FEDERAL BOAT BACK IN BERTH

Independence—The government launch "Rickrell" which was stationed here during the high water was returned to Portland.

The boat was rushed here during the stage of high water to assist in battling the threatened destruction of the revetment work which was being submerged very rapidly and which was badly damaged notwithstanding all efforts to stem the tide.

Lewis "Bill" Critser, piloted the craft, with its 400-horsepower twin gasoline motors and stood by, giving all assistance possible during its stay here.

Before leaving for Portland a final survey of the revetment was made with Engineer Robert Stewart in charge, taking river soundings, photographs and other records of the project.

Tentative plans for repairing the project provide for placement of rock for riprap, and equipment to remove gravel from the adjacent hopyards.

PAID FIREMEN VOTE IS ASKED AT CORVALLIS

Corvallis—Corvallis voters will decide next Friday at the polls whether or not this city will have a paid fire department. On the same day local and state voters will ballot in a special election, deciding the future of four measures.

Locally, the vote on the fire department is the fulfilling of a measure passed at last session of the state legislature, requiring towns above a certain size to ballot upon whether or not a paid fire department shall be "kept." According to city officials, the fire department here, as is, has always made a fine showing.

TRACTORS DISCUSSED

Corvallis—Tractor operating expense was the main topic at the third annual discussion on tractor problems held Thursday on the Oregon State college campus. W. S. Averill, county agent, with the aid of the college agricultural engineering department sponsored this meeting, which is held for tractor farmers of Corvallis and vicinity.

Leading college instructors in this field answered questions and handled the discussions of various tractor problems. H. A. Schoth, associate agronomist, U. S. department of agriculture, spoke to the group at a noon luncheon in the Memorial Union on "Soil Conservation and Forage Crops."

ROAD BOOSTERS FIND RESULTS

Silverton—A stretch of road more than five miles in length on highways No. 74 and 75 from the Monitor road into Silverton by way of North Second street will be scarified and otherwise made ready for the resurfacing in gravel and oil. Work will be begun this week.

A delegation from Silverton met with the county court in Salem the last of the week and completed plans for the improvement. Making the trip were George W. Hubbs, H. B. Irish, George Steelhammer, H. B. Jorgenson, Dr. P. A. Loar, Fred Cline and Arthur Hobart. The improvements are to be under county sponsorship.

The road has been re-surfaced to the place where the Monitor road unites with the highway into Silverton.

POLK COUNTY I. O. O. F. GATHERS AT DALLAS

Dallas—This city was the mecca Friday night of Odd Fellows and Rebekahs from all over the county in addition to a number of other points in the Willamette valley. Over 300 were in attendance, including delegations from Independence, Monmouth, McCoy, Falls City and Ballston. After the regular business session was concluded lunch was served in the I.O.O.F. hall and a program of entertainment given.

On the program were Mildred Eastman, vocal soloist; Helen Butler and Odessa Grant in a short skit; Mrs. Maurice Butler, Independence, vocal soloist; one high school harmonica quartet and Harry Reiswig, accordion soloist. The evening was concluded with a dance at the armory.

Rural Teachers Flamboyed by Book Salesman

Mt. Angel—An agent is visiting rural school teachers and is offering false recommendations for a costly set of encyclopedias which he is trying to sell. He has a list of last year's graduates from Mt. Angel Normal school and claims that the institution recommends his material. Mt. Angel Normal offers no such recommendation, and teachers would do well to get definite information or to ask to see a written form before they let themselves be intrigued by book agents.

ADULT CLASSES PROVE POPULAR

Silverton—Excellent reports of the response of adult students for the Silverton classes of the adult WPA educational program were made by George Birrell, supervisor of Marion county for this work.

The class in Americanization is still open to registrants and is proving one of the most popular in civic and patriotic instruction. Mrs. Lela Shepherd is teacher.

All classes meet in the junior high building from 7:15 till 9:15 o'clock in the evenings. The Americanization classes meet Tuesdays and Fridays as do the Diesel engines and fly-typing groups. The new class is to be started in mining, Tuesday evening, January 28, and the radio class meets only Tuesday.

Registration for Diesel engines, E. O. Bushnell teacher, number 65; fly-typing, Elmer Eastridge teacher, 15; radio, James Stitt, teacher, 15; and D. E. Decker, also teaching in Salem, will instruct the class in mining. Pupils may register in any of the classes for an extended time.

DANCE DISTURBERS JAILED OVER NIGHT

Woodburn—Martin Daniels and Maurice Stokes of Gervais and John Wolfe of Woodburn were week-end guests of the city of Woodburn at the city jail. Daniels and Stokes were arrested at a dance at Broadacres, charged with disorderly conduct. Ball was fixed at \$25. They will appear at 2 o'clock Monday afternoon before Judge Overton.

John Wolfe was arrested on the charge of being under the influence of intoxicating liquor on a public highway. He spent Saturday night in the jail but was released Sunday morning on bail in the amount of \$25. His case is also to be heard Monday at 2 o'clock.

BETHEL COMMUNITY TO STANDARDIZE

Bethel—The Bethel community club will work toward becoming a standard club it was decided at the meeting Friday night. The club will furnish entertainment toward the program of the next meeting of the federation.

"I TRAVELED THE WHOLE U.S. AND CANADA SEEKING RELIEF FROM SUFFERING"

Finally Finds Van-Tage Right Here At Home and It Was What She Needed—Awful Constipation, Stomach Trouble, Terrible Sleepless Nights Come to Quick End for Mrs. Baylor.

Another remarkable instance of relief from suffering came to light here a few days ago in a statement about VAN-TAGE received from Mrs. Florence Baylor, widely-known lady of 509 15th St., Denver, Col. VAN-TAGE is the remarkable new compound of Nature's Roots and Herbs which has recently created such a sensation here in Salem and vicinity, and which is being introduced to crowds of people daily by the VAN-TAGE Man in person. Mrs. Baylor states that she finally found relief at home, something that she had been searching for throughout the United States and Canada, that is, relief from her misery. She says she traveled everywhere, and tried and did everything, in her efforts to conquer her bowel and stomach trouble, but never got any relief or benefit to amount to anything until she found VAN-TAGE, right at home, just a short time ago. This widely-known lady is so grateful to Van-Tage after what it did for her, that she called on The VAN-TAGE Man and offered him her statement for publication. This remarkable statement reads as follows:

"FOR GOOD OF MANKIND—First let me say that this statement of mine is the whole truth and I am giving it of my own free will for the good of humanity," said Mrs. Baylor. "Ever since I can remember I have been a great victim of bowel and stomach trouble. Even when I was a little child I had this suffering and my parents were alarmed about my condition and took me everywhere for treatments. In fact, all my life about all I have done has been travel here, and travel here, seeking relief from my suffering. I traveled all over the United States and parts of Canada for examinations, treatments and medicine. Sometimes I got a little relief for a day or two. But it never lasted and in the end I was always worse. I was constipated ALL THE TIME. I had terrible dizzy spells, stomach was always disordered, color in my face was bad and, worst of all, I simply COULD NOT SLEEP. I went for years without any real rest. Stayed awake all night, every night, and certainly was an exhausted worn out human being. About 17 years ago in San Francisco, I had Spanish 'flu'. It was awful. Looked horrible. But finally I pulled through. But after that I was worse than ever. Would get numb all over."

FIRST NATURAL SLEEP—"Now just think, all these years I traveled, seeking relief, and have finally found it, right here at home. VAN-TAGE was what I needed all this time. Took remarkable thing of all this—I only took ONE BOTTLE. Now I sleep a natural sleep every night. My bowels are regular. Stomach digests my food. All dizziness has left me. Good color has returned to my cheeks. I simply FEEL FINE, for the first time in my life and I owe it all to Van-Tage. Why, if I had a million dollars I would give it all to the Van-Tage Co., if they would take it. I think I would owe it to this medicine for saving my life. My blessing to this Great Compound and may many others read what I have to say and get it and take it."

TWENTY-ONE HERBS—It is the Natural Herbs in VAN-TAGE which enable it to produce the amazing benefit described above by Mrs. Baylor. This medicine contains TWENTY-ONE herbs. They cleanse the bowels, benefit the stomach, enliven the liver and kidneys, strengthen the blood. Weak, sickly, constipated people soon feel like different men and women. So if you are a sufferer, don't wait any longer. Remember—the cost of Van-Tage is small, due to the immense volume in which it sells. Get this Amazing Formula—TODAY—and start taking it!
