

BUMP HADLEY IS LUCKIEST THROWER FOR YANKS

CHALKS UP 11TH STRAIGHT GAME, GOOD SUPPORT

(By the Associated Press)

One of these days, Bump Hadley is going to lose his horse shoe and he won't be the league's leading pitcher any more.

Bump doesn't carry the horseshoe around with him, but that doesn't stop him from being the luckiest thrower on the Yankees' mound staff, if not in the whole American league.

Bump has started nearly as many games as any other regular Yankee pitcher, and has lasted the fewest complete games.

Still, he leads the league with 11 victories against one setback, and all of his wins have been in a row. He hasn't been charged with a defeat since April 20.

Not only that, but on four occasions this season, he started games, only to have his opponents blast him into the showers early, and then have his mates come from behind to save his record.

The luck still held yesterday, when he chalked up his 11th straight by downing the Washington Senators 11-7. In two different innings, the Senators got men as far as first and second, with but one out, only to have the Yankee infield pull fast double plays and save the day.

Another time, a runner reached second with none out, when a peg from Catcher Joe Glenn cut down the base and caught him napping. On one occasion, Hadley walked the first two men on nine pitched balls, and things would have gone bad if a twin-killing didn't pop up at the moment.

Another lucky pitcher yesterday was B. Johnson, newcomer to the Cardinals. In his first start for the gas house gang he defeated the Cubs 5-3, although touched for 14 hits. His luck was packed in the bats of Johnny Mize and Ducky Medwick, who poked out homers to pull the Cards back into the National league lead.

The Giants picked up ground on the leaders by noosing out the Dodgers 2-1 in 12 innings. Gabby Gabby tripping in both runs to defeat Van Mungo.

The Yank's American league lead was boosted to 11½ games as the Tigers trounced the second-place Indians 7-4, despite Tal Trosky's 34th homer. Vernon Kennedy posted his 16th winning victory as he hurled the White Sox to an 8-3 win over the Browns.

Winding up the American league program, the Red Sox and Athletics split a double-header, the Sox taking the first one and the A's capturing the nightcap 6-0.

The Phillies' losing streak was stretched to ten straight as the Bees shored over two runs in the ninth for a 4-2 win. Bill Swift allowed six hits in pitching the Pirates to a 6-1 conquest of the Reds.

The line-up for the contest last night follows:

Stanton Mail—D. Jordan, 3b; R. Shelton, cf; M. Cuffel, p; L. Thomas, 2b; Weddie, 1b; Thompson, 2b; Ditter, rf; C. Berger, 1b, and C. Humley, c.

All Stars—Lesley, 2b; Klecker, 1b; Shelton, cf; Champ, 1b; Dozier, 3b; Betzer, cf; Smith, ss; Jordan, rf; and Duncan, p.

Portland, Aug. 13 (AP)—Blitz-Weinhard's victory over Hon Gold in the finals of the state semi-pro baseball tournament apparently didn't settle the issue after all.

Officials of the Blitz nine said they had received a challenge from Ray Brooks, Hon Gold manager, and that the bid was accepted. Games were scheduled for Tuesday, Thursday and Saturday night of next week.

303½ Court St., Corner Liberty. Open Saturdays and Sundays only. A. M. to 1 P. M.; 8 P. M. to 7. Consultation, blood pressure and urine tests are free of charge.

Coast Race Tightens As Beavers, Indians Lose to Lower Clubs

(By Associated Press)

The Coast League's pell-mell race was tighter than ever today after Tuesday's losers dunked winners in the bitter cup of defeat Wednesday. San Diego, Oakland and the San Francisco Missions were back in a three-way tie for third.

Portland and Seattle, by losing dropped to three and a half and two games ahead of the third-place holders to make it mathematically possible for any one of four teams to usurp the league leadership from Portland this week.

Big Walter Beck, pitching in 1935 form, handed San Diego its sixth loss since late July. The Mission hurler let the Padres down with six

hits, three of which were bunched in the fourth for their lone run in the 5-1 encounter. Lefty Hebert lasted less than two innings against the Reds, and Manuel Salvo and Archie Campbell also yielded runs, as the Missions totaled 12 safeties. Gene DeSauteles was tossed out of the game in the third by Umpire Snyder for protesting a decision.

Sacramento manhandled Kewpie Dick Barrett as Seattle took a 10-5 lacing. The Soles made a run in the first, then put together five hits, a walk and an error for eight runs in the second. Don Osborn came to Barrett's aid and pitched creditable ball, but the Senators had too great a lead.

Dick Newsome, faltered, but finally choked off a ninth inning rally that sent four Indians home, and had the bases full at the end. Frank Delpack led the hitters with three for five, including a double.

Ken Douglas limited the Beavers to five blows as the Oaks won 8-1, and Liska's submarine ball yielded four runs during the Beaver's tenure on the hill. Don French was nipped for two more during an eighth-inning outburst. Young Dario Lodigiani had a perfect night against Portland pitching, hitting three for three.

Los Angeles goose-egged the San Francisco Seals 10-0. Ray Prim held the O'Douls to six well-spaced blows, while Kenny Stiehan was being bombarded for 17 hits, including Russell's homer and five doubles.

The playoff to decide which one of the four teams will make up the second club to enter the state tournament will get underway next Monday night. There will be no further contests this week.

TEACHER RESIGNS

Hubbard—Miss Doris Harrad, third and fourth grade teacher, has resigned. A board meeting will be called to fill the vacancy.

STAYTON DEFEATS BON TON, 11 TO 1

Stayton—The Stayton Mail kitchenball aggregation scored its second victory within a week when the Bon Ton All-Stars were turned back by an 11 to 1 count. The CCC camp team from Silverton was defeated in the first contest 7 to 1.

Max Cuffel, hurling the first four innings of the contest, turned the All-Stars back without a score but two bobbles afield permitted the losers their lone tally in the sixth inning. Leonard Thoms finished the game in the box for the newsmen and breezed home without difficulty.

The Scio combination offers the opposition here Thursday night with the CCC camp team playing a return engagement here next Sunday. Next Tuesday the Mail nine moves to Scio for a return battle.

HOGG'S, WAIT'S CONCLUDE PLAY WITH VICTORIES

(By Associated Press)

'WILLIE' LUDOLPH LEADING PITCHER

(By Associated Press)

Los Angeles, Aug. 13 (AP)—"Wee Willie" Ludolph of Oakland took coast league pitching honors from Bob Cole of San Francisco as a result of last week's play, official figures disclosed today.

While Ludolph dropped 40 points to 810, Cole slid back 75 to an even 800. Ludolph won 17 games and lost 4, while Cole was successful in 8 and lost two.

Jack Salverson of Los Angeles retained the third position he gained the previous week, with 15 wins and 5 games lost for a .750 average. Dick Ward of Sacramento took fourth place from Lou Koupal of Seattle, who dropped back to sixth. Ward averaged .733 and Koupal .692.

Art McDougal, Seattle left-hander, with .714 took fifth place from Ray Prim of Los Angeles, who averaged .667 and dropped to eighth. George Caster of Portland was seventh with .600.

One ironclad rule which should be put into effect before next season rolls around is that there shall be no warming up of pitchers in front of the grandstand. One man, seated in the second row of the stands Monday night was hit a glancing blow in the face by a wild pitched ball during a warming up session. Had the man been wearing glasses he might have been seriously injured since he was not following the progress of the ball. By placing a light over the hardball diamond backstop this could be easily utilized by pitchers who care to take the kinks out of their arms.

Phil Bell, general manager of the famous "Bell Ringers," had such startling luck in wrangling a nationwide broadcast of the all-star football game on Soldiers field out of Chicago the night of September 1. We suggest he contact Coach Bierman on behalf of our own Johnny Oravee. Being one of the smallest men on the squad there is a chance that Bierman may overlook the Jersey skelter. A tip from Phil would probably bring the desired results. Even at that, if the men in charge of the all-star aggregation watch Oravee's tactics in practice, there is little likelihood he will be overlooked when game time rolls around. The game will be broadcast over the Columbia and National networks from 8:30 to 8 p. m. eastern standard time.

England has 1,500,000 boys who do no productive work.

Under a new international rule adopted yesterday, effective next season, the tip-off at center will be abandoned except at the start of each half.

After a basket, the ball will be thrown into play from the end court by the team against which the goal was scored.

The rule was adopted to eliminate the physical advantage gained from having a rangy center—and Japan may go a step farther.

It's understood the Japanese will propose on Thursday that there be two classes in the Olympic basketball tournament at Tokyo in 1940—an unlimited class for players of any height, and a limited class for teams having players under a specified height.

The congress adopted the American rule that the ball may not be held in a defense area longer than 10 seconds. It voted for Olympic hoop squads of ten instead of seven men.

Skits and Scratches

BY FRED ZIMMERMAN
Capital Journal Sports Editor

Overcoming obstacles which at times threatened to block further progress, Gurner Fleeter, hard working manager of the Salem Softball association, succeeded in placing a second local club in the state tournament. This coup should just about assure the success of the six day affair, from a standpoint of finances and entertainment. It is to be hoped that the two teams will find positions in the opposite sides of the brackets when the pairings are made so that they will not meet early in the tournament.

The tournament will cost the management more money this season. Teams coming from a distance of more than 150 miles will draw room rent as well as mileage. This means Marshall field and Astoria will draw quite a chunk of money out of the exchequer. However, the expense money is doled out only so long as the teams remain in the running and on the nights they are actually in the tournament.

One ironclad rule which should be put into effect before next season rolls around is that there shall be no warming up of pitchers in front of the grandstand. One man, seated in the second row of the stands Monday night was hit a glancing blow in the face by a wild pitched ball during a warming up session.
