SPEED PICKED UP BY HINDENBURG

Aboard the Zappelin Hindenburg en route to America, May 16 (#)--Swinging south of a storm area over the Atlantic, the big Zappelin Hin-denburg picked up speed today with a possibility of reaching New York late tonight on its second flight from Germany. At 7 a. m. Eastern Standard Time

the Hindenburg's position as re-ported by Radio Marine was 38 degrees, 23 minutes north latitude and 54 degrees 33 minutes west longtiapproximately 945 miles from
