A serious fire in the business district was narrowly averted shortly before 5 o'clock this morning when the Klinger hotel on State street and the Stiff Furniture store on Court street were both damaged in the rear. The fire apparently started under a rear stairway of the hotel and the stairs were badly damaged. The fire broke through a rear window of the Stiff establishment. The fact that stoves and other non-combustible matter were stored in the rear is believed to have prevented the flames from getting much headway.

PLAN ATTACK ON TESTIMONY OF DR. CONDON

(Continued from page 1)

kidnaping of Dr. Santiago Claret, Cuban newspaper editor at Miami in 1933.

Garellick is a native of Bayoune, N. Y. Hicks said.

Governing Harold G. Hoffman was still trying to arrange with Dr. Condon for an interview to clarify various points in the case, Chief Defense Counsel Fisher also was hopeful of talking to Dr. Condon.

Fisher's attack on Dr. Condon's testimony, it was learned from a reliable source, will be based on Hauptmann's statement that in the summer of 1932 he used a boat house on City island, the Bronx, N. Y., which was sometimes patronized by Dr. Condon.

This source said Fisher will assert the retired school teacher had a real estate office nearby and claim that Condon then had plenty of opportunity to observe and demand the arrest of Condon.

Fisher said more than two years later as the recipient of the \$50,000 ransom.

Prosecutor Anthony M. Hauck, Jr., of Hunterdon county, disclosed that the Rev. D. G. Werner, Hauptmann's first spiritual adviser, had written him and Attorney General Wilentz, urging them to intervene in Hauptmann's behalf.

Hauck said he will reply neither he nor Wilentz has power to do anything to save Hauptmann.

The official witnesses received their invitations to the electrocution today, sent out by Col. Mark O. Kimberlin, warden of the state prison.

COLEMAN SEEKS JOB AS SHERIFF

Curtis Coleman, native son of Marion county, farmer and well known former baseball player, today filed his declaration as a candidate for the democratic nomination for sheriff of Marion county with the announcement that he always has been and always expects to be a democrat concerned solely with the best interests of all of the people.

Coleman was born on the old Miller farm south of Salem in 1888, was educated in the schools of Marion county and has lived here throughout his entire life. He was a student two years at the University of Oregon and soon after was signed up to play professional baseball with the New York American league team.

For several years he has owned and operated a hop ranch near St. Paul.

R. C. Churchill entered the race today as republican candidate for county treasurer against D. C. Drager, incumbent, who has already filed. Churchill resides at 145 N. 21st street, Salem. He states he will keep regular balanced records and simplified audits and will fulfill to the letter his duties as prescribed by the code.

HOLMAN TALKS TO SUPERINTENDENTS

Rufus C. Holman, state treasurer, told a convention of city school superintendents here today that the state superintendent of public instruction should be a member of the state land board.

"With all due respect to the present personnel of the board I feel that there should be a school man on the board whose particular interest would be the protection of the irrevocable school fund," Holman said.

Holman declared it was because of laxity on the part of previous boards that the state was facing losses on bad loans totaling more than \$700,000. Of this amount, he said, \$30,000 was principal on inadequately secured loans on which the board has had to foreclose.

Other speakers included Governor Martin, state officials and prominent educators.

FLOOD PICTURES BY NEW MACHINE

New York, March 21 (AP)—Flood pictures were sent today from the heart of Pittsburgh over the wirephoto network of the Associated Press by use of portable transmitting equipment. It was the first field demonstration of the recently developed machine.

The laboratory model of the transmitter was flown to Pittsburgh from New York, accompanied by Harold Carlson and J. C. Barnes, of the Associated Press research and development laboratories. In Pittsburgh the equipment was set up, linked to the network, and Associated Press staff photographers this morning began sending pictures into the wirephoto circuits through it.

The portable equipment transmits a picture 4 by 5 inches, which is received at regular wirephoto stations as an 8 by 10 inch picture.

WANTS HOWARD TO BE BOARD MEMBER

Because of the interest of the public schools in the irrevocable school funds the state superintendent of public instruction should be a member of the state land board, State Treasurer Holman told a convention of city school superintendents here today.

"With all due respect to the present personnel of the board, they are all busy men with a multiplicity of interests and there should be a school man on the board whose particular interest would be the protection of this fund," Holman declared.

Scoring laxity on the part of past boards in safeguarding loans from the school fund Holman pointed out that losses now faced on bad loans would aggregate \$700,000. Of this amount \$30,000 is principal on inadequately secured loans on which the board has had to foreclose.

The board has had to close their annual conference here this noon. Nearly one hundred superintendents and school principals from all sections of the state attended.

RED CROSS COLLECTS FOR FLOOD REFUGEES

San Francisco, March 21 (AP)—Contributions poured in today for Red Cross headquarters here today for the Pacific coast area's \$275,000 quota of the fund for eastern flood sufferers.

Los Angeles accepted its \$50,000 allotment and many communities reported heavy contributions.

Red Cross officials said the quota probably will be subscribed within 10 days.

H. M. Potter, Silverton, announced for the democratic nomination for Marion county representative.

J. O. Turner, Heppner, filed for Morrow county district attorney.

NEWSPAPERS PUBLISHED IN OUTSIDE CITIES

Pittsburgh, March 21 (AP)—Flooded newspapers of the eastern states found helping hands today within the fourth estate. As a result the editions came out, some from plants in other states.

Lacking power here, the Pittsburgh Press was printed at Washington, Pa., and Unontown, Pa. Sunday papers will be issued at those two places and from Cleveland, Ohio.

The Pittsburgh Sun-Telegraph utilized presses at Greensburg, Pa., and today used one unit of its own press for Saturday and Sunday editions. The Pittsburgh Post-Gazette was printed at Youngstown, Ohio, and New Castle, Pa.

All editions necessarily were much smaller than usual. The Wheeling, W. Va., Advertiser was issuing a handbill-size paper.

In New England, the Boston Globe answered an appeal of the Lawrence Evening Tribune by printing a four-page edition of the Lawrence paper. The Salem Evening News printed the Haverhill Gazette. Plants at both Lawrence and Haverhill were flooded.

When both telephone and telegraph service were disrupted to Claremont, N. H., a dictated Associated Press news report was telephoned to an amateur wireless operator in Claremont for the Daily Eagle.

CONTRACTOR AVERS MATERIAL IS OK

Not satisfied with the order of city building Inspector E. C. Bushnell condemning concrete footings poured at the new high school project, a representative of the Hoffman Contracting company says a further test will be made. He declares proof will be furnished that the material is well up to code requirements. L. H. Hoffman, head of the contracting concern, was here yesterday.

Bushnell ordered the concrete replaced when a 28-day test indicated it was not as substantial as the building code of the city requires.

While here Hoffman attempted to confer with F. E. Neer, chairman of the building and grounds committee of the school board, but was unable to locate him, and Inspector Bushnell was out of the city.

SNOW FALLING IN SISKIYOU PEAKS

Medford, Ore., March 21 (AP)—Winter routed spring in the Rogue river valley today, with a biting March wind in the lowlands, and snow in the mountains.

Friday the mercury rose to 79 degrees. This morning it was officially recorded at 41 degrees.

The weather bureau reported that snow fell this morning on the summits of the Siskiyou, and on Sexton mountain north of Grants Pass. Snow was predicted for mountains tonight, with rain in the valley.

TEXAS SCHOOLS IN GANG WAR

Abilene, Tex., March 21 (AP)—Police were called out here today to quell a general melee between 52 members of the band from Texas Technological college at Lubbock and about the same number of Hardin-Simmons university students, who were reported to have "ganged" the Matador musicians as they drove out of Abilene in two buses. The fight was waged along the highway.

Four Tech bandmen were brought here to have wounds treated. Several of the attackers also were reported beaten.

D. O. Wiler, Tech bandmaster and graduate of Hardin-Simmons, said the assailants were led by the Abilene's school football squad.

An immediate investigation was launched by Hardin-Simmons officials.

Immediate cause of the riot was said to have been the removal early Friday of a cannon from the Hardin-Simmons campus to the campus of McMurry college. Hardin-Simmons students charged the Techsters with theft of the cannon.

The Tech band gave a concert in Abilene last night under sponsorship of the local high school band. Before its start a stench bomb was discovered on the stage. Later ten Tech bandmen were captured at a downtown dance hall and the initials "HSU" were branded on their foreheads in silver nitrate.

WAR AND PEACE STUDIED BY BOYS

Spokane, Wash., March 21 (AP)—War and peace problems occupied the attention of older boys of the Inland empire at the opening sessions of their annual conference at the Y.M.C.A. here today.

Bob Kenyon, Walla Walla, conference president, was the presiding officer. A summary of reports from pre-conference study of young people's attitude toward war and peace was on the opening session calendar.

The afternoon was to be devoted to recreation and sports. Southeastern Washington and northeastern Oregon led in the 125 attendance.

SOLVE MYSTERY OF STOLEN MANUSCRIPT

Jerusalem, March 21 (Palcor Agency)—The four-year-old mystery of the disappearance from the Mosque El Akra of a Koran manuscript of the middle ages was solved today when it was found in the shop of a Cairo antiquity dealer, to whom the document had been sold for fifty English pounds.

The Koran, which was stolen with two other volumes in January, 1932, from the museum attached to the Mosque of Omar, was part of a collection of 25 manuscript volumes which were considered priceless because they had been written by the Moorish Sultan Abdul Hussein Merini in the thirteenth century.

SALEM HI GOLFERS DEFEAT CORVALLIS

The spring golf season was officially opened in high school play this morning when Salem defeated Corvallis, losing only one match of the contest. Nichols of Salem was medalist with 79. Matches resulted as follows:
