

U. S. OLYMPIC ENTRIES SIGHT LAND WEDNESDAY

TEAM DUE FOR SHORT STOP IN PLYMOUTH, ENG.

By HENRY McEMORE
The team is due at Hamburg some time Thursday. It was tentatively decided yesterday that the athletes would stay there until Friday and then depart for the Olympic village in Berlin by train.

Two Washington oarsmen who lost weight because of sickness were back to normal today. They were Don Hume, stroke, and Herb Morris, bow. They gained five and six pounds respectively.

Yesterday's late developments included naming of assistant track and field coaches and approval of several side-trips after the Olympics.

Brutus Hamilton, University of California, was named assistant in charge of the decathlon men, shot-putters, Glenn Cunningham, Kansas miler, and Archie Williams, California 400 meter runner.

The Bartlett of Union City, Mich., winner of the javelin tryouts, was named to handle those athletes. It was the first time an athlete was placed in charge of a team.

Dean Cromwell, University of Southern California, will coach his men on the team. He also will handle the discus-throwers, 400 meter runners and pole vaulters.

E. C. Hayes, University of Indiana, was put in charge of the half mile runners, steeplechasers, hurdlers and 5,000 and 10,000 meter men.

George V. Brown of Boston will coach the 50,000 meter walkers and marathon runners. Lawson Robertson, head coach of the Olympic forces, will handle the sprinters and relay runners.

A few other divisions still remain to have coaches named but Robertson is expected to fill those posts.

EUGENE NET TEAM FIRST IN LEAGUE

Eugene Ore., July 21 (AP)—Eugene captured the undisputed lead of the Columbia-Willamette tennis league Sunday by handing Oregon City its first defeat of the season, five matches to two.

The two teams were tied at two games each and the victory gave Eugene three straight triumphs.

The defeat knocked Oregon City into third place, Salem beating Vancouver, Wash., by the same score of the Eugene contest, five to two. Corvallis stepped into fourth place when Longview, Wash., forfeited.

The standings gave Eugene three victories and no defeats, Salem three victories and one defeat, Oregon City two victories and one defeat, Corvallis, two and two, Portland, which did not play, and Vancouver, each one victory and two defeats, and Longview three defeats.

CAREYS ON VACATION
Independence—C. L. Carey and sons Charles and Paul started on their vacation Sunday, going to Yachata and other coast points. They expect to be gone several days and will enjoy fishing on the rocks and jetty also on coast streams.

Blitz Squad Winner Over Rival Beermen; Annex State Pennant

Portland, Ore., July 21 (AP)—Two consecutive victories over the previously unbeaten semi-pro baseball tournament of the state crown today after a final game which saw almost certain defeat turned into a one run win with a smashing ninth inning rally.

Score of the final game was 9 to 8, but it tells only a part of the story. Errors told a bit more. And Blitz' timely hitting told the rest.

Blitz got off to a commanding five run lead in the first five innings but Hop Gold hadn't started. The State League team came

through with three runs in their own half of the fifth and after seeing Blitz match score for score in the sixth they really started to work.

Three singles and a long homer by Wellington accounted for four runs and put the Hop Gold nine out in front 8 to 5 going into the eighth inning.

The eighth was scoreless but in the ninth, Heller, who led the Blitzers to a 4 to 1 victory the night before, hammered out a single to score Joe Gray and Joe Leptich for the winning runs.

Gray's single also saw Blitz' timely hitting told the rest. Miller, who went in cold to replace Roberts early in the inning, but it didn't prevent Miller from being named the outstanding pitcher of the tourney.

Hop Gold had raced along unbeaten until Sunday night. Blitz already had one defeat but had taken the consolation round and thus earned a chance at the title.

Blitz-Weinhard 9 9 1
Hop Gold 8 13 5
Heim, Ault and Leptich; Roberts, Miller and Lamerar.

LIGHORSE HARRY TAKES PRIZE COIN

St. Paul, July 21 (AP)—The seven year old St. Paul \$5,000 open golf tournament looked today like Lighorse Harry Cooper's own particular field of activity as he pocketed the \$1,200 first prize for the third time.

The Chicago professional gave par and young Dick Metz of Evanston, Ill., a lacing in the playoff yesterday, Cooper shooting 135 for two tours of the 72-par Keller course against Metz' 139.

Metz trounced par plenty himself, with 71 for the morning round and 68 in the afternoon, but it was no match for Cooper's spectacular 66 and 69. Both had scores of 277-11 strokes under par for 72 holes—

at the close of regular play Sunday. The 26-year-old Evanstonian out-groove his older opponent throughout the playoff but a slice nullified that advantage.

Cooper's putter was in the form it displayed Sunday when he set the course record of 63. Metz had no such help and five times he rimmed the cup or stopped inches short with eagles and birdies in sight.

Metz collected \$750 as second place money on his first try in the tournament.

All those attending the supper are asked to bring their own table service.

COAST LEAGUE CLUBS FACING BUSIEST WEEK

(By the Associated Press)
The Coast league has five ball clubs in the 500 class but only three of them turned in winning records for the last month—Seattle, Oakland and Los Angeles.

The tribe, by winning 18 and losing 11 during the last four series, led all teams for consistent performance, followed closely by the second-place Oakland A's, who won 18 and dropped 12.

Los Angeles, making a bid for first-division honors, followed the two leaders with an 18-13 record, which explains its jump from seventh to fifth spot in the standings.

The San Francisco Missions and Portland Beavers took 14, dropped 16, San Francisco Seals performed at 14-17 clip; San Diego 13-16, and Sacramento 13-21.

Past performances may mean little this week in series which see the Oaks begin their dreaded invasion of Portland; the Angels play at San Francisco, Sacramento at Seattle and Missions at San Diego.

The Beavers and Oaks play 10 games, with doubleheaders every day or night but Tuesday and Saturday. Both teams apparently have their full pitching strength ready to go.

BAER TO MEET JIM BRADDOCK

Ogden, Utah, July 21 (AP)—Ancil Hoffman said today he has accepted terms for Max Baer to meet Jimmy Braddock in Madison Square Garden in September if the Garden does not sign a heavyweight title fight between Braddock and Max Schmeling.

"Max is in great shape," his manager said. "He now weighs only 213 pounds."

The former playboy champion recently announced he was hitting the comeback trail, gave up leading an orchestra and began fighting a series of four and six round bouts with unknown heavyweights in western cities.

Hoffman said he talked with Jimmy Johnson, Madison Square Garden manager, last night by telephone, and that Johnson "agreed to match Baer if the Schmeling negotiations fall through."

Johnson holds an option on Braddock's services which expires July 29 unless a match is arranged. Schmeling is fighting under the banner of the Twentieth Century club and Hoffman said prospects of a sign-up "do not look too good."

"We agreed to accept the challenger's bid," Hoffman said in announcing terms. "That's 12 1/2 percent." Hoffman refused confidence in discussing Baer's condition.

"His hands are okay and he packs his old-time wallop. He's shown me on this tour that he is determined to come back."

JOE WILL FIGHT
New York, July 21 (AP)—Joe Louis, conqueror of two former heavyweight champions and beaten by another in his meteoric rise and fall, is to get a chance against a fourth ex-titler.

The brown bomber, knocked out by Max Schmeling last month after flooring Max Baer and Primo Carnera in the full count, has been matched against Jack Sharkey, the Boston veteran who is trotting the comeback trail for a ten-round bout at the Yankee stadium, August 18.

Lomski Checked In His Comeback

Chicago, July 21 (AP)—Leo Lomski, the one-time "Aberdeen assassin" who blazed his way through fighting circles of the northwest and other parts of the country several years ago, found his comeback attempt checked today. He lost an eight-round decision to Pal Silvers, Brooklyn heavyweight. An eight-count sojourn on the canvas in the first round spoiled Leo's chances.

St. Paul—Fred Kerr of Aurora, and nephew of Mr. and Mrs. T. J. Kerr, is critically ill.

Chicago Bound?

JOHN ORAVEC
With next Friday evening fixed as the deadline for expressing preference, football fans are being urged to get their names on petitions seeking to send John Oravec, Willamette university halfback, to Soldier Field, Chicago, September 1. Petitions may be signed at Parker's.

AUSTRALIANS WIN FINAL NET ROUND

Wimbledon, Eng., July 21 (AP)—Australia gained the Davis cup challenge round against England today as Vivian McGrath defeated Heiner Henkel of Germany, 6-3, 6-7, 6-4, 6-4 for the Aussies' third and clinching victory in their tennis series against the Teutons.

McGrath's victory put Australia in the challenge round for the first time since 1924. The Australians will meet the cup-holding English team led by the redoubtable Fred Perry in a best three of five match series starting Saturday.

By virtue of his triumph McGrath became the hero of the series. He was pressed into service yesterday after Adrian Quist injured an ankle playing against Baron von Cramm last Saturday.

Jack Crawford and Quist qualified for the inter-zone final against Germany last month when they administered a 3-2 defeat to the United States team at Philadelphia.

Steele Gets Offer For \$35,000 Bout

San Francisco, July 21 (AP)—A \$35,000 offer to defend his newly-won middleweight title here against Fred Apostoli September 7 has been telegraphed to Freddie Steele of Tacoma.

The bout would be a ten-round affair. Steele scored a technical knockout victory over the San Francisco bellhop at their last meeting more than a year ago.

Jefferson—Mr. and Mrs. Frank Lillard and grandson, Emmett Hamby, Charles Zimmerman, Mrs. Lydia Hoyt and Miss Lou Miller motored to Cascoia Sunday. Callers at the home of Mrs. Hoyt and Miss Miller Sunday evening were Mr. and Mrs. Charles Hoyt and Clarence Libby of Silverton and Joyce Dickson of Portland.

PAPER SQUAD FAILS EFFORT STOP LEADERS

Conceded about the only team in the league to upset the leaders, Paper Mill fumbled their chance to send Atwater-Kent into the defeat column last night on Sweetland field.

The paper boys got plenty men on the paths but punch in the pinches was lacking and the radio men won 4 to 0. With George Roth and Henry Singer in great form, the near capacity crowd was treated to an excellent ball game.

Each pitcher yielded seven hits, but Singer had the edge in strikeout department, fanning 11 to six for Roth.

The radio men scored in the fifth, eighth and ninth. In the fourth at seemed certain the Paper Mill crew would score when Haskins, first man up, got a walk while Oravec, singled. However, Singer just mopped his brow with his jersey sleeve and proceeded to fan the next three batters.

In the sixth and eighth innings the paper workers put their first man up on base but the succeeding batters, trying for a killing, usually fanned or drove long flys to the outfield.

The Artisans gave the Man's Shop an even rub during the first few innings but the haberdashers finally got their bats working and won 9 to 5.

Broken Jaw Fails To Hinder Fighter

Chicago, July 21 (AP)—Policemen made a routine investigation after Richard Howell, 21, appeared at a hospital for treatment of a broken jaw, found he was a lad who could take it—and dish it out, too.

The officers learned Howell's jaw was broken in the second round of a boxing match with Sonny Barton, 22, at Marigold Gardens, but that Howell won the decision after six rounds.

Angry Golfers to Be Given Chance Display Powers

Atlanta, Ga., July 21 (AP)—Professional Harry Stephens of the Druid Hills Country club says he seriously is considering a club-throwing tournament for "strong armed but irritable linksmen."

"We've had all kinds of freak golf competition," he explained, "but, as far as I know, no tournament for those who throw their equipment around."

ST. LOUIS CARDS HOLDING EDGE

(By Associated Press)
It may not be very encouraging to fans of the pace setting Chicago Cubs but the facts are, the St. Louis Cardinals have a slight edge on the National league champions so far this year in their games on foreign fields.

As the two clubs, separated by only one game on the losing side, invaded the east today the Cardinals not only had played more games away from home but had a better percentage. They pointed to a road record of 21 victories as against 15 defeats for a percentage of 583 while the Cubs had won 16 of their 29 games away from Wrigley field for an average of 552.

The schedule calls for the Cubs and the gas house gang to make a trip around the eastern half of the circuit before returning to Chicago August 4 to open a four-game series that may go a long way toward settling the National league pennant. Today's schedule placed Chicago in Brooklyn and the Cards at the polo grounds against the Giants.

While the National league clubs continued their warfare on the eastern front, the New York Yankees marched into the west, the target for three first division clubs, two of them redhot, and the St. Louis Browns.

BEVENS TO REPORT OAKS SPRING CAMP

Hubbard—Mrs. Edna Bevens, a life time resident of Hubbard, was proud to hear that the youngest of her children, her son, Floyd, known as Bill, had been selected by the New York Yankees baseball organization as desirable material for their pitching line-up.

Bill expects to report to the Oakland training camp at Modesto, Calif., in the early spring and will be farmed out from there. According to information received he will possibly go to Joplin of the Western association. Bill, with ardent baseball fans on his mother's side of the family, grew up playing baseball. As soon as he could walk he began to play. He continued playing in the Hubbard grade school where his left hand helped to win the grade games. In high school he continued to develop and it was at this time, while playing for the American Legion of Woodburn, that he began to attract county and state attention. Then the Salem Senators gave him a work-out and he signed up with them. Now the New York Yankees want Bill and Hubbard is proud with his mother that "local boy makes good."

MC SHAIN PLANS DOUBLE TEST

Bobby Burns and Walter Achiu will gang up on Dan McShain tonight at the army. The latter, still smarting from his defeat a week ago, believes he is a better man than Burns and Achiu combined and will endeavor to prove it over the two hour route. McShain will take on Burns first and then, if he is successful in flopping the Floridan, will invite the China boy to come inside and absorb a little punishment. Just what will happen if Burns repeats his win of a week ago has not been explained. However, such tactics would spoil the show and there is little possibility of this occurrence. McShain defeated Harry Elliott in Portland last night.

Cry Baby London will meet George Bennett in the 45 minute event. London beat the Oklahoman in Portland. Jack Clayborn and Indian Ike have been assigned the curtain raiser.
