

WILLAMETTE WINS NORTHWEST FOOTBALL PENNANT

PACIFIC LOSES FOG BATTLE BY 19 TO 0 SCORE

On fog bound Sweetland field, Willamette university won the football championship of the Northwest conference last night. With several hundred would-be spectators in the stands catching an occasional glimpse of the wraith-like pugilist gladiators as they went through their maneuvers, the Bears crushed Pacific university 19 to 0. And while Whitman is yet to be played the result of the Thanksgiving day clash on Sweetland field cannot block Willamette out of its 1936 pennant.

Reflecting in some measure the thick atmosphere which settled over the playing field just before the opening whistle, Coach Keene's men were in something of a fog themselves as they had a difficult time in getting underway in the initial period. A bell in the Willamette rooting section, clanging an occasional doleful note, sounded for all the world like a warning signal at the mouth of a fog bound bay. The murky conditions surrounding the field completed the nautical picture. So thick was the fog that few spectators in the south stands saw Bill Beard as he caught a Pacific punt on the Willamette 45 and then galloped down the north sidelines for the first touchdown. Sports writers in the press box, lost Beard in the fog shortly after he crossed midfield and did not pick him up again.

Beard, a former Oregon City high school gridster, had an important role in the battle of the muck. In addition to the second period touchdown, Beard started his mates on the way toward another in the third when he uncorked a pass from the Willamette 39 which Walt Weaver picked out of the clouds on the Pacific 20 and then carried to the 4 from which point Dick Weisgerber jostled his way over the final white stripe. Beard scored again in the third when he aped around right end for the final four yards of a drive which started on the Bearcat 47 after Brandon had smeared a Pacific pass.

As intimated previously Willamette had a difficult time in getting underway. A hard charging Pacific line successfully bottled the Bearcat carriers. On top of that Ederson's booting repeatedly forced Spec Keene's men back deep in their own territory. Three 15 yard penalties for holding and clipping did not help matters.

The game was featured by hard tackling particularly in the second half. A number of Pacific men were forced from the game, while Tats Yada was injured from the field with an assisted knee.

Next Thursday's game will close the season for Willamette.

OREGON STATE TO INVEST IN GRASS

Corvallis, Nov. 21 (AP)—Oregon state football was almost out of the mud today.

Tentative plans for turfing Bell Field and the area between the stadium and the armory were made at a meeting of the athletic board of control. The section near the armory will be used for practice grids.

Agricultural experts were called into discuss types of grass.

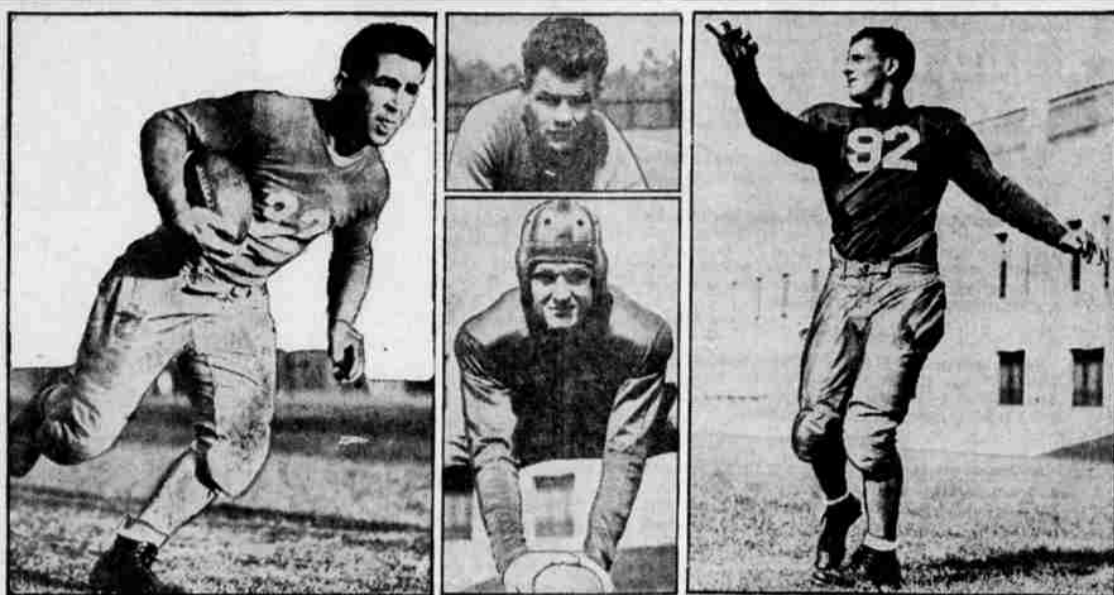

While final action was not taken, those attending the meeting said the turfing project was virtually assured.

Independence Loses To Albany, 13 to 0

Independence—Independence high lost to Albany high gridmen last night 13 to 0 in a game played in the fog before a good sized crowd. The visitors scored in the first and fourth periods. Sutton crossed the goal in the first period for Albany while Putnam accounted for the second touchdown. Independence was handicapped by the absence of Haley, halfback.

LADD IN HOSPITAL
Rosedale—Robert Ladd, who has been sick for three weeks, was taken to the General hospital this week.

BEARS, INDIANS SQUARE OFF FOR 'BIG GAME'

There's no championship involved this season, but it's still the "Big Game" when the California and Stanford elevens meet in the Pacific Oregon Normal valedictory to gridiron prominence with an upset victory over the Whitman Missionaries. A field goal, striking the cross bar and bounding over into the end zone, gave the Mountaineers a 3-0 win.

The single score came in the fourth quarter.

Eastern Oregon's opportunity arrived when Whitman's fumble was recovered on the 26. The ball was pushed to the Whitman 14 where Turner, center, kicked the goal from placement.

Coach "Nig" Borleske of the Missionaries sent his reserves against the Mountaineers for three quarters. He said he was resting his regulars for the Thanksgiving day game with Willamette.

When E.O.N. took the lead, the Missionary varsity went into action. A fumble stopped one drive and an intercepted pass another.

The Mountaineers ran up 12 first downs against three for the invaders.

Eastern Oregon lost the ball on downs on the Whitman 9 in the third period.

MOUNTAINEERS DOWN WHITMAN

La Grande, Nov. 21 (AP)—Eastern Oregon Normal valedictory to gridiron prominence with an upset victory over the Whitman Missionaries. A field goal, striking the cross bar and bounding over into the end zone, gave the Mountaineers a 3-0 win.

WOLVES TURN OUT FOR BASKET PLAY

Monmouth—In the opening practice of the 1936 season, Coach Cox was met by 15 aspirants for this year's basketball team. Several lettermen and reserves of last year's squad were present for the first official practice. Although football is still active, basketball will soon be forging its way into the limelight.

The Wolves, last year, had the best team that was ever turned out by Oregon Normal, and many school dopsters think the team this year will be as good, and may even exceed last year's team. The team at present will be handicapped by the loss of their leading scorer and captain, Jack Butterworth, who led his team to many victories last year. Butterworth was rated on four different all-star teams. Mohler, center of the football team, will take the position left by Butterworth, although bothwell, all-state man of The Dalles, may be converted back to center position. Elmore Borden, Sellwood, Kidd, Bothwell, Hastings, Jensen, Kalk, O'Connell and Sampson are lettermen and reserves who are expected to be out for practice soon.

O'Connell and Sampson are from Odell and are expected to enter school for the winter term.

Many new players are now out for the team including some of last year's outstanding intramural men. In the first workout the following participated: Bothwell, Sellwood, Kidd, Kalk, Ekman, Parks, D. Gronquist, G. Gronquist, Dunn, Johnson, Brandon, McAllister, Hudson, Quist and Schmidt.

RANGERS WIN OVER OREGON NORMAL 11

Olympia, Nov. 21 (AP)—St. Martin's Rangers scored two touchdowns in the first half to win from Oregon Normal, 14 to 6, last night.

Peterson, Ranger halfback, rambled to the opening touchdown in the second period after an offside penalty placed the ball on the Oregon one-yard line.

A pass from Peterson to Sweeney from the nine-yard line brought the second counter.

Oregon broke into the scoring in the third period on a pass, Borden to Younce.

Each team made ten first downs.

BOWER TRADES FARM

Silverton—Iden Bower has traded his 22-acre farm in the Evergreen district for property in Spokane and will leave for his new home during the week.

Woodburn Turns Back Silverton Ball Club, 24-0 In Final Game

Woodburn—An alert Woodburn high school football team walked over Silverton 24-0 here Friday afternoon before a large number of spectators. Gordon Seely, plunging

fullback, led the offensive attack for the Bulldogs aided by the great blocking of his team mates. Seely scored the opening touchdown in the second period after Brunell, guard, recovered a Silverton fumble on the 19 and a pass, Whitman to Shaw put the ball on the one foot line. Woodburn added two

Country Folk Come to Aid City Sports

Tellico Plains, Tenn., Nov. 21 (AP)—Mountaineers who have been frankly amused by the city folk's scant success in bagging wild boars, joined today in an effort to drive the fierce beasts within range of the outlanders' guns.

A disappointed but determined band of 30 well equipped hunters took stations in strategically placed blinds in the Uniska hills while 50 natives sought to drive the quarry into gun range.

Further ailing for the pride of the visiting marksmen was felt last night when forest rangers admitted they had been unable to classify any of the hogs killed in the first two days of the hunt as being definitely of the Prussian wild boar strain.

Slouching mountain men, serving as guides, are chucking at the plight of the elaborately armed and equipped sportsman who has blasted wildly and futilely at the agile boars for two days.

STAYTON DEFEATS MONMOUTH HIGH

Stayton, Or., Nov. 21 — Scoring once in every quarter and featuring the playing of Lambrecht and another field-length run of Lucas, Stayton high school defeated Monmouth high here Friday afternoon 26 to 0.

Stayton tallied when Lambrecht intercepted a pass in the first quarter and crossed the goal line 39 yards away. Straight football with C. Christensen carrying the ball over the marker, brought the second score in the next frame. A Monmouth blocked punt, which rolled to the two-yard line and fumbled by Monmouth with Lambrecht recovering brought the third score. Lucas took the ball on the kick-off in the final quarter and loped the field for the last counter.

Lambrecht is playing his first season of football this year and is regarded as one of the most valuable players on the team. Lucas has featured goal-to-goal runs for counters this season, chalking up three. He specializes on open field running. Stayton closes the season at Cannonville by Thanksgiving day without a defeat to mar its record. The only comparison that can be made is through the 39-0 victory of Independence over Monmouth.

West Linn Swamps Dallas High, 53-0

West Linn, Ore., Nov. 21 (AP)—Scoring twice in each period the champion West Linn Lions smothered their Willamette valley conference season Friday by swamping Dallas, 53 to 0.

With only a scoreless tie with Oregon City to mar a perfect season the Lions have one more game remaining, with Milwaukie November 27.

Wild Duck Party Traffic Handicap

Seattle, Nov. 21 (AP)—Wild duck parades on a busy boulevard furnished a new traffic hazard today for Seattle motorists.

The ducks—mostly waddling Mallards—threatened to become a major problem, also, for the park commissioners who created a feeding station and sanctuary on Lake Washington at the edge of the Lakewood residential district several years ago.

Swaggering green-heads, residents complained, led their lady friends from the lake across the boulevard and into yards where choice garden plants vanished, despite frequent broom wieldings by trape housewives.

Mrs. Dorna M. Henderson, corresponding secretary of the Lakewood Community club, in a letter informed the commissioners:

"There are thousands of ducks here. They are making the whole district a boarding house. They hold duck parades, marching down the boulevard and making things hard for motorists."

The commissioners took the matter under advisement, hoping the traffic hazard angle might enable them to pass the duck to the police department.

M'LARNIN TO TAKE SHOT AT WELTER TITLE

New York, Nov. 21 (AP)—With no more lightweight opposition in sight for him, appeared likely today Jimmy McLarnin is due to fight for the welterweight title once more.

Lou Ambers, current king of the 135 pounders, went the way of most of his class last night. Overmatched and conceding McLarnin eight pounds, he took as decisive a beating in the Madison Square Garden ring, as the former lightweight champion, Tony Canzoneri, did less than two months ago.

McLarnin looked so impressive in completing the 10 round verdict over the Herkimer, N. Y., boy that plans immediately were made for the veteran to fight the winner of the welterweight title scrap billed next week between Champion Barney Ross of Chicago and Izzy Janazzo of New York. The Garden wants McLarnin to fight for the title this winter but Jimmy's manager, Pop Foster, thinks it should be deferred until the outdoor season.

The Irish belter lost two out of three title decisions to Ross in 1934 and 1935. He was about ready to hang up his gloves a year ago.

HOLLINGBERRY BANS TOUGH SCRIMMAGE

Pullman, Wash., Nov. 21 (AP)—"Shadow boxing" scrimmage is the closest the Washington State Cougars are getting to rough work in their practice for the all-important Thanksgiving football game against Washington.

Coach O. E. (Babe) Hollingbery has banned regular scrimmages in preparation for the contest in which the Cougars hope to climb into a

responding secretary of the Lakewood Community club, in a letter informed the commissioners:

CRAIG SEEKS DAME FORTUNE AT PINEHURST

Pinehurst, N. C., Nov. 21 (AP)—One of golf's hard luck guys, big blonde Craig Wood, wished that Dame Fortune would turn her frown into a smile for him today.

The old lady, whose favors count a lot in sport, has snubbed the Deal, N. J., better in recent years but Craig held hopes that she'd relent and give him the professional golfers' championship as a belated birthday present.

He was 35 Wednesday.

A long socker himself, Wood tackled pro golf's bigger slugger, Jimmy Thomson, in one of the 36 hole semi-final matches today as slender Denny Shute squared away with Bury Will Bill Melhorn.

Once before Craig got into the finals of this tournament, only to lose to Paul (Little Poison) Runyan, in 38 holes two years ago.

In 1933 Craig thought he had won the British open crown, but Denny Shute slipped into tie him and then win in the play-off.

The next year it looked like he was the Augusta masters' winner, but Horton Smith came in late to edge him out. And that summer he was disqualified in the national open, when he was going strong for playing the wrong ball.

To top it all, they were congratulating him as the Augusta victor in 1935 when the impossible happened—Gene Sarazen executed the double eagle to tie and whip him in another play-off.

He was two under par yesterday in beating the national open champion, Tony Manero, 5 and 4.

PARRISH WINS OVER LESLIE

Scoring three touchdowns to one for their opponents, Parrish junior high's football team defeated Leslie on Olinger field Friday afternoon, 19 to 6. The contest was the final in the intramural series and placed Parrish in third position with two wins and four defeats. Leslie failed to break into the win column.

With Don Waller making big gains through and around the Leslie line, Parrish scored twice in the opening period and had a 13 to 0 lead as the second got under way. Coach Tom Drynan substituted an entirely new backfield in the second quarter and Essey, Leslie halfback, proved a hero in the eyes of the south-side fans when he broke loose on his own 20 and ran 80 yards for a touchdown. Cutler scored the third Parrish touchdown in the fourth session after Doug Douglas had gotten away on a 25-yard jaunt.

The final standings:

	W	L	Pct.
Bees.....	6	0	1.000
Midgets.....	4	2	.667
Parrish.....	2	4	.333
Leslie.....	0	6	.000
