

BEARCAT MIX SCHEDULED FOR FRIDAY AFTERNOON

REGULARS WILL WORK AGAINST WHITMAN PLAYS

Willamette university regulars will be given a sample of what they may expect Thanksgiving day at Walla Walla, when they line up Friday afternoon at 3 o'clock against an aggregation of former wearers of the cardinal and gold headed by Keith Jones and Mike Balkovic. The game, while billed as an exhibition affair, will likely develop into a real battle since the oldsters have been making boasts about the manner in which they will show up the 1935 edition of Willamette football. The Jones-Balkovic aggregation will probably be augmented by members of Coach Keene's squad, including Russell, a left handed passer who is scheduled to make grid history before he completes his competition at Willamette. Whitman uses a left handed passer and as a result Russell's efforts will be watched with considerable interest.

In practice this week the Bearcats have been going great guns, the blocking and tackling being particularly effective. Tomorrow's scrap is expected to put the finishing touches upon the team for the Thanksgiving day affair.

HOBBSON MAY TAKE HOOPSTERS SOUTH

University of Oregon, Eugene, Nov. 21—The University of Oregon's varsity basketball prospects for 1935 began to take more definite shape this week as Howard Hobson, new Webfoot mentor, started experimenting with various combinations in the hope of uncovering his strongest five men.

Hobson has confined early workouts for the 28 candidates strictly to fundamentals and not until this week did he begin to demonstrate the various formations to be used this season.

A busy pre-season schedule of games is being arranged by Hobson. Contests have been tentatively billed with outstanding independent and non-conference quintets in the Northwest. A tentative tour of California during the Christmas holiday period, less than a month away, has also been listed before the Oregon eagles open their conference playing season January 13 against Idaho at Eugene.

UNDEFEATED BUCKS DOWN SEAHAWKS 2-1

Seattle, Nov. 21 (AP)—The undefeated Portland Buckaroos measured the Seattle Seahawks, 2 to 1, at Ice Arena last night with Andy Altkenhead, Portland goalie, the big acclaim of the night.

The defender of the Rose City nets turned back 24 puck shots.

The only Seattle score came in the third period when Player-Manager Art Cane passed to Dave Gilhooley, who tallied neatly.

Calgary, Alta., Nov. 21 (AP)—A one-goal tie was turned into an overtime win when Calgary beat the Edmonton team, 3 to 1, in a northwestern hockey league game here last night.

Lack of Walking Cause of Injury

Colorado Springs, (AP)—Russell DeFries, former Colorado College lineman, injuries he knows why knee injuries are so common in football.

"The players don't get enough walking," he says. "They ride to and from the gymnasium and don't get the benefit of pavement-pounding." The result, DeFries said, is that knee joints are less tough and give way more easily when a player is hit.

Silverton Will Close Shop for Big Football Game with Woodburn Hi

Silverton—All town business houses are to close for the biggest football game of the year on the home field Friday. The Silver Foxes will meet the Bulldogs of Woodburn. This ends the football games of the season.

Although Silverton has only one defeat, that from Lebanon, this season of league play, and a walk-over from Woodburn is not contemplated, yet this game is the climax of all for the Foxes as they are looking for a score of 6 to 0 of last year that was not so good.

Woodburn has a light fast team and are out-weighted by the host team. In Woodburn's strength lies their lateral, reverses and passes and they have kept their opponents guessing in previous games of the year.

This will be the last football high game for a group of senior players including Sawyer, McKenzie, A. Canoy, Holland, Overlund, Seelye and Vaughn.

STOVE LEAGUE COOLING OFF

Dayton, O., Nov. 21 (AP)—Baseball's hot stove league was not so hot today. Deals were being made at the minor league meeting here, there was evidence of that in the whispirings of club managers in huddles, but the information was being kept under cover.

Oscar Vitt, formerly with Detroit, Cincinnati and Boston Red Sox, is the new manager for Newark of the International league.

Vitt managed the Oakland club of the Pacific coast league last season. Bill Meyer, manager of the Birmingham club of the New York-Pennsylvania league, will replace him at Oakland. Both Oakland and Newark are New York Yankees farms. Bob Shawkey piloted Newark last season.

St. Paul purchased Pitcher Art Herring, a right hander, and Outfielder Henry Steinbacher from Sacramento of the coast loop.

HUSKIES TAPER OFF WORK FOR OREGON TILT

Seattle, Nov. 21 (AP)—The Washington Huskies' heavy work for the Oregon game ended today with a short practice.

Jimmy Cain, halfback, remained on the side lines when the last scrimmage was held. He said he expected to play in the Oregon game, despite a fractured rib.

Coach James Phelan spent considerable time touching up the aerial work of Frank Waskowitz and Byron Haines. Ed Nowogorski's fullback position was filled by Homer Tipton.

Dick Johnson replaced Ted Markob at one of the ends.

25 SALEM HIGH PLAYERS MAKE DALLES TRIP

Eugene, Ore., Nov. 21 (AP)—The University of Oregon football players dashed through their final heavy practice of the week yesterday and will leave this afternoon for Saturday's game against University of Washington.

The eager Webfoots looked like anything but the underdogs they are rated, and appeared uncowed by the huge Husky line.

Dale Lasselle, ace passer and shifty ball carrier, will start at left half for Oregon despite the return to form of Bud Goodin.

The Oregon squad hoped its jinx over Washington would function again this year after a reversal in last year's classic.

Selassie's Offer Accepted by Al

The former governor, who bears the title of honorary night superintendent of the Central Park zoo, said last night he even has drafted a message to the Ethiopian ruler. It reads: "Dear Haile: Send 'em along. Yours, Al."

25 SALEM HIGH PLAYERS MAKE DALLES TRIP

Approximately 25 players, all members of the squad who are able to play, will leave with Coach Hollis Huntington Friday morning for The Dalles where they will meet the Indians during the afternoon.

Curry and Gibson, linemen, will be left at home since they are not in condition to play. Oglesby, tackle, will make the trip although it is probable he will not be in the starting lineup. He is nursing a tender shoulder. Brady will probably be given the starting position.

The local squad went through a well organized and peppy practice session late yesterday and if they perform in a similar manner at The Dalles, it is likely the mid-Columbians will have their hands full despite published reports that Salem is to be taken on in stride.

Last season Salem eked out a 14 to 13 decision over The Dalles. Salem will conclude its 1935 season on Sweetland field Thanksgiving day, meeting Corvallis.

PARRISH JUNIORS PLAY MIDGET 11

"GOOSE-PIPPLES? . . . I used to have them as big as lemons! My skin felt as rough as sandpaper from Fall till the first of Spring. But that was before I got hep to HANES. I'll never forget my first suit. I pulled it on and buttoned up, and it felt as soft and warm as could be. I'm telling you those HANES people know their knitting. They're not a bunch of knit-wits. They make that cloth so elastic, and so true to your trunk and chest-size, that it stretches and gives with every move you make! I've never even had it cut in the crotch when I bend over to lace my shoes. I know I'm hot for HANES . . . HANES makes it hot for me!"
