P.T.A. Drive For Members In Progress

WITH 30,000 members as its goal, the Oregon Congress of Parents and Teachers is this week launching its annual statewide enrollment campaign, bolstered in its efforts by the proclamation of Governor Martin, officially designating the period from now until October 17 as Oregon parent-teacher week.

By their concentration on membership this week, the more than 300 units of the Oregon congress hope to make a substantial contribution to the efforts of the national congress to enroll 2,000,000 men and women under its banner in the course of the year.

Much of the responsibility for reaching the quota in Oregon rests with Mrs. James B. Ward of Portland, the state chairman of membership. Mrs. Ward, who is a member of both the Rose City Park and Grant high school associations, has succeeded Mrs. L. D. Courtright of the Hosford and Washington high school associations of Portland in the post.

Under Mrs. Courtright's leadership, the Oregon congress reached a total membership last year of 24,635, or 5365 less than the goal set for this year's campaign.

The purposes of enrollment week are four-fold, Mrs. Ward says: "To strengthen the parent-teacher movement in Oregon, and to obtain subscriptions to the National Parent-Teacher magazine. "Building for Permanence and Power" has been chosen as the slogan for the week this year.

Parent-teacher leaders who are in charge of enrollment week activities in various counties of the state include, for Clackamas county, Mrs. C. I. Landaverk and Mrs. E. A. Woodworth; Douglas, Mrs. Charles Insley; Jackson, Mrs. B. C. Forsythe; Josephine, Mrs. Hilda W. Trimble; Lane, Mrs. Frank Patterson and Mrs. R. D. Russey; Klamath, Mrs. B. L. Herrington and Mrs. B. C. Johnston; Multnomah, Mrs. Fred Smith and Mrs. A. E. Murrow; Malheur, Mrs. W. M. Greelin; Marion, Mrs. Mae Dimmick; Union, Mrs. I. Z. Terall and Mrs. Vernon Hale; Washington, Mrs. J. L. PREVIEWS NEW MODEL

MILWAUKEE—"I've just had a view of the new 1937 Dodge," says Mrs. Helen Wilson. "Just one look at this car has spoiled me for the make we're driving now. I wouldn't be surprised if everyone feels the same way about it when they see this new car."

Kitchen Kinks

Here's an exciting new use for those baskets of luscious blue plums now crowding the grocer's window—Fritters! And of all the good things that have been tucked inside a fritter, none is more truly delightful than a big juicy blue plum.

In making fritters, the batter is most important. It must be of just the right consistency to coat the fruit well, and yet it must be tender when it is fried. Undiluted evaporated milk is used in this recipe, because its creamy richness produces a batter of perfect consistency and tenderness.

So now that blue plums are in season, treat the family to Blue Plum Fritters—goldeny crisp outside, pleasantly juicy inside—they're excellent! Better make plenty, too, for they'll be gobbled up in a hurry!

BLUE PLUM FRITTERS

1 1-3 cups flour
2 tsps. baking powder
½ tsp. salt
1 tbsp. sugar
1 cup evaporated milk
1 egg
Blue plums

Sift flour, then measure. Resift with other dry ingredients. Combine milk with beaten egg. Mix quickly with dry ingredients. Wash blue plums thoroughly and split in half. Dip in the fritter batter and fry in deep, hot fat (350 degrees F.) until golden brown. Drain on absorbent paper and serve hot. Yield: 6 servings.

Blue Plum Fritters are grand to serve with the meat course—and they are so different. Later on bananas, apples, pineapple and other fruits can be substituted, so be sure to save this fritter recipe.

Best Cough Remedy Is Easily Mixed at Home

It's So Easy! Makes a Big Saving. No Cooking.

To get the quickest relief from coughs due to colds, mix your own remedy at home. Once tried, you'll never use any other kind of cough medicine, and it's so simple and easy.

First, make a syrup by stirring 2 cups granulated sugar and one cup of water a few moments, until dissolved. A child could do it. No cooking needed.

Then get 2½ ounces of Pinex from any druggist. This is a concentrated compound of Norway Pine, famous for its prompt action on throat and bronchial membranes.

Put the Pinex into a pint bottle, and add your syrup. Thus you make a full pint of really better medicine than you could buy ready-made for four times the money. It never spoils, and children love its pleasant taste.

And for quick, blessed relief, it has no equal. You can feel it penetrating the air passages in a way that means business. It loosens the phlegm, soothes the inflamed membranes, and eases the soreness. Thus it makes breathing easy, and lets you get restful sleep.

Just try it, and if not pleased, your money will be refunded.
