

REUNION OF RICKEY FOLK BIG SUCCESS

Rickey - Many old time Rickey residents returned home Sunday for the annual community and homecoming picnic which was held at Hager's Grove.

Mr. and Mrs. Charles Horner (Chessee Hunaker), who have not been in Rickey for 35 years, came the farthest distance. Their home is in Condon, Or. Mrs. Rosina Aumstutz and her daughter, Mrs. Melvina Aumstutz Doerfler, of Silverton had been away from Rickey longer than any former residents who returned.

Winners in the races and contests were: race for boys between 8 and 12, Edward Burton; race for girls between 8 and 12, Dellora Doerfler; boys cracker race, Calvin Courtinier; girls cracker race, Virginia Carothers; egg race for girls, Dellora Doerfler; sack race for boys and girls, August Malt; boys three-legged race, Orvil Mull and Calvin Courtinier; tug-of-war between the boys and the girls was won by the boys; ladies mail-driving contest, Mrs. George Malt; women's race, Mrs. Waldo Miller; and the coin hunt for children was won by Lloyd Crabb.

The ball game proved the largest attraction of the afternoon. At the end of the fourth inning it looked as if the game would be a walk-away for the Maclacy team, and that the Rickey team would be merely present with little chance to win—the score standing at 1-11 in favor of the Maclacy team. At the beginning of the fifth inning the Rickey team, which had not practiced together, but was a pick-up of former and present Rickey residents began to rally, and at the end of the game the score stood at 19 to 17 in favor of Maclacy. When Virgil Genser, former pitcher for the Rickey wild-cats, a Rickey team, which several years ago traveled about the county, winning most of its games, replaced Hooper, the pitcher, Maclacy's hits numbered few and Rickey's score began to make a showing.

These present for the picnic were: Mr. and Mrs. George Hager, Anita Fae Hager, Mr. and Mrs. J. C. Lehman of Molalla, Mr. and Mrs. Floyd Beard, Bary Tetterington, August Malt, Raymond Beard, Bobbie Malt, Norman Evans, Jim Hilborn, Mr. and Mrs. N. W. Hilborn, Leland White, Mary C. TESTS GIVEN AUTO DRIVERS

Silverton—An interesting and instructive place to spend a half hour is at the city hall when the examiners from the operators division of motor vehicles are on the job.

Between 25 and 30 applicants for license to operate auto vehicles were considered Tuesday. During the forenoon six renewals made the grade, six making original applications were turned down and two originals were accepted.

The reason for the failures to pass was their not having read or studied the law and had not contemplated the driving test explanations. A few that had sent in their applications by mail had made mistakes and these had to be corrected.

Conducting the examinations Tuesday were Col. William A. Aird and W. Carr. They strongly advised a careful study of the laws and the neat pamphlet that is put out by Earl Snell, secretary of state, designated as State of Oregon Motor Vehicle Operator's Manual, which is secured on request. All license should be signed on the back of the card by the owner.

The owner of one car had to have his lights and brakes repaired before he could secure his license. Revocation of license has been largely for those proven to have been driving while intoxicated.

The examiners stressed remembering the change of law in regard to the right of way, since June 12, and insisted that signs be given definitely and at the proper time.
