A. B. Steinbach & Co., and was later engaged in the mercantile business. They moved to Canby in 1932 and he has since been engaged in the production of filberts and English walnuts on a farm south of town.

Kelly-Jepsen Vows Exchanged

Mill City—Miss Virginia Jepsen, daughter of Mr. and Mrs. Sig Jepsen, became the bride of Max R. Kelly, son of Mrs. W. J. Robinson, at a beautiful and impressive ceremony at the Jepsen home, the former Olin residence, Saturday evening at 8 o'clock, before a group of relatives and intimate friends. The couple exchanged vows in the large living room before an improvised altar of fall flowers. The ceremony was read by Rev. James McAuley of the Presbyterian church.

Immediately preceding the wedding, Miss Beatrice Jepsen, sister of the bride, played "O Promise Me," followed by Mendelssohn's "Midsummer Night's Dream" as the wedding march.

The bride, given away by her father, was lovely in an egg-shell satin wedding gown of floor-length and gold sandals. She carried a shower bouquet of white bouvardia and pink rosebuds.

Miss Carolyn Rada, cousin of the bride, as maid of honor wore a floor-length orchid taffeta dress. Her bouquet was of bronze baby chrysanthemums and yellow daisies. Charles Kelly acted as best man for his brother.

Mrs. S. Jepsen, the bride's mother, wore a white crepe dress with a corsage of white bouvardia and pink rosebuds. Mrs. W. J. Robinson, mother of the bridegroom, wore a rust dress with brown accessories. Her corsage was of bronze baby chrysanthemums and yellow daisies.

During the reception which followed the ceremony, Mrs. Louis Rada, aunt of the bride, and Mrs. W. W. Mason, aunt of the bridegroom, presided at the lace-covered table to serve ice and cakes. The beautifully decorated wedding cake, made by Mrs. Louis Rada, was cut and served by the bride.

Shortly after the reception, the young couple left by motor for a week's trip to the Oregon beaches. For going away the bride wore a suit of oxford grey with rust accessories.

Both Mr. and Mrs. Kelly are well known here, the former having graduated from the Mill City schools before attending school in Berkeley, Calif. Mr. Kelly will board the U.S.S. Texas at Bremerton, Wash., October 26, to complete his four-year term with the U. S. Marine corps.

DAYTON, ORE. MAN SAYS; I CAN'T PRAISE VAN-TAGE ENOUGH. IT'S WONDERFUL!

Had Such Sluggish Kidneys He Was Forced to Rise 8 or 10 Times a Night and Felt Awful From Lack of Rest But Now Van-Tage Has Relieved Mr. Grant and He Says: "I Unhesitatingly Endorse It."

"I Could Feel VAN-TAGE Helping Me From the Start. It's the Finest Medicine I Ever Took!"—MR. JOHN GRANT, Dayton, Oregon.

Some of the Leading Druggists of Salem and throughout Oregon now frankly say they never saw anything like the way Widely-Known Local Residents continue to come forward day after day and publicly endorse the "Amazing New Medicine" known as VAN-TAGE, which is now being introduced to crowds daily in this city by a Special Van-Tage Representative, known as The VAN-TAGE Man, at 170 N. Liberty Street. These are all truthful, sincere testimonials, given by these men and women to help other poor, miserable people who suffer as they did, and some of the statements being received are Truly Remarkable. For instance, just a few days ago, the following Amazing Testimonial, praising and endorsing Van-Tage, was received from Mr. John Grant, of Dayton, Oregon, a man who has lived in this vicinity for years and not only knows nearly everybody at Dayton, but also is Widely-Acquainted here in Salem. Read what Mr. Grant has to say.

Up and Down All Night With Weak Kidneys

"For the last several years I had been troubled almost continually with a weak, sluggish condition of my kidneys," said Mr. Grant. "I work out of doors in all kinds of weather and frequently when I am out on a job I have to sleep on the ground and it seemed like this exposure finally had an effect on my kidney organs. Anyway, for the last several years they had been in a weak, sluggish condition and got me up as many as 8 or 10 times during the night, so that my sleep and rest was all broken up, which certainly makes it miserable for a man like me who does hard, difficult work each day."

Now Mr. Grant Tells How Van-Tage Helped

"I tried a lot of medicines for this suffering of mine, but nothing seemed to act on me at all, and then one day I was talking with a friend and he told me about Van-

Tage and recommended it so highly that I got it and started taking it. And I want to say to you that I could feel the effect of Van-Tage almost FROM THE START. And now since taking 2 bottles, my weak, sluggish kidneys are relieved to such an extent that I don't have to get up at all any more. So now, for the first time in years, I am able to get a full night's rest. This medicine did more for me than anything else I ever took and I can't praise it too highly and gladly give this statement and hope what I say will help many others."
