WATERSHED OPTIONS ARE BEING RENEWED

Silver Falls — Many options are being renewed by government officials of the Silver Creek watershed project and a few new options have been secured. The majority of the options are being renewed for a 30 day term. To date, only one acreage has been purchased and a few property owners have indicated desire for government aid in the selection of other property for relocating. The project includes nearly 15,000 acres surrounding the 1200 acres at present constituting the state park.

Greeting the many early-year visitors at the state park here is the newly completed lodge near the main south falls. A huge rock-faced fireplace was recently completed in the building. A drinking fountain at the west end of the building will be added later. Plans for a community kitchen near the lodge are being arranged, work being done through the local youths' CCC camp.

CITY OFFICERS DALLAS CHOSEN BY COUNCILMEN

Dallas —The city council held it's first regular meeting of the year Monday night with Mayor Lief S. Finseth in the chair. Business transacted included the election of Oscar Hayter as city attorney, Walter G. Vassall as city treasurer, Bernard Petre as city marshall and Dave Warren as city street commissioner. Walter L. Young was again named as Fire Chief, Dr. W. L. Pemberton as city health officer and E. J. Page as city wiring inspector.

The regular standing committee including finance, streets, ordinance, health and police, and fire and water remain as they were. No change was made in the personnel of the park board nor in the boxing commission. R. R. Turner was named on the Library Board, his term to expire December 31, 1939, and W. L. Young was named as chairman of the ambulance commission, his term to expire December 31, 1938.

The mayor's annual message, delivered extemporaneously, touched on the progress made during 1935 and the very satisfactory condition of the city financially. The bonded indebtedness at the present time amounts to $89,463. Of this amount $78,000 is in water bonds, $6000 in general obligation bonds and $10,863 in Bancroft bonds. The reduction of the city's bonded indebtedness since January 1, 1932, amounts to $89,246 as the books on that date showed $197,709 against the city. The water commission's latest report shows that since December 1, 1935, six more bonds, each of $1000 denomination, have been retired. Other business transacted was of a routine nature and covered the payment of bills and officers' reports for the past month.

CATHOLIC MEN GET TOGETHER IN COMMUNION

Mt. Angel—The meeting of the Holy Name Society held in the St. Mary's school was well attended, about 100 men being present. Thirty-four candidates applied for membership.

Formal reception of the new members will take place at the 8 o'clock Mass next Sunday. During this Mass the members of the Holy Name Society will receive Holy Communion in a body. On this same day several hundred thousand Holy Name men throughout the United States will go to the Sacraments.

At the meeting, P. N. Smith, president, assisted by the secretary, Wilbert Aman, presided. All the officers were present. Father Alcuin, Spiritual Director, spoke on the meaning of the Holy Name pledge in daily life. He explained the spiritual advantages of the society and ended his talk with a sincere appeal to the Holy Name men to assist in bringing people to the mission to be given in the Mt. Angel parish from March 29 to April 5.

Messrs. McCullough and Mason of Portland were two guests at the meeting. The former is the president of the Holy Name Society in Portland. McCullough came from the east some years ago and has become very active in Catholic activities. He spoke of Mt. Angel as the little Catholic City of the West. Jerry Mason favored his audience with a stirring address so characteristic of him when he is engaged in Catholic action. Father Alcuin and Smith expressed their appreciation to the two welcome visitors of their contribution to the occasion.

RIVERSIDE CLUB GIVEN PROGRAM BY UNIVERSITY

Riverside—Plays, readings, and music given by students of the University of Oregon, members of a group from Westminster House, Eugene, entertained an audience of approximately 250 persons at the community hall. James Bryant of Eugene, formerly a resident of this community, was introduced by Will Caldwell, chairman of the committee in charge of arrangements, and presided during the program offered by the Eugene young people.

Preceding the main feature of the evening was a children's program and Frances Miller had charge of this. Following the program lunch was served to the assembly and games were played. The committee in charge of the evening's program and lunch consisted of Mr. and Mrs. Will Caldwell, Mr. and Mrs. J. R. Crouch, and Mr. and Mrs. George Atkinson.

Riverside community hall stands unique among other community halls in the state because of the wide scope of uses to which it is put. The first Saturday evening in each month, summer and winter, Community club meetings are held; the second Saturday night monthly, dancing parties are held to which members and invited friends are welcome; the third Saturday nights are reserved for the Calumette grange, and the fourth Saturday nights are always taken up with "Play" parties where members of the community gather to play games and visit after enjoying a basket supper together. Sunday school is held every Sunday and the second Sunday in each month is "dinner day" and the Sunday school assembles to hold regular class hours before noon, a basket dinner at noon, and enjoy a sermon by a minister from Albany in the afternoon. In addition to these regular meetings the hall is constantly being used for banquets and special dinner parties and the Thursday club, a pioneer rural women's club, frequently holds meetings there. One of the recent turkey dinners served was to the Santiam Fish and Game club when 230 persons were guests.

Older Girls' Club Arranges Program

Salem Heights— A program has been arranged by the older girls of the community for the club meeting Thursday night. The program consists of short plays, musical numbers and readings.
