

DISTRICT CLUB LEADERS MEET; PARTY PLANNED

Turner—A meeting of all 4-H club leaders in this community, was held in the high school auditorium, and plans were made for a Christmas party to be given the evening of December 18. Members of the seven clubs of this district and their leaders will participate in the seasonal festivities. The club members will exchange names, and each will be remembered with a small inexpensive gift. All girls in 4-H club work will bring the refreshments of punch, sandwiches and cookies. The boys will help supply the paper plates.

For the entertainment during the evening each club will furnish some original stunt. A group of lively games will complete the party. Leaders present at this meeting were Mrs. Stanley A. Riches, Mrs. O. W. Jefferson, Miss Bernadine White, Miss Rachel Riches and Miss La Verna Whitehead.

The organization of the seventh 4-H club in the Turner community materialized this week, under the leadership of Mrs. O. W. Jefferson. This will be girls camp cookery club and the next meeting will comprise election of club officers and committee appointments. Members taking part in the project are: Ruth Rawlings, Dorothy McCully, Betty Van Santen, Laverne Whitehead and Rachel Riches. The latter two club members are both leaders of other clubs.

Plans were discussed for the coming 4-H club Christmas party December 18. Hazel Peterson was elected chairman of the program committee. Peggy Van Santen has signified her intention of competing in the Dollar Dinner, a new project this year in 4-H club work. Because of play practices the club adjourned early. The Kleevers Kooks will not hold another meeting this year. However these little cooks expect to accomplish many things during the coming year.

The Boys Handicraft 4-H club met with their director, George Brower, in his work shop for several hours of construction on the projects in hand. Salt boxes and footstools are being made and will be sold to buy new materials. Later when the young carpenters have had more experience, they will construct porch boxes, benches and garden latices for sale. Robert Ball and Stanford Prather, Jr., are to get a tree for the joint 4-H club Christmas party of seven club groups and their eight leaders.
