenses will be covered. Two hundred and fifty dollars have been pledged to underwrite any possible loss; this will be collected and if the playoff is a financial success will be returned.

## LEVERETT ENTERS SPEED BOWL RACE

Portland, July 13—Bryliss Leverett, who captured the Southwest Auto-Racing association championship last year and is leading in the 1935 battle in that district, has entered Bobby Rowe's meet at the Gresham Speedbowl Sunday afternoon and promises to be a real threat to Pacific coast topnotchers who are scheduled to participate.

With Leverett in the battle the field is the most impressive array of speed demons ever lined up for a northwest track. Leverett is considered one of the cleverest drivers in the game and is expected to give plenty of hot competition to such west coast stars as Mel Kenesly, Jimmy Wilburn, Roy Enstrom, Johnny McDowell, Woody Woodford, northwest champion last year, and Louis Webb, who led the point-carriers in the 1935 northwest race.

The same opinion—that Stanford will win on the Pacific coast again—was brought back by Otto Klum, University of Hawaii coach, whose team defeated California in a post-season game last year. Klum said he noted a growing opinion that California will be formidable this year, and said there seemed to be widespread support for the new coach, Stub Allison.

## Lost Confidence Held Responsible for Slump Of Club by 'Big Train'

New York, July 13 (AP)—I walked into the Cleveland Indians' dressing room five minutes after they had been taken 5 to 2 by the Yankees and asked the sawed-off fellow with the limber bottle in his hand where Johnson was.

He said Johnson was taking a shower but his locker was right over there by the door and I could wait for him if I wanted to.

Then Walter came in from the shower, a 6x8 towel wrapped around a middle that isn't what it used to be. His face was lined with worry, and his shoulders sagged like those of a tired man.

"Wanta see me?" he asked as he slapped his back with the towel. "Yeah."

"What about?" "About your ball club. What's the matter with it?"

"Just one thing," he said. "Can't win any ball games. And the more we lose the more hopeless we get. Kids can't come back from a licking. They lose their confidence. And we have got a kid club. Look around and you'll see what I mean. They look licked, act licked. But there's one consolation. They come out of a slump quick as they go in. A week from now maybe you wouldn't know this team. A couple of base knocks here and there, a couple of good pitched games and they'll go."

Did Walter think his club was good enough to win the pennant? "Damn if I know. Lord knows it wouldn't take any hell of a great team to take everything in the American this year. There isn't a really strong team in the lot. The Yanks aren't much. They're getting sweet pitching, but let the fingers slump a little and the Yanks will go down hill in a hurry. Their outfield is lousy, and Gehrig isn't his self at all. Still, they're beating us, so I guess I haven't any right to run 'em down."

What about the Tigers? "I guess they're the best of a sorry lot. I don't think they're much of a ball club, but they've got a great manager in Cochrane. And a great catcher in Cochrane, too, and that's what makes a club. Give me that Dickie of the Yankees, or somebody as good as he is, and we'd be up there on top."

## SALEM PEOPLE WILL MOVE ACROSS RIVER

West Salem—Mr. and Mrs. C. W. Davis who resided at 1146 North Commercial street have purchased property numbered 1254 on Third street where they are now located and expect to make their permanent home.

Mr. and Mrs. R. L. Turley and family of Salem have also purchased property on Third street at 1255 where they are getting nicely settled.

Mr. and Mrs. John Crabtree have moved from their Elm street residence to an acreage in the Liberty neighborhood.

The Darrell Bradford family who had to move from Gertrude avenue on account of owners returning and waiting possession, are now located at 1399 Franklin street.

Annville—Miss Della Forgy of Chicago has been a recent visitor at the home of her parents, Mr. and Mrs. Wm. Forgy.

## TIGERS AGAIN INSPIRED BY COCHRANE FIRE

(By the Associated Press) Just about a year ago the Detroit Tigers, who had begun to manifest their power to come from behind with a "never-give-up" spirit and pull apparently lost games out of the fire, forged into the American league lead and went on to win the 1934 pennant.

The 1935 edition of the Tigers, while still a game and a half behind the Yankees again have caught Mickey Cochrane's idea and if they aren't headed for another title seem sure to make it a two club race with the other prospective contenders looking on from behind. The Tigers didn't have to come from behind often during their recent ten game winning streak which carried them out from fourth place but they frequently did their big scoring in the late innings.

After spotting the Senators a big lead Wednesday and falling by one run to tie the count on a ninth inning rally, the Tigers won out in the ninth the next afternoon and yesterday gave the Senators the first run in a tight pitching duel between "General" Al Crowder and Ed Linke then came back to win 3-1.

Crowder, a former Washington pitcher, was touched for four hits in the first two innings then gave only one in the last seven while Detroit tied it up in the fifth with the aid of a Washington error and scored the odd run in the eighth when Pete Fox and Hank Greenberg paired two of the eight hits off Linke.

The Tiger triumph failed to restore the Yankees' lead as the New Yorkers bowled over Cleveland for the second time in succession and the eighth in 13 encounters this season, 5 to 2.

Home runs by Frank Crosetti and Lou Gehrig gave the Yanks the lead and they held it while Red Stuffing and Monte Pearson pitched on almost even terms.

Friday's results: American: Washington 1, Detroit 2; Philadelphia 9, St. Louis 5; New York 5, Cleveland 2; Boston 2, Chicago 13. No National games.

Twenty-two public school boys of England are making a tour of Australia.

## Angler Catches Beaver by Ear

Yakima, Wash., July 13 (P)—Angler James Hume was eager for this one to get away, even at the expense of knowing needs from skeptics who might hear the tale.

Hume cast at a splash in the Naches river and snagged a baby beaver by the ear. He landed it, but quickly released it, to save his net and himself from sharp young teeth.

## SCHMELING TO BATTLE LOUIS

Berlin, July 13 (P)—Max Schmeling was on his way to from the woods today to sign a contract to battle Joe Louis of Detroit in a milk duct battle in New York in September.

Joe Jacobs, the German American manager, said yesterday that Schmeling, on a hunting trip, called him by telephone and agreed to meet the dusky bomber who slugged Primo Carnera out of the heavyweight title picture recently.

Schmeling was under contract to Walter Hohenberg, European promoter, to fight Max Baer in Amsterdam, Holland, but the condition of Baer's hands threatened to prevent the engagement.

The German fighter, according to Jacobs, expressed confidence of defeating the sensational negro and going on from there to wrest the crown from Jim Braddock. Jacobs said he probably would get his fighter's signature for the bout Monday.

## Jefferson To Vote On Civic Society

Jefferson—A meeting is being called for Monday night at 8 o'clock at the Jefferson Review office for the purpose of forming a commercial club in Jefferson. Anyone interested in an organization of such a club is asked to attend.

Officers will be elected at this meeting and plans made for its active program.

Donald—Mr. and Mrs. J. W. Nilsen have sold their acreage here to a man by the name of Johnson from Portland, and are moving temporarily into the Denzel house. They expect to return to their old home in North Dakota where they still own a ranch.
