

HOT LUNCHEON PLAN IS AIDED THRU BENEFIT

Monmouth—The lunch fund for the Monmouth training school has been enriched by \$100. The amount represents the sum total of the receipts garnered at the second annual school benefit and insures the continuity of lunches being served gratis to the nearly 100 pupils who avail themselves of the opportunity for a warm mid-day meal.

The affair, held in the I. O. O. F. hall, was largely attended and centered around an old fashioned pie social with P. Schweizer and O. C. Christenson doing duty as auctioneers. The sale of home made candy and the concluding feature, dancing, contributed to the fund, which the sponsors feel is a creditable showing for one evening's entertainment.

The benefit was given under the auspices of the Elkin's Woman's club. Lending able assistance to the affair, for which the club members are duty grateful were the following civic groups: Monmouth chamber of commerce; Agate Rebekah lodge; American Legion and auxiliary; Civic club; I.O.O.F. lodge No. 204; Busy Bee club and teachers and patrons of the school.

A much enjoyed program in harmony with the spirit of the evening combined to enhance the event. A group of Oregon Normal girls opened the program with instrumental music; Dorothy Reynolds told a story in rhyme; the fourth and fifth grade pupils put on a skit; Ella Schweizer sang; Isabel Hammon appeared in a tap dance; Mr. and Mrs. Elifson, skits; ninth and eighth grades, topsy-turvy; seventh and eighth grades, folk dancing; Gertrude School, reading, and in conclusion the Normal group of girls again furnished instrumental music.

Guild's orchestra of Independence provided music for the dancing.

Don't fool around with a cold. It's dangerous. Take Grove's Laxative Bromo Quinine. It usually puts a quick end to Mr. Cold because it does four things. It opens the bowels, combats the infection and fever in the system, relieves the headache and grippiness feeling and tones the system. At all drug stores.

"Camels never get on your Nerves"

STEADY SMOKERS SAY

Willie Hoppe, champion of champions, and most famous personality of the billiard world! Mr. Hoppe has learned that cigarette mildness is essential to one who prizes healthy nerves. He says: "Championship billiards call for healthy nerves. It was a happy day for me when I turned to Camels. I can smoke them all I wish and never have 'edgy' nerves. I have smoked Camels for a long time, and I want to compliment them on their mildness. It must take more expensive tobaccos to give that special Camel flavor I like." You, too, will find a new delight once you turn to Camels. They never get on your nerves...never tire your taste.

Costlier Tobaccos!
Camels are made from finer, MORE EXPENSIVE TOBACCOS—Turkish and Domestic—than any other popular brand.
(Signed) R. J. REYNOLDS TOBACCO CO.
Winston-Salem, N. C.

Recently returned from the Upper Surinam River, Dutch Guiana, Mrs. William LaVarre, girl explorer, says: "My husband and I are devoted to Camels—took them with us on our expedition. Smoking Camels steadily, I find, does not affect one's nerves."

Lt. Commander Frank Hawks, U. S. N. R., holder of 214 speed records, says: "I've been flying for 19 years and smoking Camels almost as long. Breaking speed records tests the pilot's nerves as well as his plane. Camels are so mild they never upset my nerves."

This is Margaret Ellen Nichols, expert newspaper woman. She says: "Newspaper work involves lots of strain. I smoke all I want, because Camels never bother my nerves. Camels have a mild, pleasant flavor—entirely different from any other cigarette."

JUDGE!
—Who am I?

Only yesterday Ansel Kellogg could have answered the girl now pleading hysterically before him, could have said: "Why, Anne, you're Luke Farnsworth's daughter. His big fisheries will be yours after he's gone."

Today, after the reading of Luke's inexplicable will, he could only say: "We'll find out some day."
