

LOCALS

While visiting her grandparents, Mr. and Mrs. T. W. Davies, little Miss Barbara Jean Taylor fell late last week and broke her arm. The eleven-year-old miss was on roller skates at the time. Following her fall she was taken to a Portland hospital for observation. She has been moved to her home in Lake Grove.

Lost: Billfold between Salem and Jefferson, containing Southern Pacific pass. Return to Journal. Reward.

Townsend club, No. 4, advisory board, will hold a business meeting at the home of Mr. and Mrs. T. W. Davies, 941 North Cottage street, on Thursday night. All members and committees are urged to be present.

The Olinger kindergarten unit, under the direction of the SEPA, has an interesting display at Shipley's store on North Liberty street this week. Articles on view were made by children between the ages of 3 and 6 years under the direction of Miss Beattie Shinn. The variety of articles made show originality and adaptation of resources found in the average home. Toothpicks, bottle tops, corks, seeds, match boxes, paper wrappers and similar articles are used by the young folk in their construction of articles.

Hill's Wimpy Hamburgers, N. Cap.

E. M. Croisan has filed complaint for strict foreclosure on a real estate contract against Henry Ernest and Ellamae Smith.

Carey Deter has filed complaint in circuit court against the New York Life Insurance company to collect money he alleges is due him on a health insurance policy, claiming that he became permanently disabled from a heart affection on October 1, 1934.

Evert Givens returned from vacation. Bonnie Dee Beauty Shoppe, 190 N. Liberty. Haircuts 25c, 35c, 100.

Edith Anne Ogden has filed suit for divorce from John Ward Ogden whom she married in Tillamook county March 3, 1934. She alleges cruel and inhuman treatment among other things charging that the husband neglected his family obligations to devote his time to playing a guitar, a mouth harp and tinkering with a home-made radio. She also charges him with making false accusations as to her conduct and says also that he flew into rages.

Eckerlen's famous Crawfish, 199.

Dr. P. O. Riley will lecture to members and others interested following the regular business meeting of the Chemawa garage Thursday evening. His topic will be "Current Laws as Affecting Rural People."

The scheduled meeting of the Sewing club for this week has been postponed.

Ice. Prompt residence delivery. Also Crusted Ice and Cold for ice cream. Capital Ice & Cold Storage Co., 569 State St. Phone 5633. 193.

For the week ending August 17, a low point in the number of communicable diseases in Marion county was reached, according to the report of the state board of health. During the week five cases of mumps were reported, two each of scarlet fever, whooping cough and tuberculosis, and one each of pneumonia and chickenpox.

Broken lens replaced. Fast service. Stevens-Brown, 184 N. Liberty. 190.

The first rounds of the horse show tournament being sponsored by the Olinger field playground got under way Wednesday afternoon. Harold Olinger, director, announced. The tournament is open to all and participants will be entered according to their classification. Each player in his own division will play every other member. Later on a championship series will be played.

Salem Bottled Beer for the home. Pale or Golden. Dinty Moore. Phone 8054. 193.

Order has been signed in circuit court in the divorce case of Helen R. Bondell against George J. Bondell granting her \$5 a week for support of herself and minor child.

Effort is being made in a motion filed in circuit court in the case of Virginia Witzel against Alwyn Witzel to have set aside an order providing for payment of \$49 a month for support of three minor children. The motion states that the records show no motion to support the order and consequently it is not valid.

High grade home furniture auction. Thurs. 1:30, 433 S 17th. 199.

Decree to quiet title has been granted in the case of Anne June Meeks against G. S. Paxson.

Approval of the final account of George H. Riches as administrator of the estate of Lela R. King has been granted in probate.

Final hearings have been set in probate on the estate of Emma Rocque, September 19 and T. A. McKee, September 21.

Moving service, packing. Ph. 8111. 189.

Building permits recorded today were: Mark Skiff, to alter a two story store building at 423 Court street, \$390. Glenn Rice, to re-roof a 1 1/2 story dwelling in Oaks addition, \$45. Mabel E. Woodfield, to repair a two story dwelling at 2010 Nebraska, \$150. E. S. Lampport

ROGERS INHERITANCE TAX NEARLY MILLION

Los Angeles, Aug. 21 (AP)—State and federal governments may claim almost \$1,000,000 in inheritance taxes from the estate of Will Rogers, cowboy comedian and humorist, it was learned today.

Figures were compiled by state inheritance tax officials who were asked to figure approximate taxes on the estate, which is estimated at about \$5,000,000. They computed taxes as \$513,570, of which \$237,270 would go to the state and \$276,300 to the federal government.

The estimate was made on the basis of community property, or that earned since Rogers' marriage. One-half of the total would be exempt from taxation, the taxable amount being about \$2,500,000.

If the estate were not community property taxes would total \$2,296,170, or about 46 percent, it was said. Of this amount the state would get \$487,270 and the federal government \$1,808,900.

\$42,000,000 PAID ON A. T. & T. SHARES

New York, Aug. 21 (AP)—American Telephone & Telegraph company directors today authorized the usual quarterly dividend of \$2.25 on the capital stock, which calls for a distribution of about \$42,000,000 among the company's 675,000 stockholders.

One of the few important industrial concerns to go through the depression without lowering its dividend, American Telephone has an unbroken record since 1921 or 89 annual disbursements to stockholders. In each year since 1930 the company has had to draw upon surplus to pay a part of the dividend, but in spite of this policy it had cash reserves of more than \$250,000,000 at the end of 1934.

If telephone installations and earnings the trends have been upward more than a year, but revenues, according to recently published figures, are still short of the \$9 dividend requirements. For the five months ended May 31 the company's proportion of net income of the Bell system was \$50,770,000, equal to \$2.72 a share of capital stock, against \$50,045,000 or \$2.63 a share earned in the first five months of 1934.

The dividend is payable October 15 to stock of record September 16.

FLUE FIRE STARTS BLAZE IN TIMBER

Bonneville, Ore., Aug. 21 (AP)—A flue fire raged a home at Eagle Creek and spread to surrounding timber, threatening a settlement of 26 houses, before being controlled late last night.

Mrs. J. C. Johnson and Mrs. Martha Henson, awakened by the heat and smoke, escaped the building which burned rapidly.

Rangers from the Eagle and Herman creek stations and a night crew working on a nearby road checked the spread of flames which started in nearby timber.

GIRL INSANE FROM CRIMINAL ATTACK

Portland, Ore., Aug. 21 (AP)—A 24-year-old Hood River, Ore. woman today had been committed to the state hospital for the insane at Salem as a result of a brutal criminal assault July 6.

She became violently insane at Multnomah hospital Tuesday and Merle Hotchkiss, agent of the probate court, ordered her sent to the institution. She had been in the hospital in critical mental and physical condition since the attack.

Four youths held under \$30,000 bail each for attempted criminal attack on a 19-year-old girl were suspected of the assault.

ETHIOPIAN SUBJECTS ANSWER HAILE'S CALL

Thousands of Ethiopian warriors, fearful of Italy's invasion, have answered Emperor Haile Selassie's call to arms. One such group, rallying around the "King of Kings" in Addis Ababa, crowded the streets for blocks, extending back through the archway (above). (Associated Press Photo)

66-YEAR-OLD MARRIES GIRL, 16

Charles Featherly, 66, and Marie Schelf, 16, planned to marry in Chicago. He said he first met her when she was a baby, and that he used to bounce her on his knee. (Associated Press Photo)

ADD 200 WORKERS BONNEVILLE DAM

Bonneville, Ore., Aug. 21 (AP)—About 200 more men will be added this week to construction work on the Bonneville power and navigation dam, officials of the Columbia Construction company said today.

The announcement followed arrival of a trainload of construction men from Boulder Dam. The Columbia Construction company, largest Bonneville dam contractor, is expected to have a payroll peak here of 2500.

BODY OF SALEMITE FOUND AT LANGLOIS

Port Orford, Ore., Aug. 21 (AP)—The body of Herman H. Robertson, 45, Salem, was found in back of a schoolhouse at Langlois, north of here, late Tuesday. Search for the man was started when he had not been seen since Saturday. Robertson had been visiting an aunt in Langlois.

Physicians said the man died of natural causes.

The time keeper's office of the Oregon Pulp and Paper company, where Robertson was employed for some time, said although he had been carried on the payroll for several months he had not been working because of ill health. Nothing was known at the paper office concerning his family connections.

A marriage license has been applied for by Robert F. Webb, 20, and Dorothy Range, 19, housekeeper, both Silverton.

Joseph B. Felton, guardian of Waldo A. Ness, has been authorized to loan \$1100 in funds of the estate to William Trimble, Jr., based on a real estate mortgage as security.

FILM COLONY TO PAY ROGERS FINAL TRIBUTE

(Continued from page 1)

dians from Oklahoma to hold a tribal service for Rogers, who was proud to claim blood relationship to the race, awaited approval of Mrs. Rogers.

The body of the beloved Rogers, returned here last Monday in company with his flying-companion, Wiley Post, was dressed in characteristic fashion—blue serge double-breasted suit, white shirt, soft collar and black bow tie—the familiar outfit in which he attended elaborate dinners of state and informal "cowpuncher" gatherings alike.

A military guard of honor, composed of two score army fliers from March Field, home of the first wing of the general headquarters air force, will attend the casket of Rogers at the first of several observances to be held tomorrow.

For the first time in the history of the motion picture industry, every studio in Hollywood will cease all activity at 2 p. m. tomorrow as special services in honor of the dead co-worker are held.

And while private services, with only members of the family and a selected group of intimate friends in attendance, are held at Forest Lawn, thousands will gather in Hollywood Bowl for services in which every city in the Los Angeles metropolitan area is represented.

Conrad Nagel, actor and close friend of Rogers, will read a selection, and Rupert Hughes, noted writer, will deliver the chief eulogy.

During the morning, until noon sharp, gates of Forest Lawn will be opened and countless friends and admirers of Rogers will be permitted to file by the flower-laden casket, placed under the pine trees just outside of the Wee Kirk O' the Heather chapel.

Oklahoma City, Aug. 21 (AP)—Three thousand persons who formed an unbroken line before a funeral chapel here today paid their respects to Wiley Post.

The crowd gathered at the chapel before sunrise to honor the famed aviator who died in a plane crash near Point Barrow, Alaska, with Will Rogers, his companion on a leisurely vacation three hours.

For several hours the line passed silently by the bier. At the request of two aviator friends, Billy Parker and Joe Crosson, the procession was stopped two hours before the body was taken to Maysville for rites at the victim's boyhood home.

Crosson, the Arctic "mercy flier" who piloted the plane that brought the victims back to the United States from Alaska, explained further homage could be paid when the body lies in state at the capitol tomorrow.

Before sunrise a group of laboring men clad in overalls gathered at the chapel. The body was taken from an upstairs room in the funeral home to a large chapel. Later office workers, clerks, housewives and business men joined the crowd.

Post's body rested in a large bronze coffin. Behind it was draped an American flag. At 11 a. m. the body was to be taken to Maysville where it will lie for two hours in the landmark Missionary Baptist church. All the pews of that church had been moved out to accommodate the crowd. Later today the body will be returned to Oklahoma City for final rites tomorrow.

BLACK SPIDER BITE FATAL TO VICTIM

Turlock, Cal., Aug. 21 (AP)—The first death here from a Black Widow spider bite this season was on record today.

Pete Ellis, 56, of Atwater, died at the Lillian Colston hospital yesterday from the bite of one of the poisonous insects. He was brought to the hospital for treatment Sunday but his condition did not become critical until late Monday.

Nineteen other persons have been treated by Turlock physicians this year for similar bites. They all recovered. Physicians said Ellis apparently lacked the strength to throw off the poison.

Bids Called for on 99 New Postoffices

Washington, Aug. 21 (AP)—The treasury today called for bids for 99 postoffice sites under the new \$60,000,000 federal building program.

The bids will be received at the postoffices in cities where new sites will be chosen. The cities and date on which bids will be opened included:

Oregon—Portland, Ontario, September 4; Idaho—Payette, September 5.

Default judgment for \$2968 and \$100 attorneys fees has been filed with the county clerk in the case of W. D. McNary against A. C. Lauer.

REED TO COMPETE IN COLUMBIA SWIM

Jim Reed of Salem will compete for the major trophy in the cross-Columbia swim, which is to be a feature event of the 1935 regatta at Astoria, says an announcement made from that city.

Reed made the swim last year in an exhibition with Wally Hug, also of Salem. Reed believes he can cut a half hour off the time he made then. Reed is said to be in fine condition for the marathon.

The first woman to enter the cross-Columbia event is Laura Couch, 18 years old, of Ilwaco. She is an experienced swimmer, and all summer has been making long-distance swims in the Columbia.

HOUSEWIVES MARCH ON PACKING PLANTS

Chicago, Aug. 21 (AP)—A delegation of Detroit and Chicago housewives marched on the stockyards today demanding of the big meat packers a 20 percent reduction in prices.

They threatened a city-wide meat strike if the reduction was not forthcoming. The delegation assembled in a second floor lodge hall a few blocks from the stockyards and mapped plans for their campaign.

Many of the women said they are depending on relief for a livelihood. The packers contend that meat prices are beyond their control and are governed by the laws of supply and demand. They contend the "strike" movements are sponsored by communist organizations.

PRESIDENT HOLDS WATERWAYS BILL

Washington, Aug. 21 (AP)—Bearing the stamp of senate approval, the omnibus \$614,000,000 rivers and harbors bill was at the White House today for President Roosevelt's signature.

Congressional action was completed yesterday when the senate accepted a conference report adjusting differences between the two houses.

The works measure authorizes expenditure of PWA and other funds for several hundred projects already started or about to start. It also makes possible resumption of work on Parker dam on the Colorado river which the supreme court halted pending congressional approval of the project.

Improvement projects costing \$421,512,907 already have been authorized for \$288,020,549 from the PWA. Among projects validated was the \$63,000,000 Grand Coulee dam project on the Columbia river.

MARSHFIELD PLANS BUNYAN BLOW-OUT

Marshfield, Ore., Aug. 21 (AP)—Marshfield today prepared to greet a lengthy list of state dignitaries who will arrive Thursday and Friday to participate in the city's three-day Paul Bunyan celebration.

Heading the list will be Governor and Mrs. Charles M. Martin who will arrive Thursday to be guests of Homer Bunker, president of the Coos Bay Lumber company, and the city of Marshfield.

Governor Martin will be honored at a luncheon Friday noon, will award prizes at a water regatta and deliver an address at the city's new Paul Bunyan park.

Other state officials who have accepted invitations are Secretary of State Enell, State Treasurer Holman, R. H. Baldock, chief highway engineer, and Henry F. Cabell, chairman of the state highway commission.

UPJOHN URGES NECESSITY OF NEW SCHOOLS

Declaring that the investment of approximately a million dollars in the construction of school buildings would be one of the most valuable and one in which they would get extreme pleasure in years to come, Don H. Upjohn, local newspaperman and president of the Lincoln Parent-Teacher association, appealed to members of the Salem Rotary club to get behind the movement to vote some \$600,000 in bonds with which to construct a new high school, a new grade building and additions to Leslie junior high.

The action of the Public Works Administration in fixing September 16 as the deadline for the filing of applications for government grants, was an indication, Upjohn said, that the end of the federal construction program was in sight.

Taking up the question of the advisability of building an entirely new senior high plant, as opposed to the remodeling of the structure now in use, Upjohn presented figures showing that a building to accommodate 2200 pupils would take care of the increase in students for the next decade. Reconstruction of the present building would mean something else would have to be done at the end of a five year period.

The addition of an auditorium, gymnasium and additional class rooms at Leslie would merely take care of a moral obligation the citizens of the district owed the south part of the city, Upjohn declared. He pointed out that the additions were contemplated when the original bond issue of \$500,000 was voted some years ago. Twenty five thousand of the original bond issue remains unexpended.

Replacing the two old wooden buildings would be accomplished through the construction of a central grade building in the vicinity of Bush's pasture.

MUSEUM WANTED IN NEW CAPITOL

Corvallis, Ore., Aug. 21 (AP)—In an effort to obtain more coordination between county planning committees and the Willamette valley projects committee, the latter body at an executive session Tuesday voted to invite members of the county bodies to attend periodical valley committee meetings.

The valley committee approved 11 projects in Benton, Columbia and Linn counties. Construction of school buildings in Albany at an expenditure of about \$180,000 was endorsed for Linn county.

The committee approved and sent to the state planning board a proposal that space in the new capitol building be set aside for a state resources museum. The proposal was submitted by H. J. Smith, Marion county.

Washington, Aug. 21 (AP)—The works measure authorizes expenditure of PWA and other funds for several hundred projects already started or about to start. It also makes possible resumption of work on Parker dam on the Colorado river which the supreme court halted pending congressional approval of the project.

Improvement projects costing \$421,512,907 already have been authorized for \$288,020,549 from the PWA. Among projects validated was the \$63,000,000 Grand Coulee dam project on the Columbia river.
